

# AutomateSafety

Streamline Workplace Safety Training for Employers of All Sizes

Send Directly  
to Employees via  
Email or SMS  
Text Message

Simplify Workplace Safety Training by Implementing a Turnkey, Set-It and Forget-It Content Engine Full of Engaging Safety Training Messages That Are Sent Directly to Employees.

- ✓ Pick From a Huge Library of Topics
- ✓ Target Specific Safety Concerns
- ✓ Decide When Employees Receive Training
- ✓ Verify Engagement with Quiz
- ✓ Safety Concern Reporting Feature
- ✓ Easy to Maintain Employees List
