- Mailed business and property owner postcards
- Summary of Artist Workshop on website

Artist Workshop Summary

- **Accessibility:** Think about people with disabilities and underrepresented communities, and how they use the corridor
- **Wayfinding:** Use wayfinding to connect and direct people to safe crossings and RTD's Lamar Street Station
- **Cultural Representation:** Need to recognize the racial diversity of the surrounding neighborhoods and the history of people and residents who have lived in the area
- **Art Integration & Expression:** Explore how histories and narrative stories can be told using sensory elements such as motion, sound, and light
- **Additional Key Issues:** Trash and creating a welcoming pedestrian experience

30-DAY COMMUNITY ENGAGEMENT LOOKAHEAD

- Business owner meetings (4) the week of May 23rd
