with the NYPD. Through this contract, Contractor agrees to provide such a
Sentiment Meter. In providing a Sentiment Meter, Contractor agrees to fully comply
with and to meet all requirements/services that set forth in its Technical and Pricing Proposal. (Appendix B)

  - Desk-side analytical support to assist Customer in operationalizing and applying Elucd products to core Customer processes

3. No attempt has been made or will be made by the Contractor to induce any other person or entity to submit or not to submit a bid or proposal for the purpose of restricting competition.

B. The fact that the Contractor (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has sold the same items to other customers at the same prices and/or terms being bid or proposed, does not constitute, without more, a disclosure within the meaning of this Section 2.03.

Section 2.04 Disclosures Relating to Vendor Responsibility

The Contractor represents and warrants that it has duly executed and filed all disclosures as applicable, in accordance with Admin. Code § 6-116.2, PPB Rule § 2-08, and the policies and procedures of the Mayor’s Office of Contract Services. The Contractor acknowledges that the Department’s reliance on the completeness and veracity of the information stated therein is a material condition to the execution of this Agreement, and the Contractor represents and warrants that the information it and its principals have provided is accurate and complete.

Section 2.05 Disclosure Relating to Bankruptcy and Reorganization

If the Contractor files for bankruptcy or reorganization under Chapter Seven or Chapter Eleven of the United States Bankruptcy Code, the Contractor shall disclose such action to the Department within seven days of filing.
Appendix A January 2018 Final

Section 2.06 Authority to Execute Agreement

The Contractor represents and warrants that: (i) its execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on its part; (ii) it has all necessary power and authority to execute, deliver and perform its obligations under this Agreement; and (iii) once executed and delivered, this Agreement will constitute its legal, valid and binding obligation, enforceable in accordance with its terms.

ARTICLE 3 - ASSIGNMENT AND SUBCONTRACTING

Section 3.01 Assignment

A. The Contractor shall not assign, transfer, convey, or otherwise dispose of this Agreement, or the right to execute it, or the right, title, or interest in or to it or any part of it, or assign, by power of attorney or otherwise, any of the monies due or to become due under this Agreement, without the prior written consent of the Commissioner. The giving of any such consent to a particular assignment shall not dispense with the necessity of such consent to any further or other assignments. Any such assignment, transfer, conveyance, or other disposition without such written consent shall be void.

B. Before entering into any such assignment, transfer, conveyance, or other disposal of this Agreement, the Contractor shall submit a written request for approval to the Department giving the name and address of the proposed assignee. The proposed assignee's disclosure that is required by PFB Rule § 2-08(e) must be submitted within 30 Days after the ACCO has granted preliminary written approval of the proposed assignee, if required. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed assignee has the necessary facilities, skill, integrity, past experience, and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Department shall make a final determination in writing approving or disapproving the assignee after receiving all requested information.

C. Failure to obtain the prior written consent to such an assignment, transfer, conveyance, or other disposition may result in the revocation and annulment of this Agreement, at the option of the Commissioner. The City shall thereupon be relieved and discharged from any further liability and obligation to the Contractor, its assignees, or transferees, who shall forfeit all monies earned under this Agreement, except so much as may be necessary to pay the Contractor's employees.

D. The provisions of this Section 3.01 shall not hinder, prevent, or affect an assignment by the Contractor for the benefit of its creditors made pursuant to the Laws of the State.
Appendix A January 2018 Final

E. This Agreement may be assigned, in whole or in part, by the City to any corporation, agency, or instrumentality having authority to accept such assignment. The City shall provide the Contractor with written notice of any such assignment.

Section 3.02 Subcontracting

A. In accordance with PPB Rule § 4-13, all subcontractors must be approved by the Department prior to commencing work under a subcontract.

1. Approval when subcontract is $20,000 or less. The Department hereby grants approval for all subcontractors providing services covered by this Agreement pursuant to a subcontract in an amount that does not exceed $20,000.00. The Contractor must submit monthly reports to the Department listing all such subcontractors and shall list the subcontractor in the City’s Payee Information Portal (www.nyc.gov/pip).

2. Approval when subcontract is greater than $20,000.
   a. The Contractor shall not enter into any subcontract for an amount greater than $20,000.00 without the prior approval by the Department of the subcontractor.
   b. Prior to entering into any subcontract for an amount greater than $20,000.00, the Contractor shall submit a written request for the approval of the proposed subcontractor to the Department giving the name and address of the proposed subcontractor, the portion of the work and materials that it is to perform and furnish, and the estimated cost of the subcontract. If the subcontractor is providing professional services under this Agreement for which professional liability insurance or errors and omissions insurance is reasonably commercially available, the Contractor shall submit proof of professional liability insurance in the amount required by Article 7. In addition, the Contractor shall list the proposed subcontractor in the City’s Payee Information Portal (www.nyc.gov/pip) and provide the following information: maximum subcontract value, description of subcontractor work, start and end date of the subcontract, and the subcontractor’s industry.1

   c. Upon receipt the information required above, the Department in its discretion may grant or deny preliminary approval for the Contractor to contract with the subcontractor.

1 Assistance establishing a Payee Information Portal account and using the system may be obtained by emailing the Financial Information Services Agency Help Desk at pip@fisa.nyc.gov.
Appendix A January 2018 Final

d. The Department shall notify the Contractor within 30 Days whether preliminary approval has been granted. If preliminary approval is granted, the Contractor shall provide such documentation as may be requested by the Department to show that the proposed subcontractor has the necessary facilities, skill, integrity, past experience and financial resources to perform the required work, including, the proposed subcontract and/or any of the items listed in PPB Rule 4-13(d)(3).

e. Upon receipt of all relevant documentation, the Department shall notify the Contractor in writing whether the proposed subcontractor is approved. If the proposed subcontractor is not approved, the Contractor may submit another proposed subcontract unless the Contractor decides to do the work. No subcontractor shall be permitted to perform work unless approved by the Department.

f. For proposed subcontracts that do not exceed $25,000.00, the Department’s approval shall be deemed granted if the Department does not issue a written approval or disapproval within 45 Days of the Department’s receipt of the written request for approval or, if PPB Rule 2-08(e) is applicable, within 45 Days of the Department’s acknowledged receipt of fully completed disclosures for the subcontract.

B. All subcontracts must be in writing. All subcontracts shall contain provisions specifying that:

1. The work performed by the subcontractor must be in accordance with the terms of the Agreement between the City and the Contractor;

2. Nothing contained in the agreement between the Contractor and the subcontractor shall impair the rights of the City;

3. Nothing contained in the agreement between the Contractor and the subcontractor, or under the Agreement between the City and the Contractor, shall create any contractual relation between the subcontractor and the City; and

4. The subcontractor specifically agrees to be bound by Section 4.05(D) and Article 5 of this Appendix A and specifically agrees that the City may enforce such provisions directly against the subcontractor as if the City were a party to the subcontract.

C. The Contractor agrees that it is as fully responsible to the Department for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by such subcontractors as it is for the acts and omissions of any person directly employed by it.
Appendix A January 2018 Final

D. For determining the value of a subcontract, all subcontracts with the same subcontractor shall be aggregated.

E. The Department may revoke the approval of a subcontractor granted or deemed granted pursuant to Section 3.02(A) if revocation is deemed to be in the interest of the City in writing on no less than 10 Days’ notice unless a shorter period is warranted by considerations of health, safety, integrity issues, or other similar factors. Upon the effective date of such revocation, the Contractor shall cause the subcontractor to cease all work under the Agreement. The City shall not incur any further obligation for services performed by such subcontractor pursuant to this Agreement beyond the effective date of the revocation. The City shall pay for services provided by the subcontractor in accordance with this Agreement prior to the effective date of revocation.

F. The Department’s approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties, and liabilities under this Agreement. At the request of the Department, the Contractor shall provide the Department a copy of any subcontract.

G. Individual employer-employee contracts are not subcontracts subject to the requirements of this Section 3.02.

H. The Contractor shall report in the City’s Payee Information Portal payments made to each subcontractor within 30 days of making the payment. If any of the information provided in accordance with Section 3.02(A)(2)(b) changes during the term of this Agreement, the Contractor shall update the information in such Portal accordingly. Failure of the Contractor to list a subcontractor and/or to report subcontractor payments in a timely fashion may result in the Department declaring the Contractor in default of the Agreement and will subject Contractor to liquidated damages in the amount of $100 per day for each day that the Contractor fails to identify a subcontractor along with the required information about the subcontractor and/or fails to report payments to a subcontractor, beyond the time frames set forth herein or in the notice from the City.

ARTICLE 4 - LABOR PROVISIONS

Section 4.01 Independent Contractor Status

The Contractor and the City agree that the Contractor is an independent contractor and not an employee, subsidiary, affiliate, division, department, agency, office, or unit of the City. Accordingly, the Contractor and its employees, officers, and agents shall not, by reason of this Agreement or any performance pursuant to or in connection with this Agreement, assert the existence of any relationship or status on the part of the Contractor, with respect to the City, that differs from or is inconsistent with that of an independent contractor.
Section 4.02 Employees and Subcontractors

All persons who are employed by the Contractor and all the Contractor's subcontractors (including without limitation, consultants and independent contractors) that are retained to perform services under or in connection with this Agreement are neither employees of the City nor under contract with the City. The Contractor, and not the City, is responsible for their work, direction, compensation, and personal conduct while the Contractor is engaged under this Agreement. Nothing in this Agreement, and no entity or person's performance pursuant to or in connection with this Agreement, shall create any relationship between the City and the Contractor's employees, agents, subcontractors, or subcontractor's employees or agents (including without limitation, a contractual relationship, employer-employee relationship, or quasi-employer/quasi-employee relationship) or impose any liability or duty on the City (i) for or on account of the acts, omissions, liabilities, rights or obligations of the Contractor, its employees or agents, its subcontractors, or its subcontractor's employees or agents (including without limitation, obligations set forth in any collective bargaining agreement); or (ii) for taxes of any nature; or (iii) for any right or benefit applicable to an official or employee of the City or to any officer, agent, or employee of the Contractor or any other entity (including without limitation, Workers' Compensation coverage, Employers' Liability coverage, Disability Benefits coverage, Unemployment Insurance benefits, Social Security coverage, employee health and welfare benefits or employee retirement benefits, membership or credit). The Contractor and its employees, officers, and agents shall not, by reason of this Agreement or any performance pursuant to or in connection with this Agreement, (i) hold themselves out as, or claim to be, officials or employees of the City, including any department, agency, office, or unit of the City, or (ii) make or support in any way on behalf of or for the benefit of the Contractor, its employees, officers, or agents any demand, application, or claim upon or against the City for any right or benefit applicable to an official or employee of the City or to any officer, agent, or employee of the Contractor or any other entity. Except as specifically stated in this Agreement, nothing in the Agreement and no performance pursuant to or in connection with the Agreement shall impose any liability or duty on the City to any person or entity whatsoever.

Section 4.03 Removal of Individuals Performing Work

The Contractor shall not have anyone perform work under this Agreement who is not competent, faithful, and skilled in the work for which he or she shall be employed. Whenever the Commissioner shall inform the Contractor, in writing, that any individual is, in his or her opinion, incompetent, unfaithful, or unskilled, such individual shall no longer perform work under this Agreement. Prior to making a determination to direct a Contractor that an individual shall no longer perform work under this Agreement, the Commissioner shall provide the Contractor an opportunity to be heard on no less than five Days' written notice. The Commissioner may direct the Contractor to prohibit the individual from performing work under the Agreement pending the opportunity to be heard and the Commissioner's determination.
Section 4.04 Minimum Wage; Living Wage

A. Except for those employees whose minimum wage is required to be fixed in accordance with N.Y. Labor Law §§ 220 or 230 or by Admin. Code § 6-109, all persons employed by the Contractor in the performance of this Agreement shall be paid, without subsequent deduction or rebate, unless expressly authorized by Law, not less than the minimum wage as prescribed by Law. Any breach of this Section 4.04 shall be deemed a material breach of this Agreement.

B. If this Agreement involves the provision of homecare services, day care services, head start services, services to persons with cerebral palsy, building services, food services, or temporary services, as those services are defined in Admin. Code § 6-109 (“Section 6-109”), in accordance with Section 6-109, the Contractor agrees as follows:

1. The Contractor shall comply with the requirements of Section 6-109, including, where applicable, the payment of either a prevailing wage or a living wage, as those terms are defined in Section 6-109.

2. The Contractor shall not retaliate, discharge, demote, suspend, take adverse employment action in the terms and conditions of employment or otherwise discriminate against any employee for reporting or asserting a violation of Section 6-109, for seeking or communicating information regarding rights conferred by Section 6-109, for exercising any other rights protected under Section 6-109, or for participating in any investigatory or court proceeding relating to Section 6-109. This protection shall also apply to any employee or his or her representative who in good faith alleges a violation of Section 6-109, or who seeks or communicates information regarding rights conferred by Section 6-109 in circumstances where he or she in good faith believes it applies.

3. The Contractor shall maintain original payroll records for each of its covered employees reflecting the days and hours worked on contracts, projects, or assignments that are subject to the requirements of Section 6-109, and the wages paid and benefits provided for such hours worked. The Contractor shall maintain these records for the duration of the term of this Agreement and shall retain them for a period of four years after completion of this Agreement. For contracts involving building services, food services, or temporary services, the Contractor shall submit copies of payroll records, certified by the Contractor under penalty of perjury to be true and accurate, to the Department with every requisition for payment. For contracts involving homecare, day care, head start or services to persons with cerebral palsy, the Contractor shall submit either certified payroll records or categorical information about the wages, benefits, and job classifications of covered employees of the Contractor, and of any subcontractors, which shall be the substantial equivalent of the information required in Section 6-109(2)(a)(iii).
4. The Contractor and all subcontractors shall pay all covered employees by check and shall provide employees check stubs or other documentation at least once each month containing information sufficient to document compliance with the requirements of the Living Wage Law concerning living wages, prevailing wages, supplements, and health benefits. In addition, if this Agreement is for an amount greater than $1,000,000.00, checks issued by the Contractor to covered employees shall be generated by a payroll service or automated payroll system (an in-house system may be used if approved by the Department). For any subcontract for an amount greater than $750,000.00, checks issued by a subcontractor to covered employees shall be generated by a payroll service or automated payroll system (an in-house system may be used if approved by the Department).

5. The Department will provide written notices to the Contractor, prepared by the Comptroller, detailing the wages, benefits, and other protections to which covered employees are entitled under Section 6-109. Such notices will be provided in English, Spanish and other languages spoken by ten percent or more of a covered employer's covered employees. Throughout the term of this Agreement, the Contractor shall post in a prominent and accessible place at every work site and provide each covered employee a copy of the written notices provided by the Department. The Contractor shall provide the notices to its subcontractors and require them to be posted and provided to each covered employee.

6. The Contractor shall ensure that its subcontractors comply with the requirements of Section 6-109, and shall provide written notification to its subcontractors of those requirements. All subcontracts made by the Contractor shall be in writing and shall include provisions relating to the wages, supplements, and health benefits required by Section 6-109. No work may be performed by a subcontractor employing covered employees prior to the Contractor entering into a written subcontract with the subcontractor.

7. Each year throughout the term of the Agreement and whenever requesting the Department's approval of a subcontractor, the Contractor shall submit to the Department an updated certification, as required by Section 6-109 and in the form of the certification attached to this Agreement, identifying any changes to the current certification.

8. Failure to comply with the requirements of Section 6-109 may, in the discretion of the Department, constitute a material breach by the Contractor of the terms of this Agreement. If the Contractor and/or subcontractor receives written notice of such a breach and fails to cure such breach within 30 Days, the City shall have the right to pursue any rights or remedies available under this Agreement or under applicable law, including termination of the Agreement. If the Contractor fails to perform in accordance with any of the requirements of Section 6-109 and fails to cure such failure in accordance with the preceding sentence, and there is a continued need for the service, the City may obtain from another source the required service as specified in the original Agreement, or
Appendix A January 2018 Final

any part thereof, and may charge the Contractor for any difference in price resulting from the alternative arrangements, and may, as appropriate, invoke such other sanctions as are available under the Agreement and applicable law. In addition, the Contractor agrees to pay for all costs incurred by the City in enforcing the requirements of Section 6-109, including the cost of any investigation conducted by or on behalf of the Department or the Comptroller, where the City discovers that the Contractor or its subcontractor(s) failed to comply with the requirements of this Section 4.04(B) or of Section 6-109. The Contractor also agrees, that should it fail or refuse to pay for any such investigation, the Department is hereby authorized to deduct from a Contractor's account an amount equal to the cost of such investigation.

Section 4.05 Non-Discrimination in Employment

A. General Prohibition. To the extent required by law, the Contractor shall not unlawfully discriminate against any employee or applicant for employment because of actual or perceived age, religion, religious practice, creed, sex, gender, gender identity or expression, sexual orientation, status as a victim of domestic violence, stalking, and sex offenses, familial status, partnership status, marital status, caregiver status, pregnancy, childbirth or related medical condition, disability, presence of a service animal, predisposing genetic characteristics, race, color, national origin (including ancestry), alienage, citizenship status, political activities or recreational activities as defined in N.Y. B. N.Y. Labor Law § 220-c. If this Agreement is for the construction, alteration or repair of any public building or public work or for the manufacture, sale, or distribution of materials, equipment, or supplies, the Contractor agrees, as required by N.Y. Labor Law § 220-c, that:

1. In the hiring of employees for the performance of work under this Agreement or any subcontract hereunder, neither the Contractor, subcontractor, nor any person acting on behalf of such Contractor or subcontractor, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates;

2. Neither the Contractor, subcontractor, nor any person on his or her behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this Agreement on account of race, creed, color, disability, sex or national origin;
Appendix A January 2018 Final

3. There may be deducted from the amount payable to the Contractor by the City under this Agreement a penalty of $50.00 for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Agreement; and

4. This Agreement may be terminated by the City, and all monies due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this Section 4.05.

The provisions of this Section 4.05(B) shall be limited to operations performed within the territorial limits of the State of New York.

C. Admin. Code § 6-108. If this Agreement is for the construction, alteration or repair of buildings or the construction or repair of streets or highways, or for the manufacture, sale, or distribution of materials, equipment or supplies, the Contractor agrees, as required by Admin. Code § 6-108, that:

1. It shall be unlawful for any person engaged in the construction, alteration or repair of buildings or engaged in the construction or repair of streets or highways pursuant to a contract with the City or engaged in the manufacture, sale or distribution of materials, equipment or supplies pursuant to a contract with the City to refuse to employ or to refuse to continue in any employment any person on account of the race, color or creed of such person.

2. It shall be unlawful for any person or any servant, agent or employee of any person, described in Section 4.05(C)(1) above, to ask, indicate or transmit, orally or in writing, directly or indirectly, the race, color, creed or religious affiliation of any person employed or seeking employment from such person, firm or corporation.

Breach of the foregoing provisions shall be deemed a breach of a material provision of this Agreement.

Any person, or the employee, manager or owner of or officer of such firm or corporation who shall violate any of the provisions of this Section 4.05(C) shall, upon conviction thereof, be punished by a fine of not more than $100.00 or by imprisonment for not more than 30 Days, or both.

D. E.O. 50 -- Equal Employment Opportunity

1. This Agreement is subject to the requirements of City Executive Order No. 50 (1980) ("E.O. 50"), as revised, and the rules set forth at 66 RCNY §§ 10-01 et seq. No agreement will be awarded unless and until these requirements have been complied with in their entirety. The Contractor agrees that it:

a. Will not discriminate unlawfully against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability,
Appendix A January 2018 Final

marital status, sexual orientation or citizenship status with respect to all employment decisions including, but not limited to, recruitment, hiring, upgrading, demotion, downgrading, transfer, training, rates of pay or other forms of compensation, layoff, termination, and all other terms and conditions of employment;

b. Will not discriminate unlawfully in the selection of subcontractors on the basis of the owners’, partners’ or shareholders’ race, color, creed, national origin, sex, age, disability, marital status, sexual orientation, or citizenship status;

c. Will state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that all qualified applicants will receive consideration for employment without unlawful discrimination based on race, color, creed, national origin, sex, age, disability, marital status, sexual orientation or citizenship status, and that it is an equal employment opportunity employer;

d. Will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or memorandum of understanding, written notification of its equal employment opportunity commitments under E.O. 50 and the rules and regulations promulgated thereunder;

e. Will furnish before this Agreement is awarded all information and reports including an Employment Report which are required by E.O. 50, the rules and regulations promulgated thereunder, and orders of the SBS, Division of Labor Services (“DLS”); and

f. Will permit DLS to have access to all relevant books, records, and accounts for the purposes of investigation to ascertain compliance with such rules, regulations, and orders.

2. The Contractor understands that in the event of its noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, such noncompliance shall constitute a material breach of this Agreement and noncompliance with E.O. 50 and the rules and regulations promulgated thereunder. After a hearing held pursuant to the rules of DLS, the Director of DLS may direct the Commissioner to impose any or all of the following sanctions:

a. Disapproval of the Contractor; and/or

b. Suspension or termination of the Agreement; and/or

c. Declaring the Contractor in default; and/or
Appendix A January 2018 Final

d. In lieu of any of the foregoing sanctions, imposition of an employment program.

3. Failure to comply with E.O. 50 and the rules and regulations promulgated thereunder in one or more instances may result in the Department declaring the Contractor to be non-responsible.

4. The Contractor agrees to include the provisions of the foregoing Sections 4.05(D)(1)-(3) in every subcontract or purchase order in excess of $100,000.00 to which it becomes a party unless exempted by E.O. 50 and the rules and regulations promulgated thereunder, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Director of DLS as a means of enforcing such provisions including sanctions for noncompliance. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor or vendor for purposes of this Section 4.05(D)(4).

5. The Contractor further agrees that it will refrain from entering into any subcontract or modification thereof subject to E.O. 50 and the rules and regulations promulgated thereunder with a subcontractor who is not in compliance with the requirements of E.O. 50 and the rules and regulations promulgated thereunder. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor for purposes of this Section 4.05(D)(5).

6. Nothing contained in this Section 4.05(D) shall be construed to bar any religious or denominational institution or organization, or any organization operated for charitable or educational purposes, that is operated, supervised or controlled by or in connection with a religious organization, from lawfully limiting employment or lawfully giving preference to persons of the same religion or denomination or from lawfully making such selection as is calculated by such organization to promote the religious principles for which it is established or maintained.

Section 4.06 Paid Sick Leave Law

A. Introduction and General Provisions.

1. The Earned Sick Time Act, also known as the Paid Sick Leave Law ("PSLL"), requires covered employees who annually perform more than 80 hours of work in New York City to be provided with paid sick time.² Contractors of the City or of other governmental entities may be required to provide sick time pursuant to the PSLL.

---

² Pursuant to the PSLL, if fewer than five employees work for the same employer, as determined pursuant Admin. Code § 20-912(g), such employer has the option of providing such employees uncompensated sick time.
2. The PSLL became effective on April 1, 2014, and is codified at Title 20, Chapter 8, of the Admin. Code. It is administered by the City’s Department of Consumer Affairs ("DCA"). DCA’s rules promulgated under the PSLL are codified at Chapter 7 of Title 6 of the Rules of the City of New York ("Rules").

3. The Contractor agrees to comply in all respects with the PSLL and the Rules, and as amended, if applicable, in the performance of this Agreement. The Contractor further acknowledges that such compliance is a material term of this Agreement and that failure to comply with the PSLL in performance of this Agreement may result in its termination.

4. The Contractor must notify the ACCO in writing within 10 Days of receipt of a complaint (whether oral or written) regarding the PSLL involving the performance of this Agreement. Additionally, the Contractor must cooperate with DCA’s education efforts and must comply with DCA’s subpoenas and other document demands as set forth in the PSLL and Rules.

5. The PSLL is summarized below for the convenience of the Contractor. The Contractor is advised to review the PSLL and Rules in their entirety. On the website www.nyc.gov/PaidSickLeave there are links to the PSLL and the associated Rules as well as additional resources for employers, such as Frequently Asked Questions, timekeeping tools and model forms, and an event calendar of upcoming presentations and webinars at which the Contractor can get more information about how to comply with the PSLL. The Contractor acknowledges that it is responsible for compliance with the PSLL notwithstanding any inconsistent language contained herein.

B. Pursuant to the PSLL and the Rules: Applicability, Accrual, and Use.

1. An employee who works within the City of New York for more than eighty hours in any consecutive 12-month period designated by the employer as its "calendar year" pursuant to the PSLL ("Year") must be provided sick time. Employers must provide a minimum of one hour of sick time for every 30 hours worked by an employee and compensation for such sick time must be provided at the greater of the employee’s regular hourly rate or the minimum wage. Employers are not required to provide more than 40 hours of sick time to an employee in any Year.

2. An employee has the right to determine how much sick time he or she will use, provided that employers may set a reasonable minimum increment for the use of sick time not to exceed four hours per Day. In addition, an employee may carry over up to 40 hours of unused sick time to the following Year, provided that no employer is required to allow the use of more than 40 hours of sick time in a Year or carry over unused paid sick time if the employee is paid for such unused sick time and the employer provides the employee with at least the legally required amount of paid sick time for such employee for the immediately subsequent Year on the first Day of such Year.
Appendix A January 2018 Final

3. An employee entitled to sick time pursuant to the PSLL may use sick time for any of the following:
   
   a. such employee's mental illness, physical illness, injury, or health condition or the care of such illness, injury, or condition or such employee's need for medical diagnosis or preventive medical care;
   
   b. such employee's care of a family member (an employee's child, spouse, domestic partner, parent, sibling, grandchild, or grandparent, or the child or parent of an employee's spouse or domestic partner) who has a mental illness, physical illness, injury or health condition or who has a need for medical diagnosis or preventive medical care;
   
   c. closure of such employee's place of business by order of a public official due to a public health emergency, or
   
   d. such employee's need to care for a child whose school or childcare provider has been closed due to a public health emergency.

4. An employer must not require an employee, as a condition of taking sick time, to search for a replacement. However, an employer may require an employee to provide: reasonable notice of the need to use sick time; reasonable documentation that the use of sick time was needed for a reason above if for an absence of more than three consecutive work days; and/or written confirmation that an employee used sick time pursuant to the PSLL. However, an employer may not require documentation specifying the nature of a medical condition or otherwise require disclosure of the details of a medical condition as a condition of providing sick time and health information obtained solely due to an employee's use of sick time pursuant to the PSLL must be treated by the employer as confidential.

5. If an employer chooses to impose any permissible discretionary requirement as a condition of using sick time, it must provide to all employees a written policy containing those requirements, using a delivery method that reasonably ensures that employees receive the policy. If such employer has not provided its written policy, it may not deny sick time to an employee because of non-compliance with such a policy.

6. Sick time to which an employee is entitled must be paid no later than the payday for the next regular payroll period beginning after the sick time was used.

C. Exemptions and Exceptions. Notwithstanding the above, the PSLL does not apply to any of the following:

1. an independent contractor who does not meet the definition of employee under N.Y. Labor Law § 190(2);
Appendix A January 2018 Final

2. an employee covered by a valid collective bargaining agreement in effect on April 1, 2014, until the termination of such agreement;

3. an employee in the construction or grocery industry covered by a valid collective bargaining agreement if the provisions of the PSLL are expressly waived in such collective bargaining agreement;

4. an employee covered by another valid collective bargaining agreement if such provisions are expressly waived in such agreement and such agreement provides a benefit comparable to that provided by the PSLL for such employee;

D. Retaliation Prohibited. An employer may not threaten or engage in retaliation against an employee for exercising or attempting in good faith to exercise any right provided by the PSLL. In addition, an employer may not interfere with any investigation, proceeding, or hearing pursuant to the PSLL.

E. Notice of Rights.

1. An employer must provide its employees with written notice of their rights pursuant to the PSLL. Such notice must be in English and the primary language spoken by an employee, provided that DCA has made available a translation into such language. Appendix A January 2018 Final

F. **Records.** An employer must retain records documenting its compliance with the PSLL for a period of at least three years, and must allow DCA to access such records in furtherance of an investigation related to an alleged violation of the PSLL.

G. **Enforcement and Penalties.**

The PSLL provides minimum requirements pertaining to sick time and does not preempt, limit, or otherwise affect the applicability of any other law, regulation, rule, requirement, policy or standard that provides for greater accrual or use by employees of sick leave or time, whether paid or unpaid, or that extends other protections to employees. The PSLL may not be construed as creating or imposing any requirement in conflict with any federal or state law, rule, or regulation.

Such restriction shall not act to prevent government representatives from inspecting the provision of services in a manner that allows the representatives to ensure that services are being performed in accordance with this Agreement.

C. The Contractor shall not be entitled to final payment until the Contractor has complied with any request for inspection or access given under this Section 5.03.

Section 5.04 Audit

A. B.

D. The penalties that may attach after a final determination by the Commissioner or Agency Head may include but shall not exceed:

E. The Commissioner or Agency Head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Paragraphs (1) and (2) below. He or she may also consider, if relevant and appropriate, the criteria established in Paragraphs (3) and (4) below, in addition to any other information that may be relevant and appropriate:

1. The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

Appendix A January 2018 Final

4. 1. be provided by companies that may lawfully issue such policies;

2. have an A.M. Best rating of at least A-/VII, a Standard & Poor's rating of at least A, a Moody's Investors Service rating of at least A3, a Fitch Ratings rating of at least A- or a similar rating by any other nationally recognized statistical rating organization acceptable to the New York City Law Department unless prior written approval is obtained from the New York City Law Department; and

3. be primary (and non-contributing) to any insurance or self-insurance maintained by the City (not applicable to professional liability insurance/errors and omissions insurance) and any other entity listed as an additional insured in Schedule A.

B. The Contractor shall be solely responsible for the payment of all premiums for all required insurance policies and all deductibles or self-insured retentions to which such policies are subject, whether or not the City is an insured under the policy.
C. There shall be no self-insurance program, including a self-insurance retention, exceeding $10,000.00, with regard to any insurance required under Section 7.03 unless approved in writing by the Commissioner. Any such self-insurance program shall provide the City and any other additional insured listed on Schedule A with all rights that would be provided by traditional insurance required under this Article 7, including but not limited to the defense obligations that insurers are required to undertake in liability policies.

D. The limits of coverage for all types of insurance for the City, including its officials and employees, and any other additional insured listed on Schedule A that must be provided to such additional insured(s) shall be the greater of (i) the minimum limits set forth in Schedule A or (ii) the limits provided to the Contractor as named insured under all primary, excess, and umbrella policies of that type of coverage.

Section 7.05 Proof of Insurance

A. For each policy required under Section 7.03 and Schedule A of this Agreement, the Contractor shall file proof of insurance and, where applicable, proof that the City, including its officials and employees, is an additional insured within ten Days of award of this Agreement. The following proof is acceptable:

1. A certificate of insurance accompanied by a completed certification of insurance broker or agent (included in Schedule A of this Agreement) and any endorsements by which the City, including its officials and employees, have been made an additional insured; or

2. A copy of the insurance policy, including declarations and endorsements, certified by an authorized representative of the issuing insurance carrier.

B. Proof of insurance confirming renewals of insurance required under Section 7.03 must be submitted to the Department prior to the expiration date of the coverage. Such proof must meet the requirements of Section 7.05(A).

C. The Contractor shall provide the City with a copy of any policy required under this Article 7 upon the demand for such policy by the Commissioner or the New York City Law Department.

D. Acceptance by the Commissioner of a certificate or a policy does not excuse the Contractor from maintaining policies consistent with all provisions of this Article 7 (and ensuring that subcontractors maintain such policies) or from any liability arising from its failure to do so.

E. If the Contractor receives notice, from an insurance company or other person, that any insurance policy required under this Article 7 shall expire or be cancelled or terminated for any reason, the Contractor shall immediately forward a copy of such notice to both the address referred to in Section 14.04 and Schedule A and to the New York City Comptroller, Attn: Office
 Appendix A January 2018 Final

of Contract Administration, Municipal Building, One Centre Street, Room 1005, New York, New York 10007.

Section 7.06 Miscellaneous

A. Whenever notice of loss, damage, occurrence, accident, claim, or suit is required under a policy required by Section 7.03 and Schedule A, the Contractor shall provide the insurer with timely notice thereof on behalf of the City. Such notice shall be given even where the Contractor may not be covered under such policy if this Agreement requires that the City be an additional insured (for example, where one of Contractor's employees was injured). Such notice shall expressly specify that "this notice is being given on behalf of the City of New York, including its officials and employees, as additional insured" (such notice shall also include the name of any other entity listed as an additional insured on Schedule A) and contain the following information to the extent known: the number of the insurance policy; the name of the named insured; the date and location of the damage, occurrence, or accident; the identity of the persons or things injured, damaged, or lost; and the title of the claim or suit, if applicable. The Contractor shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007. If the Contractor fails to comply with the requirements of this paragraph, the Contractor shall indemnify the City, together with its officials and employees, and any other entity listed as an additional insured on Schedule A for all losses, judgments, settlements and expenses, including reasonable attorneys' fees, arising from an insurer's disclaimer of coverage citing late notice by or on behalf of the City together with its officials and employees, and any other entity listed as an additional insured on Schedule A.

B. The Contractor's failure to maintain any of the insurance required by this Article 7 and Schedule A shall constitute a material breach of this Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

C. Insurance coverage in the minimum amounts required in this Article 7 shall not relieve the Contractor or its subcontractors of any liability under this Agreement, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this Agreement or Law.

D. With respect to insurance required by Section 7.03 and Schedule A (but not including professional liability/errors and omissions insurance), the Contractor waives all rights against the City, including its officials and employees, and any other entity listed as an additional insured on Schedule A for any damages or losses that are covered under any insurance required under this Article 7 (whether or not such insurance is actually procured or claims are paid thereunder) or any other insurance applicable to the operations of the Contractor and/or its subcontractors in the performance of this Agreement.

E. In the event the Contractor requires any subcontractor to maintain insurance with regard to any operations under this Agreement and requires such subcontractor to list the Contractor as an additional insured under such insurance, the Contractor shall ensure that such
Appendix A January 2018 Final

entity also list the City, including its officials and employees, and any other entity listed as an additional insured on Schedule A as an additional insured. With respect to commercial general liability insurance, such coverage must be at least as broad as the most recently issued ISO form CG 20 26.

ARTICLE 8 - PROTECTION OF PERSONS AND PROPERTY AND INDEMNIFICATION

Section 8.01 Reasonable Precautions

The Contractor shall take all reasonable precautions to protect all persons and the property of the City and of others from injury, damage, or loss resulting from the Contractor’s and/or its subcontractors’ operations under this Agreement.

Section 8.02 Protection of City Property

The Contractor assumes the risk of, and shall be responsible for, any loss or damage to City property, including property and equipment leased by the City, used in the performance of this Agreement, where such loss or damage is caused by negligence, any tortious act, or failure to comply with the provisions of this Agreement or of Law by the Contractor, its officers, employees, agents, or subcontractors.

Section 8.03 Indemnification

To the fullest extent permitted by Law, the Contractor shall defend, indemnify, and hold harmless the City, including its officials and employees, against any and all claims (even if the allegations of the claim are without merit), judgments for damages on account of any injuries or death to any person or damage to any property, and costs and expenses to which the City or its officials or employees, may be subject to or which they may suffer or incur allegedly arising out of any of the operations of the Contractor and/or its subcontractors under this Agreement to the extent resulting from any negligent act of commission or omission, any intentional tortious act, and/or the failure to comply with Law or any of the requirements of this Agreement. In so far as the facts or Law relating to any of the foregoing would preclude the City or its officials or employees from being completely indemnified by the Contractor, the City and its officials and employees shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

Section 8.04 Infringement Indemnification

To the fullest extent permitted by Law, the Contractor shall defend, indemnify, and hold harmless the City, including its officials and employees, against any and all claims (even if the allegations of the claim are without merit), judgments for damages, and costs and expenses to which the City or its officials or employees, may be subject to or which they may suffer or incur allegedly arising out of any infringement, violation, or unauthorized use of any copyright, trade
secret, trademark or patent or any other property or personal right of any third party by the Contractor and/or its employees, agents, or subcontractors in the performance of this Agreement. To the fullest extent permitted by Law, the Contractor shall defend, indemnify, and hold harmless the City and its officials and employees regardless of whether or not the alleged infringement, violation, or unauthorized use arises out of compliance with the Agreement’s scope of services/scope of work. Insofar as the facts or Law relating to any of the foregoing would preclude the City and its officials and employees from being completely indemnified by the Contractor, the City and its officials and employees shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

Section 8.05 Indemnification Obligations Not Limited By Insurance Obligation

The Contractor’s obligation to indemnify, defend and hold harmless the City and its officials and employees shall neither be (i) limited in any way by the Contractor’s obligations to obtain and maintain insurance under this Agreement, nor (ii) adversely affected by any failure on the part of the City or its officials or employees to avail themselves of the benefits of such insurance.

Section 8.06 Actions By or Against Third Parties

A. If any claim is made or any action brought in any way relating to Agreement other than an action between the City and the Contractor, the Contractor shall diligently render to the City without additional compensation all assistance that the City may reasonably require of the Contractor.

B. The Contractor shall report to the Department in writing within five business days of the initiation by or against the Contractor of any legal action or proceeding relating to this Agreement.

Section 8.07 Withholding of Payments

A. If any claim is made or any action is brought against the City for which the Contractor may be required to indemnify the City pursuant to this Agreement, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the said claim or action.

B. If any City property is lost or damaged as set forth in Section 8.02, except for normal wear and tear, the City shall have the right to withhold payments under this Agreement for the purpose of set-off in sufficient sums to cover such loss or damage.

C. The City shall not, however, impose a set-off in the event that an insurance company that provided insurance pursuant to Section 7.03 above has accepted the City’s tender of the claim or action without a reservation of rights.
Appendix A January 2018 Final

D. The Department may, at its option, withhold for purposes of set-off any monies due to the Contractor under this Agreement up to the amount of any disallowances or questioned costs resulting from any audits of the Contractor or to the amount of any overpayment to the Contractor with regard to this Agreement.

E. The rights and remedies of the City provided for in this Section 8.07 are not exclusive and are in addition to any other rights and remedies provided by Law or this Agreement.

Section 8.08 No Third Party Rights

The provisions of this Agreement shall not be deemed to create any right of action in favor of third parties against the Contractor or the City or their respective officials and employees.

ARTICLE 9 - CONTRACT CHANGES

Section 9.01 Contract Changes

Changes to this Agreement may be made only as duly authorized by the ACCO or his or her designee and in accordance with the PPB Rules. Any amendment or change to this Agreement shall not be valid unless made in writing and signed by authorized representatives of both parties. The Contractor deviates from the requirements of this Agreement without a duly approved and executed change order document or written contract modification or amendment at its own risk.

Section 9.02 Changes Through Fault of Contractor

If any change is required in the data, documents, deliverables, or other services to be provided under this Agreement because of negligence or error of the Contractor, no additional compensation shall be paid to the Contractor for making such change, and the Contractor is obligated to make such change without additional compensation.

ARTICLE 10 - TERMINATION, DEFAULT, REDUCTIONS IN FUNDING, AND LIQUIDATED DAMAGES

Section 10.01 Termination by the City Without Cause

A. The City shall have the right to terminate this Agreement, in whole or in part, without cause, in accordance with the provisions of Section 10.05.

B. In its sole discretion, the City shall have the right to terminate this Agreement, in whole or in part, upon the request of the Contractor to withdraw from the Contract, in accordance with the provisions of Section 10.05.

35
Appendix A January 2018 Final

C. If the City terminates this Agreement pursuant to this Section 10.01, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date set by the City pursuant to Section 10.05. The City shall pay for services provided in accordance with this Agreement prior to the termination date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 10.02 Reductions in Federal, State, and/or City Funding

A. This Agreement is funded in whole or in part by funds secured from the federal, State and/or City governments. Should there be a reduction or discontinuance of such funds by action of the federal, State and/or City governments, the City shall have, in its sole discretion, the right to terminate this Agreement in whole or in part, or to reduce the funding and/or level of services of this Agreement caused by such action by the federal, State and/or City governments, including, in the case of the reduction option, but not limited to, the reduction or elimination of programs, services or service components; the reduction or elimination of contract-reimbursable staff or staff-hours, and corresponding reductions in the budget of this Agreement and in the total amount payable under this Agreement. Any reduction in funds pursuant to this Section 10.02(A) shall be accompanied by an appropriate reduction in the services performed under this Agreement.

B. In the case of the reduction option referred to in Section 10.02(A), above, any such reduction shall be effective as of the date set forth in a written notice thereof to the Contractor, which shall be not less than 30 Days from the date of such notice. Prior to sending such notice of reduction, the Department shall advise the Contractor that such option is being exercised and afford the Contractor an opportunity to make within seven Days any suggestion(s) it may have as to which program(s), service(s), service component(s), staff or staff-hours might be reduced or eliminated, provided, however, that the Department shall not be bound to utilize any of the Contractor’s suggestions and that the Department shall have sole discretion as to how to effectuate the reductions.

C. If the City reduces funding pursuant to this Section 10.02, the following provisions apply. The City shall pay for services provided in accordance with this Agreement prior to the reduction date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of reduction and falling due after the reduction date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

D. To the extent that the reduction in public funds is a result of the State determining that the Contractor may receive medical assistance funds pursuant to title eleven of article five of
the Social Services Law to fund the services contained within the scope of a program under this Agreement, then the notice and effective date provisions of this Section 10.02 shall not apply, and the Department may reduce such public funds authorized under this Agreement by informing the Contractor of the amount of the reduction and revising attachments to this Agreement as appropriate.

Section 10.03 Contractor Default

A. The City shall have the right to declare the Contractor in default:

1. Upon a breach by the Contractor of a material term or condition of this Agreement, including unsatisfactory performance of the services;

2. Upon insolvency or the commencement of any proceeding by or against the Contractor, either voluntarily or involuntarily, under the Bankruptcy Code or relating to the insolvency, receivership, liquidation, or composition of the Contractor for the benefit of creditors;

3. If the Contractor refuses or fails to proceed with the services under the Agreement when and as directed by the Commissioner;

4. If the Contractor or any of its officers, directors, partners, five percent or greater shareholders, principals, or other employee or person substantially involved in its activities are indicted or convicted after execution of the Agreement under any state or federal law of any of the following:

   a. a criminal offense incident to obtaining or attempting to obtain or performing a public or private contract;

   b. fraud, embezzlement, theft, bribery, forgery, falsification, or destruction of records, or receiving stolen property;

   c. a criminal violation of any state or federal antitrust law;

   d. violation of the Racketeer Influence and Corrupt Organization Act, 18 U.S.C. §§ 1961 et seq., or the Mail Fraud Act, 18 U.S.C. §§ 1341 et seq., for acts in connection with the submission of bids or proposals for a public or private contract;

   e. conspiracy to commit any act or omission that would constitute grounds for conviction or liability under any statute described in subparagraph (d) above; or

   f. an offense indicating a lack of business integrity that seriously and directly affects responsibility as a City vendor.
Appendix A January 2018 Final

5. If the Contractor or any of its officers, directors, partners, five percent or greater shareholders, principals, or other employee or person substantially involved in its activities are subject to a judgment of civil liability under any state or federal antitrust law for acts or omissions in connection with the submission of bids or proposals for a public or private contract; or

6. If the Contractor or any of its officers, directors, partners, five percent or greater shareholders, principals, or other employee or person substantially involved in its activities makes or causes to be made any false, deceptive, or fraudulent material statement, or fail to make a required material statement in any bid, proposal, or application for City or other government work.

B. The right to declare the Contractor in default shall be exercised by sending the Contractor a written notice of the conditions of default, signed by the Commissioner, setting forth the ground or grounds upon which such default is declared ("Notice to Cure"). The Contractor shall have ten Days from receipt of the Notice to Cure or any longer period that is set forth in the Notice to Cure to cure the default. The Commissioner may temporarily suspend services under the Agreement pending the outcome of the default proceedings pursuant to this Section 10.03.

C. If the conditions set forth in the Notice to Cure are not cured within the period set forth in the Notice to Cure, the Commissioner may declare the Contractor in default pursuant to this Section 10.03. Before the Commissioner may exercise his or her right to declare the Contractor in default, the Commissioner shall give the Contractor an opportunity to be heard upon not less than five business days' notice. The Commissioner may, in his or her discretion, provide for such opportunity to be in writing or in person. Such opportunity to be heard shall not occur prior to the end of the cure period but notice of such opportunity to be heard may be given prior to the end of the cure period and may be given contemporaneously with the Notice to Cure.

D. After the opportunity to be heard, the Commissioner may terminate the Agreement, in whole or in part, upon finding the Contractor in default pursuant to this Section 10.03, in accordance with the provisions of Section 10.05.

E. The Commissioner, after declaring the Contractor in default, may have the services under the Agreement completed by such means and in such manner, by contract with or without public letting, or otherwise, as he or she may deem advisable in accordance with applicable PPB Rules. After such completion, the Commissioner shall certify the expense incurred in such completion, which shall include the cost of re-letting. Should the expense of such completion, as certified by the Commissioner, exceed the total sum which would have been payable under the Agreement if it had been completed by the Contractor, any excess shall be promptly paid by the Contractor upon demand by the City. The excess expense of such completion, including any and all related and incidental costs, as so certified by the Commissioner, and any liquidated damages assessed against the Contractor, may be charged against and deducted out of monies earned by the Contractor.
Appendix A January 2018 Final

Section 10.04 Force Majeure

A. For purposes of this Agreement, a force majeure event is an act or event beyond the control and without any fault or negligence of the Contractor ("Force Majeure Event"). Such events may include, but are not limited to, fire, flood, earthquake, storm or other natural disaster, civil commotion, war, terrorism, riot, and labor disputes not brought about by any act or omission of the Contractor.

B. In the event the Contractor cannot comply with the terms of the Agreement (including any failure by the Contractor to make progress in the performance of the services) because of a Force Majeure Event, then the Contractor may ask the Commissioner to excuse the nonperformance and/or terminate the Agreement. If the Commissioner, in his or her reasonable discretion, determines that the Contractor cannot comply with the terms of the Agreement because of a Force Majeure Event, then the Commissioner shall excuse the nonperformance and may terminate the Agreement. Such a termination shall be deemed to be without cause.

F. If the City terminates the Agreement pursuant to this Section 10.04, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date. The City shall pay for services provided in accordance with this Agreement prior to the termination date. Any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 10.05 Procedures for Termination

A. The Department and/or the City shall give the Contractor written notice of any termination of this Agreement. Such notice shall specify the applicable provision(s) under which the Agreement is terminated and the effective date of the termination. Except as otherwise provided in this Agreement, the notice shall comply with the provisions of this Section 10.05 and Section 14.04. For termination without cause, the effective date of the termination shall not be less than ten Days from the date the notice is personally delivered, or 15 Days from the date the notice is either sent by certified mail, return receipt requested, delivered by overnight or same day courier service in a properly addressed envelope with confirmation, or sent by email and, unless the receipt of the email is acknowledged by the recipient by email, deposited in a post office box regularly maintained by the United States Postal Service in a properly addressed postage pre-paid envelope. In the case of termination for default, the effective date of the termination shall be as set forth above for a termination without cause or such earlier date as the Commissioner may determine. If the City terminates the Agreement in part, the Contractor shall continue the performance of the Agreement to the extent not terminated.

B. Upon termination or expiration of this Agreement, the Contractor shall comply with the City close-out procedures, including but not limited to:
Appendix A January 2018 Final

1. Accounting for and refunding to the Department, within 45 Days, any unexpended funds which have been advanced to the Contractor pursuant to this Agreement;

2. Furnishing within 45 Days an inventory to the Department of all equipment, appurtenances and property purchased through or provided under this Agreement and carrying out any Department or City directive concerning the disposition of such equipment, appurtenances and property;

3. Turning over to the Department or its designees all books, records, documents and material specifically relating to this Agreement that the Department has requested be turned over;

4. Submitting to the Department, within 90 Days, a final statement and report relating to the Agreement. The report shall be made by a certified public accountant or a licensed public accountant, unless the Department waives, in writing, the requirement that a certified public accountant or licensed public accountant make such report; and

5. Providing reasonable assistance to the Department in the transition, if any, to a new contractor.

Section 10.06 Miscellaneous Provisions

A. The Commissioner, in addition to any other powers set forth in this Agreement or by operation of Law, may suspend, in whole or in part, any part of the services to be provided under this Agreement whenever in his or her judgment such suspension is required in the best interest of the City. If the Commissioner suspends this Agreement pursuant to this Section 10.06, the City shall not incur or pay any further obligation pursuant to this Agreement beyond the suspension date until such suspension is lifted. The City shall pay for services provided in accordance with this Agreement prior to the suspension date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of suspension and falling due during the suspension period shall be paid by the City in accordance with the terms of this Agreement.

B. Notwithstanding any other provisions of this Agreement, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of the Contractor's breach of the Agreement, and the City may withhold payments to the Contractor for the purpose of set-off in the amount of damages due to the City from the Contractor.

C. The rights and remedies of the City provided in this Article 10 shall not be exclusive and are in addition to all other rights and remedies provided by Law or under this Agreement.
Appendix A January 2018 Final

Section 10.07 Liquidated Damages

If Schedule A or any other part of this Agreement includes liquidated damages for failure to comply with a provision of this Agreement, the sum indicated is fixed and agreed as the liquidated damages that the City will suffer by reason of such noncompliance and not as a penalty.

ARTICLE 11 - PROMPT PAYMENT AND ELECTRONIC FUNDS TRANSFER

Section 11.01 Prompt Payment

A. The prompt payment provisions of PPB Rule § 4-06 are applicable to payments made under this Agreement. With some exceptions, the provisions generally require the payment to the Contractor of interest on payments made after the required payment date, as set forth in the PPB Rules.

B. The Contractor shall submit a proper invoice to receive payment, except where the Agreement provides that the Contractor will be paid at predetermined intervals without having to submit an invoice for each scheduled payment.

C. Determination of interest due will be made in accordance with the PPB Rules and the applicable rate of interest shall be the rate in effect at the time of payment.

Section 11.02 Electronic Funds Transfer

A. In accordance with Admin. Code § 6-107.1, the Contractor agrees to accept payments under this Agreement from the City by electronic funds transfer. An electronic funds transfer is any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument or computer or magnetic tape so as to order, instruct, or authorize a financial institution to debit or credit an account. Prior to the first payment made under this Agreement, the Contractor shall designate one financial institution or other authorized payment agent and shall complete the "EFT Vendor Payment Enrollment Form" available from the Agency or at http://www.nyc.gov/dof in order to provide the commissioner of the Department of Finance with information necessary for the Contractor to receive electronic funds transfer payments through the designated financial institution or authorized payment agent. The crediting of the amount of a payment to the appropriate account on the books of a financial institution or other authorized payment agent designated by the Contractor shall constitute full satisfaction by the City for the amount of the payment under this Agreement. The account information supplied by the Contractor to facilitate the electronic funds transfer shall remain confidential to the fullest extent provided by Law.

B. The Agency Head may waive the application of the requirements of this Section 11.02 to payments on contracts entered into pursuant to Charter § 315. In addition, the
Appendix A January 2018 Final

commissioner of the Department of Finance and the Comptroller may jointly issue standards pursuant to which the Department may waive the requirements of this Section 11.02 for payments in the following circumstances: (i) for individuals or classes of individuals for whom compliance imposes a hardship; (ii) for classifications or types of checks; or (iii) in other circumstances as may be necessary in the best interest of the City.

C. This Section 11.02 is applicable to contracts valued at $25,000.00 and above.

ARTICLE 12 - CLAIMS

Section 12.01 Choice of Law

This Agreement shall be deemed to be executed in the City and State of New York, regardless of the domicile of the Contractor, and shall be governed by and construed in accordance with the Laws of the State of New York (notwithstanding New York choice of law or conflict of law principles) and the Laws of the United States, where applicable.

Section 12.02 Jurisdiction and Venue

Subject to Section 12.03, the parties agree that any and all claims asserted by or against the City arising under or related to this Agreement shall solely be heard and determined either in the courts of the United States located in the City or in the courts of the State located in the City and County of New York. The parties shall consent to the dismissal and/or transfer of any claims asserted in any other venue or forum to the proper venue or forum. If the Contractor initiates any action in breach of this Section 12.02, the Contractor shall be responsible for and shall promptly reimburse the City for any attorneys’ fees incurred by the City in removing the action to a proper court consistent with this Section 12.02.

Section 12.03 Resolution of Disputes

A. Except as provided in Subparagraphs (A)(1) and (A)(2) below, all disputes between the City and the Contractor that arise under, or by virtue of, this Agreement shall be finally resolved in accordance with the provisions of this Section 12.03 and PPB Rule § 4-09. This procedure shall be the exclusive means of resolving any such disputes.

1. This Section 12.03 shall not apply to disputes concerning matters dealt with in other sections of the PPB Rules or to disputes involving patents, copyrights, trademarks, or trade secrets (as interpreted by the courts of New York State) relating to proprietary rights in computer software, or to termination other than for cause.

2. For construction and construction-related services this Section 12.03 shall apply only to disputes about the scope of work delineated by the Agreement, the interpretation of Agreement documents, the amount to be paid for extra work or disputed work performed in connection with the Agreement, the conformity of the Contractor’s
work to the Agreement, and the acceptability and quality of the Contractor’s work; such disputes arise when the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head makes a determination with which the Contractor disagrees. For construction, this Section 12.03 shall not apply to termination of the Agreement for cause or other than for cause.

B. All determinations required by this Section 12.03 shall be clearly stated, with a reasoned explanation for the determination based on the information and evidence presented to the party making the determination. Failure to make such determination within the time required by this Section 12.03 shall be deemed a non-determination without prejudice that will allow application to the next level.

C. During such time as any dispute is being presented, heard, and considered pursuant to this Section 12.03, the Agreement terms shall remain in full force and effect and, unless otherwise directed by the ACCO or Engineer, the Contractor shall continue to perform work in accordance with the Agreement and as directed by the ACCO or City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. Failure of the Contractor to continue the work as directed shall constitute a waiver by the Contractor of any and all claims being presented pursuant to this Section 12.03 and a material breach of contract.

D. Presentation of Dispute to Agency Head.

1. Notice of Dispute and Agency Response. The Contractor shall present its dispute in writing (“Notice of Dispute”) to the Agency Head within the time specified herein, or, if no time is specified, within 30 Days of receiving written notice of the determination or action that is the subject of the dispute. This notice requirement shall not be read to replace any other notice requirements contained in the Agreement. The Notice of Dispute shall include all the facts, evidence, documents, or other basis upon which the Contractor relies in support of its position, as well as a detailed computation demonstrating how any amount of money claimed by the Contractor in the dispute was arrived at. Within 30 Days after receipt of the complete Notice of Dispute, the ACCO or, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, shall submit to the Agency Head all materials he or she deems pertinent to the dispute. Following initial submissions to the Agency Head, either party may demand of the other the production of any document or other material the demanding party believes may be relevant to the dispute. The requested party shall produce all relevant materials that are not otherwise protected by a legal privilege recognized by the courts of New York State. Any question of relevancy shall be determined by the Agency Head whose decision shall be final. Willful failure of the Contractor to produce any requested material whose relevancy the Contractor has not disputed, or whose relevancy has been affirmatively determined, shall constitute a waiver by the Contractor of its claim.
Appendix A January 2018 Final

2. Agency Head Inquiry. The Agency Head shall examine the material and may, in his or her discretion, convene an informal conference with the Contractor and the ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, to resolve the issue by mutual consent prior to reaching a determination. The Agency Head may seek such technical or other expertise as he or she shall deem appropriate, including the use of neutral mediators, and require any such additional material from either or both parties as he or she deems fit. The Agency Head’s ability to render, and the effect of, a decision hereunder shall not be impaired by any negotiations in connection with the dispute presented, whether or not the Agency Head participated therein. The Agency Head may or, at the request of any party to the dispute, shall compel the participation of any other contractor with a contract related to the work of this Agreement and that contractor shall be bound by the decision of the Agency Head. Any contractor thus brought into the dispute resolution proceeding shall have the same rights and obligations under this Section 12.03 as the Contractor initiating the dispute.

3. Agency Head Determination. Within 30 Days after the receipt of all materials and information, or such longer time as may be agreed to by the parties, the Agency Head shall make his or her determination and shall deliver or send a copy of such determination to the Contractor and ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, together with a statement concerning how the decision may be appealed.

4. Finality of Agency Head Decision. The Agency Head’s decision shall be final and binding on all parties, unless presented to the Contract Dispute Resolution Board (“CDRB”) pursuant to this Section 12.03. The City may not take a petition to the CDRB. However, should the Contractor take such a petition, the City may seek, and the CDRB may render, a determination less favorable to the Contractor and more favorable to the City than the decision of the Agency Head.

E. Presentation of Dispute to the Comptroller. Before any dispute may be brought by the Contractor to the CDRB, the Contractor must first present its claim to the Comptroller for his or her review, investigation, and possible adjustment.

1. Time, Form, and Content of Notice. Within 30 Days of receipt of a decision by the Agency Head, the Contractor shall submit to the Comptroller and to the Agency Head a Notice of Claim regarding its dispute with the Agency. The Notice of Claim shall consist of (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed and the reason(s) the Contractor contends the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; and (iii) a copy of all materials submitted by the Contractor to the Agency, including the Notice of Dispute. The Contractor may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.
Appendix A January 2018 Final

2. Agency Response. Within 30 Days of receipt of the Notice of Claim, the Agency shall make available to the Comptroller a copy of all material submitted by the Agency to the Agency Head in connection with the dispute. The Agency may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

3. Comptroller Investigation. The Comptroller may investigate the claim in dispute and, in the course of such investigation, may exercise all powers provided in Admin. Code §§ 7-201 and 7-203. In addition, the Comptroller may demand of either party, and such party shall provide, whatever additional material the Comptroller deems pertinent to the claim, including original business records of the Contractor. Willful failure of the Contractor to produce within 15 Days any material requested by the Comptroller shall constitute a waiver by the Contractor of its claim. The Comptroller may also schedule an informal conference to be attended by the Contractor, Agency representatives, and any other personnel desired by the Comptroller.

4. Opportunity of Comptroller to Compromise or Adjust Claim. The Comptroller shall have 45 Days from his or her receipt of all materials referred to in Paragraph (E)(3) above to investigate the disputed claim. The period for investigation and compromise may be further extended by agreement between the Contractor and the Comptroller, to a maximum of 90 Days from the Comptroller’s receipt of all the materials. The Contractor may not present its petition to the CDRB until the period for investigation and compromise delineated in this Paragraph has expired. In compromising or adjusting any claim hereunder, the Comptroller may not revise or disregard the terms of the Agreement.

F. Contract Dispute Resolution Board. There shall be a Contract Dispute Resolution Board composed of:

1. the chief administrative law judge of the Office of Administrative Trials and Hearings (“OATH”) or his or her designated OATH administrative law judge, who shall act as chairperson, and may adopt operational procedures and issue such orders consistent with this Section 12.03 as may be necessary in the execution of the CDRB’s functions, including, but not limited to, granting extensions of time to present or respond to submissions;

2. the City Chief Procurement Officer (“CCPO”) or his or her designee; any designee shall have the requisite background to consider and resolve the merits of the dispute and shall not have participated personally and substantially in the particular matter that is the subject of the dispute or report to anyone who so participated; and

3. a person with appropriate expertise who is not an employee of the City. This person shall be selected by the presiding administrative law judge from a prequalified panel of individuals, established, and administered by OATH, with appropriate background to act as decision-makers in a dispute. Such individuals may not
Appendix A January 2018 Final

have a contract or dispute with the City or be an officer or employee of any company or organization that does, or regularly represent persons, companies, or organizations having disputes with the City.

G. Petition to CDRB. In the event the claim has not been settled or adjusted by the Comptroller within the period provided in this Section 12.03, the Contractor, within thirty (30) Days thereafter, may petition the CDRB to review the Agency Head determination.

1. Form and Content of Petition by the Contractor. The Contractor shall present its dispute to the CDRB in the form of a petition, which shall include (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed, and the reason(s) the Contractor contends that the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; (iii) copies of all materials submitted by the Contractor to the Agency; (iv) a copy of the decision of the Comptroller, if any, and (v) copies of all correspondence with, and material submitted by the Contractor to, the Comptroller’s Office. The Contractor shall concurrently submit four complete sets of the petition: one to the Corporation Counsel (Attn: Commercial and Real Estate Litigation Division), and three to the CDRB at OATH’s offices, with proof of service on the Corporation Counsel. In addition, the Contractor shall submit a copy of the statement of the substance of the dispute, cited in (i) above, to both the Agency Head and the Comptroller.

2. Agency Response. Within 30 Days of receipt of the petition by the Corporation Counsel, the Agency shall respond to the statement of the Contractor and make available to the CDRB all material it submitted to the Agency Head and Comptroller. Three complete copies of the Agency response shall be submitted to the CDRB at OATH’s offices and one to the Contractor. Extensions of time for submittal of the Agency response shall be given as necessary upon a showing of good cause or, upon the consent of the parties, for an initial period of up to 30 Days.

3. Further Proceedings. The CDRB shall permit the Contractor to present its case by submission of memoranda, briefs, and oral argument. The CDRB shall also permit the Agency to present its case in response to the Contractor by submission of memoranda, briefs, and oral argument. If requested by the Corporation Counsel, the Comptroller shall provide reasonable assistance in the preparation of the Agency’s case. Neither the Contractor nor the Agency may support its case with any documentation or other material that was not considered by the Comptroller, unless requested by the CDRB. The CDRB, in its discretion, may seek such technical or other expert advice as it shall deem appropriate and may seek, on its own or upon application of a party, any such additional material from any party as it deems fit. The CDRB, in its discretion, may combine more than one dispute between the parties for concurrent resolution.

4. CDRB Determination. Within 45 Days of the conclusion of all submissions and oral arguments, the CDRB shall render a decision resolving the dispute. In an unusually complex case, the CDRB may render its decision in a longer period of
Appendix A January 2018 Final

time, not to exceed 90 Days, and shall so advise the parties at the commencement of this period. The CDRB’s decision must be consistent with the terms of this Agreement. Decisions of the CDRB shall only resolve matters before the CDRB and shall not have precedential effect with respect to matters not before the CDRB.

5. Notification of CDRB Decision. The CDRB shall send a copy of its decision to the Contractor, the ACCO, the Corporation Counsel, the Comptroller, the CCPO, and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. A decision in favor of the Contractor shall be subject to the prompt payment provisions of the PPB Rules. The required payment date shall be 30 Days after the date the parties are formally notified of the CDRB’s decision.

6. Finality of CDRB Decision. The CDRB’s decision shall be final and binding on all parties. Any party may seek review of the CDRB’s decision solely in the form of a challenge, filed within four months of the date of the CDRB’s decision, in a court of competent jurisdiction of the State of New York, County of New York pursuant to Article 78 of the Civil Practice Law and Rules. Such review by the court shall be limited to the question of whether or not the CDRB’s decision was made in violation of lawful procedure, was affected by an error of Law, or was arbitrary and capricious or an abuse of discretion. No evidence or information shall be introduced or relied upon in such proceeding that was not presented to the CDRB in accordance with PPB Rules § 4-09.

H. Any termination, cancellation, or alleged breach of the Agreement prior to or during the pendency of any proceedings pursuant to this Section 12.03 shall not affect or impair the ability of the Agency Head or CDRB to make a binding and final decision pursuant to this Section 12.03.

Section 12.04 Claims and Actions

A. Any claim, that is not subject to dispute resolution under the PPB Rules or this Agreement, against the City for damages for breach of contract shall not be made or asserted in any action, unless the Contractor shall have strictly complied with all requirements relating to the giving of notice and of information with respect to such claims, as provided in this Agreement.

B. No action shall be instituted or maintained on any such claims unless such action shall be commenced within six months after the final payment under this Agreement, or within six months of the termination or expiration of this Agreement, or within six months after the accrual of the cause of action, whichever first occurs.

Section 12.05 No Claim Against Officials, Agents, or Employees

No claim shall be made by the Contractor against any official, agent, or employee of the City in their personal capacity for, or on account of, anything done or omitted in connection with this Agreement.
Section 12.06 General Release

The acceptance by the Contractor or its assignees of the final payment under this Agreement, whether by check, wire transfer, or other means, and whether pursuant to invoice, voucher, judgment of any court of competent jurisdiction or any other administrative means, shall constitute and operate as a release of the City from any and all claims of and liability to the Contractor, of which the Contractor was aware or should reasonably have been aware, arising out of the performance of this Agreement based on actions of the City prior to such acceptance of final payment, excepting any disputes that are the subject of pending dispute resolution procedures.

Section 12.07 No Waiver

Waiver by either the Department or the Contractor of a breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless and until the same shall be agreed to in writing by the parties as set forth in Section 9.01.

CONTRACTOR’S TECHNICAL AND PRICING PROPOSAL
Elucd Technical and Pricing Proposal to the New York Police Department

Overview
Elucd builds technology to help police leaders improve community trust and safety and better understand community sentiment through surveying and data analytics. Over the past 20+ years, police departments have become increasingly data-driven in their efforts to reduce crime and have generally seen crime levels decrease as a result. Such efforts have depended in part on precisely measuring and tracking crime data and patterns in a city. Elucd enables police departments to measure community sentiment the same way they measure crime - by neighborhood, in real-time, and in an actionable format that supports effective solutions. This enables police to be data-driven in their efforts to build trust.

Using new technology - including delivering surveys via mobile and web-based advertisements - Elucd uses geo-fencing to target residents of your county, city, or specific neighborhood with questions of interest to police and city leaders. These survey methods are especially effective in reaching parts of the population that are hardest to reach - including young people, people of color, and low-income residents.

These techniques enable Elucd to offer two intertwined products. The first component is the Elucd Sentiment Indexes, which are a set of scores that quantify three dimensions of community sentiment (Trust, Perception of Safety and Satisfaction) at a fine granularity of geography and time. These indexes are designed to serve as performance management metrics rather than predictions of public opinion for particular geographies. Using proprietary methods that leverage new digital and mobile technologies, Elucd gathers resident opinion to build indexes in real-time intervals to accurately capture resident sentiment at the NYPD sector, precinct, patrol borough, and city level. The second component is the Elucd Platform, which is a web-based Platform used to visualize the Sentiment Indexes, enabling custom alerts, reports, and actionable insight around sentiment trends.

Implementation
Elucd will work closely with NYPD leadership to develop training modules that match the department’s goals for integration of the data into regular operations. An implementation timeline is detailed in the table below:

ELUCD

- Training is designed for users with no previous experience with the platform. A basic knowledge of the Microsoft Windows operating system is useful, but not necessary.
- Trainees will be introduced to all the main functions of the Elucd Platform, and by the end of the training users should have enough expertise to begin using Elucd Platform in a live environment.
  - Desk-side analytical support to assist Customer in operationalizing and applying Elucd products to core Customer processes.
  - Monthly reports on survey administration metrics including how many surveys were completed, broken down by precinct.

Elucd delivers its Sentiment Scores to police leaders in a simple format through the platform and via email reports, along with practical insights about which issues are most critical to residents, and analysis tools that show significant trends, focal points, or areas of interest. The Sentiment Scores are updated monthly, both on the platform and received via email. NYPD will also receive a weekly score report including a summary of concerns that week, current scores and broken down by sector, and a list of the top concerns. An example of this report is below in Figure 1.
Citywide Trust remains slightly above the YoY average, although a downturn that began in late April 2019 has caused the gap between current scores and YoY to become narrower. Brooklyn North and Manhattan North are notably lower than the rest of the patrol borough for Trust.

Citywide Safety continues to be stable and at similar levels to the YoY. Bronx is the lowest in Safety while Manhattan South is the highest. Queens South is continuing an uptrend in Safety after recovering from a dip that occurred in mid May 2019.

“Police-Community Relations” remains as a primary resident concern in Brooklyn North, Manhattan North and Manhattan South. “Streets and Traffic” has also become more prominent as a community concern in Brooklyn North and Staten Island.

Partnership
As one of Elucd's early law enforcement agency partners, NYPD is considered a leader and thought partner in helping Elucd pioneer new ways to integrate resident feedback into strategic and tactical management by city leaders. As part of this team, you are integral in helping to develop an evidence-based suite of approaches and tactics that build trust and safety. A large part of this is developing new ways of administering the surveys, develop new creative questions to help better measure the pulse of NYC, and innovating on the best way these results can be displayed and delivered to your city leaders. Any changes to the content or administration of the survey or the way in which survey results are provided to internal or external audiences will be subject to the approval of the NYPD. Additionally, ELUCD will not initiate any surveys that concern the NYPD without the approval of the NYPD. NYPD will be provided with a Customer Success lead that is available to assist NYPD in developing and implementing these initiatives.

Privacy
No personally identifiable information is collected when a respondent takes an Elucd survey. A respondent has the option to elect to provide an email address if they wish for Elucd to follow-up for additional research purposes. Under no circumstances does Elucd collect name, address, or other identifying information and therefore cannot match a survey response to an individual.

However, we do take measures to protect the privacy of our respondents and the scores their surveys generate. As such, we ensure that all survey responses are kept anonymous. Demographic information and the responses associated with that information are kept in separate databases, so they cannot be rematched. Elucd understands privacy extends beyond the survey responses to the scores these responses generate. As such, Elucd is very diligent about the security of its network and it takes numerous precautions to protect its platforms and data from outside influence. This includes and extends beyond industry standard platform and cloud security protocols.

Confidentiality
It is Elucd's policy that a partner agency (e.g. NYPD) must grant approval of any public discussion on the nature of Elucd's work with that agency with the media or the public. Similarly, it is Elucd's policy that a partner agency must grant approval of the release of data products created for the agency with the media, the public, or any other law enforcement agency.

For additional products, licenses and services, the parties may complete and execute additional Order Forms in substantially the form of this cover page; when executed by both parties, such Order Forms will be subject to the Terms and become part of this Agreement. In consideration of the mutual promises contained herein and the mutual benefits to be derived therefrom, the receipt and sufficiency of which are hereby acknowledged, the parties agree to the terms of the Agreement, effective as of the Order Date.
1. DEFINITIONS. Capitalized terms that are used but not defined in this Agreement or in the Order Form have the following meanings:

1.1 “Affiliate” means any entity that, before or after the Effective Date, controls, is controlled by, or under common control with, a party, where “control” means to own, or the ownership of, the power to direct or manage the affairs of the party or entity through voting power or by contract, but only for as long as such control or common control exists.

1.2 “Authorized User” means each individual, including any employee or contractor of Customer, its Affiliates and third parties with which Customer transacts business, who (a) has been authorized by Customer to access and use the Services and (b) has been assigned a unique username and password for accessing and using the Service.

1.3 “Customer Content” means any information, data or material that Customer or Authorized Users enter into, or upload to, the Platform or create or generate using the Services.

1.4 “Documentation” means the instruction manuals, specifications and other documents that Elucd makes available to Customer and Authorized Users and that detail the functionality, operation and use of the Services.

1.5 “Intellectual Property Rights” or “IP Rights” means (a) rights in works of authorship, including copyrights, moral rights, mask works and copyright applications and registrations, (b) trademark and trade name rights and similar rights, (c) trade secret rights and (d) patent and industrial property rights and rights in patent applications, renewals, extensions, combinations, divisions and reissues.

1.6 “Raw Survey Data” means individual survey responses or other associated information used by Elucd in creating the Elucd Sentiment Index Data.

2. LICENSE GRANTS; DELIVERY.

2.1 License Grants by Elucd. Subject to the terms and conditions of this Agreement, Elucd hereby grants Customer a nonexclusive, worldwide license:

- (a) during the Term, to (i) access and use the Elucd Platform by no more than the number of Authorized Users for which fees have been paid and (ii) to reproduce and prepare excerpts and translations of the Documentation and distribute the Documentation to Authorized Users; and
- (b) perpetually, to reproduce, display, disseminate, prepare derivative works of, publicly display, and publicly act on the Elucd Sentiment Index Data delivered to Customer during the Term.

Customer may only exercise the rights in subsections (a) and (b) for non-commercial purposes, except as set forth in Section 13.

2.2 Documentation. All copies of the Documentation authorized under this Agreement shall include the same copyright and proprietary notices that appear on the versions of the Documentation that Elucd makes available to Customer. Documentation includes any amendments or supplements made available by Elucd to Customer during the Term and is hereby incorporated into this Agreement.

2.3 License Limitations. Except as otherwise expressly set forth in this Agreement, Customer may not:

- (a) sublicense, sell, resell, transfer, assign, distribute or otherwise commercially exploit the Services or make them available to any third party, other than to Authorized Users;
- (b) modify or prepare derivative works of the Elucd Platform;
(c) create Internet "links" to the Services or "frame" or "mirror" the Services;
   (This refers to technical efforts to essentially create a duplicate or copy sites.)
(d) except as permitted by applicable law, reverse engineer, decompile, disassemble or
    otherwise attempt to access or derive the source code of, or trade secrets embodied in, the Services
    or Service Content;
(e) use the Services to transmit spam, unsolicited messages or malicious code in violation of
    applicable laws;
(f) upload malicious code to, or store malicious code in, the Services;
(g) knowingly use the Services to violate, or encourage the violation of, any applicable law or
    to violate the legal rights of third parties; or
(f) knowingly interfere with, disrupt, disable or overburden the Services.

If Elucd becomes aware of any improper use of the Services by Customer, Elucd shall promptly notify
Customer and Customer shall use reasonable efforts promptly remedy the improper use.

2.4 Authorized Users. Subject to the following sentence, Elucd shall assign each Authorized User a
unique set of log-in credentials (e.g. username and password) that an Authorized User may not knowingly
share with any other person without Elucd’s consent. When an Authorized User no longer requires access
to the Services, Elucd or Customer will de-activate that Authorized User’s access to the Services and
Customer may assign that former Authorized User’s access right to the Services to another Authorized User.
Customer shall be solely responsible for log-in credentials and for use of the Services under such credentials.

2.5 Additional Licenses. Customer may increase the number of Authorized Users by ordering new
licenses from Elucd and signing a new or supplemental Order Form. To the extent applicable under the
pricing terms in the Order Form, additional licenses for Authorized Users will be coterminous with the term
of the licenses under the initial Order Form and the fees for the additional licenses will be prorated
accordingly.

2.6 Suspension. (a) Elucd may suspend Customer’s access to the Services if Elucd needs to carry out
emergency maintenance or Customer’s use of the Services presents an immediate and genuine threat to
the security of the Services or the performance of the Services for other Elucd customers. (b) Elucd may
suspend an Authorized User’s access to the Services if the Authorized User is using the Services in violation
of Section 2.3 and Elucd has reason to believe that such violation threatens the Services or Elucd with
substantial risk or harm. (c) Elucd shall notify Customer by email or telephone in advance of any suspension
under this Section 2.6, unless advance notice is not feasible given the nature of the issue warranting
suspension. Elucd shall resume the Services as soon as possible once the threat necessitating suspension
has been sufficiently remedied for the Services to resume.

2.7 License Grant by Customer. Subject to the terms and conditions of this Agreement and during the
Term, Customer hereby grants Elucd the nonexclusive and limited right to capture, reproduce and store
Customer Content, if and as authorized, for the sole purpose of making the Services available to Authorized
Users.

3. CUSTOMER EQUIPMENT. Customer shall be responsible for obtaining and maintaining any
equipment and ancillary services needed to connect to, access or otherwise use the Services, including,
without limitation, modems, hardware, servers, software, operating systems, networking, web servers and
the related equipment or services (collectively, "Equipment"). Customer shall be responsible for
maintaining the security of the Equipment and for all uses of Customer account or the Equipment with or
without Customer's knowledge or consent.

Elucd shall use commercially reasonable efforts to respond to all requests for Support Services within one (1) business day. 5.  **FEES AND PAYMENT.**

5.1  **Fees.** Elucd's fees for the Services are set forth in the Order Form. The fees include fees for Support Services and Professional Services. All fees shall be stated and paid in United States dollars and are non-refundable.

5.2  **Invoices.** Elucd shall provide Customer with an Invoice for the Services based on the prices set forth on, and in accordance with the timeframes set forth in the applicable Order Form. Customer shall pay Elucd within 30 days of Customer's receipt of an invoice. If Customer reasonably disputes any invoiced amounts prior to payment, it will timely pay the undisputed portion of the invoice and notify Elucd in writing of the disputed amount and the reason it contests the disputed amount. The parties will then cooperate to promptly resolve the invoice dispute. If the parties agree that an invoiced amount is in error, Elucd will promptly submit a revised invoice showing amounts paid against the original invoice and the revised amount due. If the parties agree that the invoiced amount is not in error, Customer shall promptly pay the disputed portion of the Invoice. Unless otherwise stated in an Order Form, all payments will be made in U.S. Dollars.

6.  **CONFIDENTIALITY**

6.1  **Definition.** "Confidential Information" means any nonpublic Information that is disclosed by a party and/or its Affiliates (the "Disclosing Party") to the other party and/or its Affiliates ("Recipient") under this Agreement and that (a) is designated as confidential prior to, or at the time of, disclosure or (b) should reasonably be understood to be confidential given its nature or the circumstances of its disclosure. Without limiting the foregoing, and for purposes of clarity, the Raw Survey Data is Confidential Information of Elucd.

6.2  **Confidentiality Obligations.** Recipient agrees that it shall hold such Confidential Information in confidence and shall use same solely for the purpose set forth herein, and further agrees that it shall not make disclosure of any such Confidential Information to anyone except as permitted herein. The release of any information cannot be made without the express written permission of the Disclosing Party. Prior to providing the Confidential Information to any such person, the Recipient will notify each such person to whom such disclosure is made that such information is received in confidence and shall be kept in confidence by such person. Recipient shall ensure that all such persons comply with this Agreement.

6.3  **Exceptions.** The obligations in Section 6.2 do not, or no longer, apply to information that (a) is or becomes publicly known or available other than through a breach of confidentiality owed to the Disclosing Party; (b) was rightfully in the possession of Recipient prior to receipt from the Disclosing Party as shown by documentary evidence; (c) is acquired by Recipient on a non-confidential basis from a third party with the right to disclose the information; or (d) is independently developed by Recipient without use of the Disclosing Party's Confidential Information.
6.4 Authorized Disclosures. Each party, as a Disclosing Party, hereby authorizes Recipient to disclose the Disclosing Party's Confidential Information to Recipient's directors, officers, attorneys, employees and consultants (each, a "Representative") on the conditions that (a) each Representative has a genuine need to know the specific Confidential Information disclosed for the Services to be performed, (b) each Representative is bound by legal or contractual obligations of confidentiality that include use and nondisclosure restrictions at least as protective of the Disclosing Party's Confidential Information as those set forth in this Agreement and (c) the Representative only uses the disclosed Confidential Information as necessary to perform the Services and for no other purpose. Recipient shall be responsible and liable for any breach of this Agreement by its Representatives, its Affiliates and their Representatives, which breach shall be considered a breach by Recipient.

6.5 Compelled Disclosures. The provisions of Section 6.2 will not restrict Recipient from disclosing Confidential Information to the extent required by any law or compelled by a court or agency of competent jurisdiction on the conditions that (a) to the extent permissible by law, Recipient gives the Disclosing Party reasonable advance notice of the required disclosure in order to enable the Disclosing Party to prevent or limit disclosure; (b) Recipient only discloses that portion of the Confidential Information that, in the opinion of its legal counsel, is required to be disclosed; and (c) Recipient exercises all reasonable efforts to obtain assurance that confidential treatment will be accorded to the disclosed Confidential Information.

6.6 Injunctive Relief. Recipient acknowledges that the unauthorized disclosure of the Disclosing Party's Confidential Information would cause irreparable harm and significant injury to the Disclosing Party and/or create issues of public safety or concern, the degree of which may difficult to ascertain. Therefore, Recipient agrees the Disclosing Party will have the right to obtain an immediate injunction enjoining any breach, or threatened breach, of this Agreement, as well as the right to pursue any and all other rights at law or equity. Recipient will be subject to all applicable criminal and civil penalties under the law.

6.7 Limited Data Usage. During the Term, Elucid may collect, use and aggregate data about Customer's use of the Services solely for the purposes of providing the Services to Customer and improving the Services generally, on the condition that such use or aggregation is performed solely by Elucid and Customer's usage data is anonymized prior to such use or aggregation in such a manner that it cannot be re-identified or used to derive the identity of Customer or its Affiliates. Without limiting the generality of the foregoing, anonymized and aggregated data about Customer's use of the Services may not contain (a) Customer Confidential Information, (b) any data that identifies or can be used to identify an individual or (c) any data that identifies or can be used to identify Customer or its Affiliates, including, without limitation, based on their activities or behaviors, including membership in any group or industry.

7. OWNERSHIP RIGHTS.

7.1 Ownership by Elucid. As between the parties, Elucid retains all right, title and interest, including related Intellectual Property Rights, in and to the Services, Raw Survey Data, Documentation and Elucid Confidential Information. Except for the rights expressly granted by Elucid in this Agreement, Customer does not acquire any right, title or interest in or to the Services, Service Content, Documentation and Elucid Confidential Information by implication, estoppel or otherwise. All rights not expressly granted to Customer are reserved by Elucid and its licensors.

7.2 Ownership by Customer. As between the parties, Customer owns all right, title and interest, including related Intellectual Property Rights, in and to Customer Content and Customer Confidential Information. Except for the rights expressly granted by Customer in this Agreement, Elucid does not acquire any right, title or interest in or to Customer Content and Customer Confidential Information by implication, estoppel or otherwise. All rights not expressly granted to Elucid are reserved by Customer and its licensors.
8. TERM AND TERMINATION.

8.1 Term. This Agreement will commence on the Effective Date and will continue for the period stated on the first Order Form (the "Initial Term"), unless terminated earlier under this Section 8. Customer may renew the Agreement for successive one-year terms (each, a "Renewal Term") by entering into a new Order Form with Elucd. Elucd will notify Customer in writing of the end of the Initial Term and each Renewal Term at least 90 days in advance. If Customer notifies Elucd that it wishes to renew the Agreement, this Agreement will renew for Renewal Term set forth in the Agreement. Customer may execute supplemental Order Forms during the Term or any Renewal Term to add new services or increase the number of Authorized Users, and the supplemental Order Forms will be coterminous with the Order Form they supplement, unless the parties otherwise agree.

8.2 Termination. Either party may terminate this Agreement upon notice to the other party (a) if the other party breaches a material provision of this Agreement and fails to remedy the breach within 30 days after receipt of a notice specifying the breach; or (b) if the other party breaches a material provision of this Agreement and, given the nature of the breach, the breach cannot be remedied within 30 days.

8.3 Insolvency. Each party may terminate this Agreement immediately upon delivery of a written notice to the other party if the other party (a) makes a general assignment for the benefit of its creditors; (b) commences, or has commenced against it, proceedings under any bankruptcy, insolvency or debtor's relief law, which proceedings are not dismissed within 60 days; or (c) is liquidated or dissolved.

8.4 No Election of Remedies. A party's election to terminate the Agreement or any Order Form shall not be deemed an election of remedies. All remedies available to a party at law or in equity shall survive the termination of this Agreement or any SOW.

8.5 Effect of Termination.

(a) Customer Termination. If this Agreement or any Order Form is terminated by Customer under Section 8.2 (Termination) or by Elucd under Section 10.3 (Mitigation), Elucd shall, within 30 days of the termination, refund to Customer an amount calculated by (I) multiplying the Subscription Fees for the then-current Initial Subscription Term, Renewal Subscription Term or billing period (if an Initial Subscription Term or Renewal Subscription Term is multi-year and Subscription Fees are billed on an annual or other basis) (II) times the number of days remaining in the applicable Initial Subscription Term, Renewal Subscription Term or billing period as of the Order Form or Agreement termination date (III) divided by the number of days in the applicable Initial Subscription Term, Renewal Subscription Term or billing period, assuming 365 days in a calendar year.

(b) Termination by Elucd. If, to the extent permitted under this Agreement and all related Appendices, Elucd terminates this Agreement and/or an Order Form or SOW under Section 8.2 (Termination for Cause), Elucd shall invoice Customer for amounts due up to the date at which the agreement was terminated.

(c) Expiration or Termination. Upon the expiration or termination of this Agreement for any reason and subject to Section 8.6, all rights and licenses granted to either party under this Agreement will immediately terminate. Subject to Section 8.6, within 30 days of the expiration or termination of the Agreement, each party and its Affiliates shall securely destroy all Confidential Information disclosed to them by the other party and its Affiliates under this Agreement, except for Confidential Information of the other party that is stored in electronic systems, that cannot be
readily identified or destroyed and that will be securely destroyed over time in accordance with a party’s records retention policy.

8.6 Data Porting and Deletion. Elucid will retain Customer Content stored in the Services for at least 45 days after the expiration or termination of this Agreement. During this period, upon Customer’s request, Elucid will make available to Customer a data file, in a mutually agreed format, of Customer Content stored in the Services. Within 60 days after the expiration or termination of this Agreement, Elucid shall permanently delete Customer Content from the Services.

8.7 Survival. Upon the expiration or termination of this Agreement, Section 1 (Definitions), Section 6 (Confidentiality), Section 7 (Ownership Rights), Section 8.5 (Effect of Termination), Section 8.7 (Survival), Section 10 (Indemnification), Section 11 (Limitation of Liability) and Section 14 (General Provisions) shall survive the termination of this Agreement indefinitely. Section 8.6 (Data Porting and Deletion) shall survive the termination of this Agreement by its terms.

9. REPRESENTATIONS, WARRANTIES AND COVENANTS.

9.1 General. Each party represents and warrants that (a) it has the right to enter into this Agreement and (b) the Individual signing this Agreement on its behalf is authorized to sign this Agreement and legally bind the party. Customer further warrants and covenants that it will use the Services only in accordance with all applicable laws and regulations.

9.2 Service Warranties. Elucid warrants and covenants that, during the Term, Elucid shall not materially decrease the functionality of the Services. Upon any breach of the foregoing warranty, Elucid shall modify the Services so that its functionality equals or exceeds its functionality as of the Effective Date. If Elucid is unable to remedy its breach of the foregoing warranty within 30 days, then Customer may, as its sole remedy and Elucid’s sole and exclusive liability for such breach, terminate this Agreement and obtain a refund of any unused fees.

9.3 Support Services. Elucid warrants and covenants that it shall perform the Support Services with professional skill, diligence and care. For any breach of this warranty, Elucid shall, as Customer’s sole and exclusive remedy and Elucid’s sole liability for such breach, re-perform the Support Services. Any additional expenses incurred to do the re-performance of the Support Services shall be borne by Elucid.

9.4 Professional Services Warranty. Elucid warrants and covenants that it shall provide the Professional Services under an SOW with professional skill, diligence and care. For any breach of the above warranty, Elucid shall re-perform the Professional Services. Any additional expenses incurred to do the re-performance of the Support Services shall be borne by Elucid. If the Professional Services do not meet the standards of the warranty after two attempts, Customer may, as its sole and exclusive remedy and Elucid’s sole liability for such failure, terminate the applicable SOW, in whole or part, and receive a refund of any unused fees.

9.5 Intellectual Property Rights Warranty. Elucid represents and warrants that the Services do not infringe or misappropriate the IP Rights of a third party. As Customer’s sole and exclusive remedy for any breach of the warranty in this Section 9.5, Elucid shall defend and indemnify Customer in accordance with Section 10.

9.6 Disclaimer. EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 10, THE SERVICES, RAW SURVEY DATA, DOCUMENTATION, AND ELUCID CONFIDENTIAL INFORMATION ARE PROVIDED “AS IS” AND ELUCID HEREBY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. ELUCID SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR
PURPOSE, TITLE, AND NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. ELUCD MAKES NO WARRANTY OF ANY KIND THAT THE SERVICES, RAW SURVEY DATA, DOCUMENTATION, OR ELUCD CONFIDENTIAL INFORMATION, OR ANY PRODUCTS OR RESULTS OF THE USE THEREOF, WILL MEET CUSTOMER’S OR ANY OTHER PERSON’S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM OR OTHER SERVICES, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR FREE.

10. FORCE MAJEURE.

10.1 Excused Performance. Any delay or failure of a party to perform its obligations or exercise its rights under this Agreement shall not constitute a breach of this Agreement, if and to the extent the delay or failure is caused by an event, including a natural disaster, act of terrorism, riot, insurrection, war, extraordinary governmental action or a material labor strike (excluding a strike by the party’s own workforce), that (a) is beyond the reasonable control of the party, (b) not avoidable by advance planning and reasonable diligence and (c) not caused by the party (each such event, a “Force Majeure Event”). A party whose performance is affected by a Force Majeure Event (the “Affected Party”) shall promptly notify the other party of the Force Majeure Event, its effect on the party’s performance and its expected duration.

10.2 Event Mitigation. The Affected Party shall use reasonable efforts to overcome the effects of the Force Majeure Event, mitigate the other party’s damages and continue to perform its obligations under this Agreement to the extent possible. If any failure or delay caused by a Force Majeure Event continues for 15 days or longer, the other party may terminate this Agreement, without cost or liability, upon notice to the Affected Party and receive a refund of any pre-paid fees for any performance not yet delivered.

11. GENERAL PROVISIONS.

11.1 Non-Exclusive Relationship. This Agreement does not create an exclusive relationship. Elucd acknowledges that Customer may use, and reserves the right to continue to use, other vendors to provide products or services that are similar to the products or services offered by Elucd. To the extent reasonably requested by Customer, Elucd shall cooperate with other vendors of Customer as required for them to perform their obligations to Customer.

11.2 Independent Contractors. No provision of this Agreement may be construed to create a partnership, joint venture, agency or employment relationship between the parties. Neither party has the power or right to bind the other party or to incur obligations on the other party’s behalf without such other party’s prior written consent.

11.3 No Publicity. Neither party shall publicize this Agreement or use the other party’s name, logo or trademarks in any public statements or promotional materials without the advance consent of the other party.

11.4 Assignment. Neither party may assign this Agreement without the other party’s written consent, except that Customer may assign this Agreement to an Affiliate upon notice to Elucd. Any attempted assignment or delegation in violation of this Section will be void.

11.5 Delegation. Elucd may not subcontract any of its obligations under this Agreement without the prior written consent of Customer. If Customer permits Elucd to subcontract, Elucd shall remain the primary obligor under this Agreement and shall be responsible and liable for the performance of its subcontractors and their compliance with Elucd’s obligations under this Agreement.
11.6 **Governing Law; Jurisdiction.** This Agreement and any disputes arising out of the subject matter of the Agreement, including any non-contractual claim, will be governed by the laws of the State of New York, without regard to their conflict of law provisions. Any action, including any non-contractual claim, arising out of or related to this Agreement shall be subject to the exclusive jurisdiction of the State and federal courts located in New York County, New York. Each party hereby consents to the exclusive jurisdiction of such courts.

11.7 **Headings.** The titles or headings of the sections in this Agreement have been inserted for the convenience of the parties and will not be relied upon to construe or modify any terms or conditions of this Agreement.

11.8 **Waiver.** The failure of either party to enforce obligations or exercise rights under this Agreement will not be construed as a waiver of the party's right to enforce that obligation or exercise that right in the future. No waiver under this Agreement is effective unless the waiver is in writing and signed by an authorized representative of the party granting the waiver.

11.9 **Severability.** If a court determines that any provision of this Agreement or the application of the provision to a condition or person is invalid or unenforceable, then the remainder of this Agreement and the application of the provision to other conditions or persons, will remain valid and enforceable to the fullest extent permitted by law.

11.10 **Notice of Delay.** If any event or occurrence delays or threatens to delay a party's timely performance under this Agreement, then that party will promptly notify the other party of the delay and reason for the delay.

11.11 **Notices.** Any required notice under this Agreement shall be in writing and sent to the party's business address set forth on the Order Form. The notice shall be deemed given upon receipt if sent by personal delivery or email or if sent by certified or registered U.S. Mail with return receipt requested or by a major overnight commercial delivery service.

11.12 **Amendment.** No amendment or supplement to this Agreement will be effective unless it is in writing and signed by both parties and it cites the provision of the Agreement that is amended or supplemented.

11.13 **Entire Agreement.** This Agreement, its Exhibits, SOWs, Order Forms and any other documents incorporated into this Agreement by reference constitute the entire agreement between the parties with respect to the subject matter of the Agreement and supersede all prior or contemporaneous understandings or agreements, both oral and written, between the parties about the subject matter of this Agreement, including without limitation, any pre-existing confidentiality or nondisclosure agreement(s) between them. If there is a conflict between any term or condition in the body of this Agreement (e.g., Sections 1 through 14) and any term or condition in an Order Form, the term or condition in the body of the Agreement prevails and governs.

11.14 **Counterparts.** This Agreement may be signed in counterparts, each of which will be deemed an original and together shall constitute one and the same agreement. Each counterpart may be delivered electronically or by email in .pdf format. This Agreement may also be signed electronically. By signing electronically, each party hereby acknowledges that the electronic signatures appearing on this Agreement shall validly bind each party and shall be treated, for purposes of validity, enforceability and admissibility, the same as handwritten signatures.

11.15 **Effectiveness.** This Agreement is effective as of the Effective Date.

NOTICE TO ALL PROSPECTIVE CONTRACTORS

PARTICIPATION BY MINORITY-OWNED AND WOMEN-OWNED BUSINESS ENTERPRISES IN CITY PROCUREMENT

ARTICLE I. M/WBE PROGRAM

Local Law No. 129 of 2005 added and Local Law 1 of 2013 amended Section 6-129 of the Administrative Code of the City of New York (hereinafter “Section 6-129”). Section 6-129 establishes the program for participation in City procurement (“M/WBE Program”) by minority-owned business enterprises (“MBEs”) and women-owned business enterprises (“WBEs”), certified in accordance with Section 1304 of the New York City Charter. As stated in Section 6-129, the intent of the program is to address the impact of discrimination on the City’s procurement process, and to promote the public interest in avoiding fraud and favoritism in the procurement process, increasing competition for City business, and lowering contract costs. The contract provisions contained herein are pursuant to Section 6-129, and the rules of the Department of Small Business Services (“DSBS”) promulgated thereunder.

If this Contract is subject to the M/WBE Program established by Section 6-129, the specific requirements of MBE and/or WBE participation for this Contract are set forth in Schedule B of the Contract (entitled the “M/WBE Utilization Plan”), and are detailed below.

The Contractor must comply with all applicable MBE and WBE requirements for this Contract.

All provisions of Section 6-129 are hereby incorporated in the Contract by reference and all terms used herein that are not defined herein shall have the meanings given such terms in Section 6-129.

Article I, Part A, below, sets forth provisions related to the participation goals for construction, standard and professional services contracts.

Article I, Part B, below, sets forth miscellaneous provisions related to the M/WBE Program.

PART A

PARTICIPATION GOALS FOR CONSTRUCTION, STANDARD AND PROFESSIONAL SERVICES CONTRACTS OR TASK ORDERS

1. The MBE and/or WBE Participation Goals established for this Contract or Task Orders issued pursuant to this Contract, (“Participation Goals”), as applicable, are set forth on Schedule B, Part I to this Contract (see Page 1, line 1 Total Participation Goals) or will be set forth on Schedule B, Part I to Task Orders issued pursuant to this Contract, as applicable.
06/2013

The Participation Goals represent a percentage of the total dollar value of the Contract or Task Order, as applicable, that may be achieved by awarding subcontracts to firms certified with New York City Department of Small Business Services as MBEs and/or WBEs, and/or by crediting the participation of prime contractors and/or qualified joint ventures as provided in Section 3 below, unless the goals have been waived or modified by Agency in accordance with Section 6-129 and Part A, Sections 10 and 11 below, respectively.

2. If Participation Goals have been established for this Contract or Task Orders issued pursuant to this Contract, Contractor agrees or shall agree as a material term of the Contract that Contractor shall be subject to the Participation Goals, unless the goals are waived or modified by Agency in accordance with Section 6-129 and Part A, Sections 10 and 11 below, respectively.

3. If Participation Goals have been established for this Contract or Task Order issued pursuant to this Contract, a Contractor that is an MBE and/or WBE shall be permitted to count its own participation toward fulfillment of the relevant Participation Goal, provided that in accordance with Section 6-129 the value of Contractor’s participation shall be determined by subtracting from the total value of the Contract or Task Order, as applicable, any amounts that the Contractor pays to direct subcontractors (as defined in Section 6-129(c)(13)), and provided further that a Contractor that is certified as both an MBE and a WBE may count its own participation either toward the goal for MBEs or the goal for WBEs, but not both.

A Contractor that is a qualified joint venture (as defined in Section 6-129(c)(30)) shall be permitted to count a percentage of its own participation toward fulfillment of the relevant Participation Goal. In accordance with Section 6-129, the value of Contractor’s participation shall be determined by subtracting from the total value of the Contract or Task Order, as applicable, any amounts that Contractor pays to direct subcontractors, and then multiplying the remainder by the percentage to be applied to total profit to determine the amount to which an MBE or WBE is entitled pursuant to the joint venture agreement, provided that where a participant in a joint venture is certified as both an MBE and a WBE, such amount shall be counted either toward the goal for MBEs or the goal for WBEs, but not both.

4. A. If Participation Goals have been established for this Contract, a prospective contractor shall be required to submit with its bid or proposal, as applicable, a completed Schedule B, M/WBE Utilization Plan, Part II (see Pages 2-4) indicating: (a) whether the contractor is an MBE or WBE, or qualified joint venture; (b) the percentage of work it intends to award to direct subcontractors; and (c) in cases where the contractor intends to award direct subcontracts, a description of the type and dollar value of work designated for participation by MBEs and/or WBEs, and the time frames in which such work is scheduled to begin and end. In the event that this M/WBE Utilization Plan indicates that the bidder or proposer, as applicable, does not intend to meet the Participation Goals, the bid or proposal, as applicable, shall be deemed non-responsive, unless Agency has granted the bidder or proposer, as applicable, a pre-award waiver of the Participation Goals in accordance with Section 6-129 and Part A, Section 10 below.

B. (i) If this Contract is for a master services agreement or other requirements type contract that will result in the issuance of Task Orders that will be individually registered ("Master Services Agreement") and is subject to M/WBE Participation Goals, a prospective
contractor shall be required to submit with its bid or proposal, as applicable, a completed Schedule B, M/WBE Participation Requirements for Master Services Agreements That Will Require Individually Registered Task Orders, Part II (page 2) indicating the prospective contractor's certification and required affirmations to make all reasonable good faith efforts to meet participation goals established on each individual Task Order issued pursuant to this Contract, or if a partial waiver is obtained or such goals are modified by the Agency, to meet the modified Participation Goals by soliciting and obtaining the participation of certified MBE and/or WBE firms. In the event that the Schedule B indicates that the bidder or proposer, as applicable, does not intend to meet the Participation Goals that may be established on Task Orders issued pursuant to this Contract, the bid or proposal, as applicable, shall be deemed non-responsive.

(ii) **Participation Goals** on a Master Services Agreement will be established for individual Task Orders issued after the Master Services Agreement is awarded. If Participation Goals have been established on a Task Order, a contractor shall be required to submit a Schedule B - M/WBE Utilization Plan For Independently Registered Task Orders That Are Issued Pursuant to Master Services Agreements, Part II (see Pages 2-4) indicating: (a) whether the contractor is an MBE or WBE, or qualified joint venture; (b) the percentage of work it intends to award to direct subcontractors; and (c) in cases where the contractor intends to award direct subcontracts, a description of the type and dollar value of work designated for participation by MBEs and/or WBEs, and the time frames in which such work is scheduled to begin and end. The contractor must engage in good faith efforts to meet the Participation Goals as established for the Task Order unless Agency has granted the contractor a pre-award waiver of the Participation Goals in accordance with Section 6-129 and Part A, Section 10 below.

5. Where an M/WBE Utilization Plan has been submitted, the Contractor shall, within 30 days of issuance by Agency of a notice to proceed, submit a list of proposed persons or entities to which it intends to award subcontracts within the subsequent 12 months. In the case of multi-year contracts, such list shall also be submitted every year thereafter. The Agency may also require the Contractor to report periodically about the contracts awarded by its direct
subcontractors to indirect subcontractors (as defined in Section 6-129(c)(22)). PLEASE NOTE: If this Contract is a public works project subject to GML §101(5) (i.e., a contract valued at or below $3M for projects in New York City) or if the Contract is subject to a project labor agreement in accordance with Labor Law §222, and the bidder is required to identify at the time of bid submission its intended subcontractors for the Wicks trades (plumbing and gas fitting; steam heating, hot water heating, ventilating and air conditioning (HVAC); and electric wiring), the Contractor must identify all those to which it intends to award construction subcontracts for any portion of the Wicks trade work at the time of bid submission, regardless of what point in the life of the contract such subcontracts will occur. In identifying intended subcontractors in the bid submission, bidders may satisfy any Participation Goals established for this Contract by proposing one or more subcontractors that are MBEs and/or WBEs for any portion of the Wicks trade work. In the event that the Contractor's selection of a subcontractor is disapproved, the Contractor shall have a reasonable time to propose alternate subcontractors.

6. MBE and WBE firms must be certified by DSBS in order for the Contractor to credit such firms' participation toward the attainment of the Participation Goals. Such certification must occur prior to the firms' commencement of work. A list of MBE and WBE firms may be obtained from the DSBS website at www.nyc.gov/buycertified, by emailing DSBS at buyer@nysdec.gov, by calling (212) 513-6356, or by visiting or writing DSBS at 110 William St., New York, New York, 10006, 7th floor. Eligible firms that have not yet been certified may contact DSBS in order to seek certification by visiting www.nyc.gov/getcertified, emailing MWBE@nysdec.gov, or calling the DSBS certification hotline at (212) 513-6311. A firm that is certified as both an MBE and a WBE may be counted either toward the goal for MBEs or the goal for WBEs, but not both. No credit shall be given for participation by a graduate MBE or graduate WBE, as defined in Section 6-129(c)(20).

7. Where an M/WBE Utilization Plan has been submitted, the Contractor shall, with each voucher for payment, and/or periodically as Agency may require, submit statements, certified under penalty of perjury, which shall include, but not be limited to; the total amount the Contractor paid to its direct subcontractors, and, where applicable pursuant to Section 6-129(j), the total amount direct subcontractors paid to indirect subcontractors; the names, addresses and contact numbers of each MBE or WBE hired as a subcontractor by the Contractor, and, where applicable, hired by any of the Contractor's direct subcontractors; and the dates and amounts paid to each MBE or WBE. The Contractor shall also submit, along with its voucher for final payment: the total amount it paid to subcontractors, and, where applicable pursuant to Section 6-129(j), the total amount its direct subcontractors paid directly to their indirect subcontractors; and a final list, certified under penalty of perjury, which shall include the name, address and contact information of each subcontractor that is an MBE or WBE, the work performed by, and the dates and amounts paid to each.

8. If payments made to, or work performed by, MBEs or WBEs are less than the amount specified in the Contractor's M/WBE Utilization Plan, Agency shall take appropriate action, in accordance with Section 6-129 and Article II below, unless the Contractor has obtained a modification of its M/WBE Utilization Plan in accordance with Section 6-129 and Part A, Section 11 below.
9. Where an M/WBE Utilization Plan has been submitted, and the Contractor requests a change order the value of which exceeds the greater of 10 percent of the Contract or Task Order, as applicable, or $500,000, Agency shall review the scope of work for the Contract or Task Order, as applicable, and the scale and types of work involved in the change order, and determine whether the Participation Goals should be modified.

10. Pre-award waiver of the Participation Goals. (a) A bidder or proposer, or contractor with respect to a Task Order, may seek a pre-award full or partial waiver of the Participation Goals in accordance with Section 6-129, which requests that Agency change one or more Participation Goals on the grounds that the Participation Goals are unreasonable in light of the availability of certified firms to perform the services required, or by demonstrating that it has legitimate business reasons for proposing a lower level of subcontracting in its M/WBE Utilization Plan.

(b) To apply for a full or partial waiver of the Participation Goals, a bidder, proposer, or contractor, as applicable, must complete Part III (Page 5) of Schedule B and submit such request no later than seven (7) calendar days prior to the date and time the bids, proposals, or Task Orders are due, in writing to the Agency by email at __________________ or via facsimile at ( ). Bidder, proposer, or contractor, as applicable, who have submitted requests will receive an Agency response by no later than two (2) calendar days prior to the due date for bids, proposals, or Task Orders; provided, however, that if that date would fall on a weekend or holiday, an Agency response will be provided by close-of-business on the business day before such weekend or holiday date.

(c) If the Agency determines that the Participation Goals are unreasonable in light of the availability of certified firms to perform the services required, it shall revise the solicitation and extend the deadline for bids and proposals, or revise the Task Order, as applicable.

(d) Agency may grant a full or partial waiver of the Participation Goals to a bidder, proposer or contractor, as applicable, who demonstrates—before submission of the bid, proposal or Task Order, as applicable—that it has legitimate business reasons for proposing the level of subcontracting in its M/WBE Utilization Plan. In making its determination, Agency shall consider factors that shall include, but not be limited to, whether the bidder, proposer or contractor, as applicable, has the capacity and the bona fide intention to perform the Contract without any subcontracting, or to perform the Contract without awarding the amount of subcontracted represented by the Participation Goals. In making such determination, Agency may consider whether the M/WBE Utilization Plan is consistent with past subcontracting practices of the bidder, proposer or contractor, as applicable, whether the bidder, proposer or contractor, as applicable, has made efforts to form a joint venture with a certified firm, and whether the bidder, proposer, or contractor, as applicable, has made good faith efforts to identify other portions of the Contract that it intends to subcontract.

11. Modification of M/WBE Utilization Plan. (a) A Contractor may request a modification of its M/WBE Utilization Plan after award of this Contract. PLEASE NOTE: If this Contract is a public works project subject to GML §101(5) (i.e., a contract valued at or below $3M for projects in New York City) or if the Contract is subject to a project labor agreement in accordance with Labor Law §222, and the bidder is required to identify at the time of bid
06/2013

submission its intended subcontractors for the Wicks trades (plumbing and gas fitting; steam heating, hot water heating, ventilating and air conditioning (HVAC); and electric wiring), the Contractor may request a Modification of its M/WBE Utilization Plan as part of its bid submission. The Agency may grant a request for Modification of a Contractor’s M/WBE Utilization Plan if it determines that the Contractor has established, with appropriate documentary and other evidence, that it made reasonable, good faith efforts to meet the Participation Goals. In making such determination, Agency shall consider evidence of the following efforts, as applicable, along with any other relevant factors:

(i) The Contractor advertised opportunities to participate in the Contract, where appropriate, in general circulation media, trade and professional association publications and small business media, and publications of minority and women’s business organizations;

(ii) The Contractor provided notice of specific opportunities to participate in the Contract, in a timely manner, to minority and women’s business organizations;

(iii) The Contractor sent written notices, by certified mail or facsimile, in a timely manner, to advise MBEs or WBEs that their interest in the Contract was solicited;

(iv) The Contractor made efforts to identify portions of the work that could be substituted for portions originally designated for participation by MBEs and/or WBEs in the M/WBE Utilization Plan, and for which the Contractor claims an inability to retain MBEs or WBEs;

(v) The Contractor held meetings with MBEs and/or WBEs prior to the date their bids or proposals were due, for the purpose of explaining in detail the scope and requirements of the work for which their bids or proposals were solicited;

(vi) The Contractor made efforts to negotiate with MBEs and/or WBEs as relevant to perform specific subcontracts, or act as suppliers or service providers;

(vii) Timely written requests for assistance made by the Contractor to Agency’s M/WBE liaison officer and to DSBS;

(viii) Description of how recommendations made by DSBS and Agency were acted upon and an explanation of why action upon such recommendations did not lead to the desired level of participation of MBEs and/or WBEs.

Agency’s M/WBE officer shall provide written notice to the Contractor of the determination.

(b) The Agency may modify the Participation Goals when the scope of the work has been changed by the Agency in a manner that affects the scale and types of work that the Contractor indicated in its M/WBE Utilization Plan would be awarded to subcontractors.
06/2013

12. If this Contract is for an indefinite quantity of construction, standard or professional services or is a requirements type contract and the Contractor has submitted an M/WBE Utilization Plan and has committed to subcontract work to MBEs and/or WBEs in order to meet the Participation Goals, the Contractor will not be deemed in violation of the M/WBE Program requirements for this Contract with regard to any work which was intended to be subcontracted to an MBE and/or WBE to the extent that the Agency has determined that such work is not needed.

13. If Participation Goals have been established for this Contract or a Task Order issued pursuant to this Contract, at least once annually during the term of the Contract or Task Order, as applicable, Agency shall review the Contractor's progress toward attainment of its M/WBE Utilization Plan, including but not limited to, by reviewing the percentage of work the Contractor has actually awarded to MBE and/or WBE subcontractors and the payments the Contractor made to such subcontractors.

14. If Participation Goals have been established for this Contract or a Task Order issued pursuant to this Contract, Agency shall evaluate and assess the Contractor's performance in meeting those goals, and such evaluation and assessment shall become part of the Contractor's overall contract performance evaluation.

PART B

MISCELLANEOUS

1. The Contractor shall take notice that, if this solicitation requires the establishment of a M/WBE Utilization Plan, the resulting contract may be audited by DSBS to determine compliance with Section 6-129. See §6-129(e)(10). Furthermore, such resulting contract may also be examined by the City's Comptroller to assess compliance with the M/WBE Utilization Plan.

2. Pursuant to DSBS rules, construction contracts that include a requirement for a M/WBE Utilization Plan shall not be subject to the law governing Locally Based Enterprises set forth in Section 6-108.1 of the Administrative Code of the City of New York.

3. DSBS is available to assist contractors and potential contractors in determining the availability of MBEs and/or WBEs to participate as subcontractors, and in identifying opportunities that are appropriate for participation by MBEs and/or WBEs in contracts.

4. Prospective contractors are encouraged to enter into qualified joint venture agreements with MBEs and/or WBEs as defined by Section 6-129(c)(30).

5. By submitting a bid or proposal the Contractor hereby acknowledges its understanding of the M/WBE Program requirements set forth herein and the pertinent provisions of Section 6-129, and any rules promulgated thereunder, and if awarded this Contract, the Contractor hereby agrees to comply with the M/WBE Program requirements of this Contract and pertinent provisions of Section 6-129, and any rules promulgated thereunder, all of which shall be deemed to be material terms of this Contract. The Contractor hereby agrees to make all reasonable, good
06/2013

faith efforts to solicit and obtain the participation of MBEs and/or WBEs to meet the required Participation Goals.

ARTICLE II. ENFORCEMENT

1. If Agency determines that a bidder or proposer, as applicable, has, in relation to this procurement, violated Section 6-129 or the DSBS rules promulgated pursuant to Section 6-129, Agency may disqualify such bidder or proposer, as applicable, from competing for this Contract and the Agency may revoke such bidder’s or proposer’s prequalification status, if applicable.

2. Whenever Agency believes that the Contractor or a subcontractor is not in compliance with Section 6-129 or the DSBS rules promulgated pursuant to Section 6-129, or any provision of this Contract that implements Section 6-129, including, but not limited to any M/WBE Utilization Plan, Agency shall send a written notice to the Contractor describing the alleged noncompliance and offering the Contractor an opportunity to be heard. Agency shall then conduct an investigation to determine whether such Contractor or subcontractor is in compliance.

3. In the event that the Contractor has been found to have violated Section 6-129, the DSBS rules promulgated pursuant to Section 6-129, or any provision of this Contract that implements Section 6-129, including, but not limited to, any M/WBE Utilization Plan, Agency may determine that one of the following actions should be taken:

(a) entering into an agreement with the Contractor allowing the Contractor to cure the violation;

(b) revoking the Contractor’s pre-qualification to bid or make proposals for future contracts;

(c) making a finding that the Contractor is in default of the Contract;

(d) terminating the Contract;

(e) declaring the Contractor to be in breach of Contract;

(f) withholding payment or reimbursement;

(g) determining not to renew the Contract;

(h) assessing actual and consequential damages;

(i) assessing liquidated damages or reducing fees, provided that liquidated damages may be based on amounts representing costs of delays in carrying out the purposes of the M/WBE Program, or in meeting the purposes of the Contract, the costs of meeting utilization goals through additional procurements, the administrative costs of investigation and enforcement, or other factors set forth in the Contract;
06/2013

(j) exercising rights under the Contract to procure goods, services or construction from another contractor and charge the cost of such contract to the Contractor that has been found to be in noncompliance; or

(k) taking any other appropriate remedy.

4. If an M/WBE Utilization Plan has been submitted, and pursuant to this Article II, Section 3, the Contractor has been found to have failed to fulfill its Participation Goals contained in its M/WBE Utilization Plan or the Participation Goals as modified by Agency pursuant to Article I, Part A, Section 11, Agency may assess liquidated damages in the amount of ten percent (10%) of the difference between the dollar amount of work required to be awarded to MBE and/or WBE firms to meet the Participation Goals and the dollar amount the Contractor actually awarded and paid, and/or credited, to MBE and/or WBE firms. In view of the difficulty of accurately ascertaining the loss which the City will suffer by reason of Contractor's failure to meet the Participation Goals, the foregoing amount is hereby fixed and agreed as the liquidated damages that the City will suffer by reason of such failure, and not as a penalty. Agency may deduct and retain out of any monies which may become due under this Contract the amount of any such liquidated damages; and in case the amount which may become due under this Contract shall be less than the amount of liquidated damages suffered by the City, the Contractor shall be liable to pay the difference.

5. Whenever Agency has reason to believe that an MBE and/or WBE is not qualified for certification, or is participating in a contract in a manner that does not serve a commercially useful function (as defined in Section 6-129(c)(8)), or has violated any provision of Section 6-129, Agency shall notify the Commissioner of DSBS who shall determine whether the certification of such business enterprise should be revoked.

6. Statements made in any instrument submitted to Agency pursuant to Section 6-129 shall be submitted under penalty of perjury and any false or misleading statement or omission shall be grounds for the application of any applicable criminal and/or civil penalties for perjury. The making of a false or fraudulent statement by an MBE and/or WBE in any instrument submitted pursuant to Section 6-129 shall, in addition, be grounds for revocation of its certification.

7. The Contractor's record in implementing its M/WBE Utilization Plan shall be a factor in the evaluation of its performance. Whenever Agency determines that a Contractor's compliance with an M/WBE Utilization Plan has been unsatisfactory, Agency shall, after consultation with the City Chief Procurement Officer, file an advice of caution form for inclusion in VENDEX as caution data.

Iran Divestment Act Compliance Rider for New York City Contractors
IRAN DIVESTMENT ACT COMPLIANCE RIDER FOR
NEW YORK CITY CONTRACTORS

The Iran Divestment Act of 2012, effective as of April 12, 2012, is codified at State Finance Law ("SFL") §165-a and General Municipal Law ("GML") §103-g. The Iran Divestment Act, with certain exceptions, prohibits municipalities, including the City, from entering into contracts with persons engaged in investment activities in the energy sector of Iran. Pursuant to the terms set forth in SFL §165-a and GML §103-g, a person engages in investment activities in the energy sector of Iran if:

(a) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or

(b) The person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to paragraph (b) of subdivision three of Section 165-a of the State Finance Law and maintained by the Commissioner of the Office of General Services.

A bid or proposal shall not be considered for award nor shall any award be made where the bidder or proposer fails to submit a signed and verified bidder's certification.
Each bidder or proposer must certify that it is not on the list of entities engaged in investment activities in Iran created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. In any case where the bidder or proposer cannot certify that they are not on such list, the bidder or proposer shall so state and shall furnish with the bid or proposal a signed statement which sets forth in detail the reasons why such statement cannot be made. The City of New York may award a bid to a bidder who cannot make the certification on a case by case basis if:

(1) The investment activities in Iran were made before the effective date of this section (i.e., April 12, 2012), the investment activities in Iran have not been expanded or renewed after the effective date of this section and the person has adopted, publicized and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or

(2) The City makes a determination that the goods or services are necessary for the City to perform its functions and that, absent such an exemption, the City would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.
BIDDER'S CERTIFICATION OF COMPLIANCE WITH IRAN DIVESTMENT ACT

Pursuant to General Municipal Law §103-g, which generally prohibits the City from entering into contracts with persons engaged in investment activities in the energy sector of Iran, the bidder/proposer submits the following certification:

[Please Check One]

BIDDER'S CERTIFICATION

☐ By submission of this bid or proposal, each bidder/proposer and each person signing on behalf of any bidder/proposer certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief, that each bidder/proposer is not on the list created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law.

☐ I am unable to certify that my name and the name of the bidder/proposer does not appear on the list created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. I have attached a signed statement setting forth in detail why I cannot so certify.

NOTICE TO BIDDERS, PROPOSERS, CONTRACTORS, AND RENEWAL CONTRACTORS

This contract includes a provision concerning the protection of employees for whistleblowing activity, pursuant to New York City Local Law Nos. 30-2012 and 33-2012, effective October 18, 2012 and September 18, 2012, respectively. The provisions apply to contracts with a value in excess of $100,000.

Local Law No. 33-2012, the Whistleblower Protection Expansion Act ("WPEA"), prohibits a contractor or its subcontractor from taking an adverse personnel action against an employee or officer for whistleblower activity in connection with a City contract; requires that certain City contracts include a provision to that effect; and provides that a contractor or subcontractor may be subject to penalties and injunctive relief if a court finds that it retaliated in violation of the WPEA. The WPEA is codified at Section 12-113 of the New York City Administrative Code.

Local Law No. 30-2012 requires a contractor to prominently post information explaining how its employees can report allegations of fraud, false claims, criminality, or corruption in connection with a City contract to City officials and the rights and remedies afforded to employees for whistleblowing activity. Local Law No. 30-2012 is codified at Section 6-132 of the New York City Administrative Code.
Whistleblower Protection Expansion Act Rider

1. In accordance with Local Law Nos. 30-2012 and 33-2012, codified at sections 6-132 and 12-113 of the New York City Administrative Code, respectively,
   (a) Contractor shall not take an adverse personnel action with respect to an officer or employee in retaliation for such officer or employee making a report of information concerning conduct which such officer or employee knows or reasonably believes to involve corruption, criminal activity, conflict of interest, gross mismanagement or abuse of authority by any officer or employee relating to this Contract to (i) the Commissioner of the Department of Investigation, (ii) a member of the New York City Council, the Public Advocate, or the Comptroller, or (iii) the City Chief Procurement Officer, ACCO, Agency head, or Commissioner.

Such relief may include but is not limited to: (i) an injunction to restrain continued retaliation, (ii) reinstatement to the position such employee would have had but for the retaliation or to an equivalent position, (iii) reinstatement of all fringe benefits and seniority rights, (iv) payment of two times back pay, plus interest, and (v) compensation for any special damages sustained as a result of the retaliation, including litigation costs and reasonable attorney’s fees.
   (c) Contractor shall post a notice provided by the City in a prominent and accessible place on any site where work pursuant to the Contract is performed that contains information about:
      (i) how its employees can report to the New York City Department of Investigation allegations of fraud, false claims, criminality or corruption arising out of or in connection with the Contract; and
      (ii) the rights and remedies afforded to its employees under New York City Administrative Code sections 7-805 (the New York City False Claims Act) and 12-113 (the Whistleblower Protection Expansion Act) for lawful acts taken in connection with the reporting of allegations of fraud, false claims, criminality or corruption in connection with the Contract.
   (d) For the purposes of this rider, “adverse personnel action” includes dismissal, demotion, suspension, disciplinary action, negative performance evaluation, any action resulting in loss of staff, office space, equipment or other benefit, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected officer or employee.
(e) This rider is applicable to all of Contractor's subcontractors having subcontracts with a value in excess of $100,000; accordingly, Contractor shall include this rider in all subcontracts with a value a value in excess of $100,000.

2. Paragraph 1 is not applicable to this Contract if it is valued at $100,000 or less. Subparagraphs (a), (b), (d), and (e) of paragraph 1 are not applicable to this Contract if it was solicited pursuant to a finding of an emergency. Subparagraph (c) of paragraph 1 is neither applicable to this Contract if it was solicited prior to October 18, 2012 nor if it is a renewal of a contract executed prior to October 18, 2012.

Paid Sick Leave Law Contract Rider
PAID SICK LEAVE LAW CONTRACT RIDER

Introduction and General Provisions

The Earned Sick Time Act, also known as the Paid Sick Leave Law ("PSLL"), requires covered employees who annually perform more than 80 hours of work in New York City to be provided with paid sick time.\(^1\) Contractors of the City of New York or of other governmental entities may be required to provide sick time pursuant to the PSLL.

The PSLL became effective on April 1, 2014, and is codified at Title 20, Chapter 8, of the New New York City Administrative Code. It is administered by the City’s Department of Consumer Affairs ("DCA"), DCA’s rules promulgated under the PSLL are codified at Chapter 7 of Title 6 of the Rules of the City of New York ("Rules").

Contractor agrees to comply in all respects with the PSLL and the Rules, and as amended, if applicable, in the performance of this agreement. Contractor further acknowledges that such compliance is a material term of this agreement and that failure to comply with the PSLL in performance of this agreement may result in its termination.

Contractor must notify the Agency Chief Contracting Officer of the City agency or other entity with whom it is contracting in writing within ten (10) days of receipt of a complaint (whether oral or written) regarding the PSLL involving the performance of this agreement. Additionally, Contractor must cooperate with DCA’s education efforts and must comply with DCA’s subpoenas and other document demands as set forth in the PSLL and Rules.

The PSLL is summarized below for the convenience of Contractor. Contractor is advised to review the PSLL and Rules in their entirety. On the website www.nyc.gov/PaidSickLeave there are links to the PSLL and the associated Rules as well as additional resources for employers, such as Frequently Asked Questions, timekeeping tools and model forms, and an event calendar of upcoming presentations and webinars at which Contractor can get more information about how to comply with the PSLL. Contractor acknowledges that it is responsible for compliance with the PSLL notwithstanding any inconsistent language contained herein.

Pursuant to the PSLL and the Rules:

Applicability, Accrual, and Use

An employee who works within the City of New York for more than eighty hours in any consecutive 12-month period designated by the employer as its "calendar year" pursuant to the PSLL ("Year") must be provided sick time. Employers must provide a minimum of one hour of sick time for every 30 hours worked by an employee and compensation for such sick time must

\(^1\) Pursuant to the PSLL, if fewer than five employees work for the same employer, as determined pursuant to New York City Administrative Code §20-912(g), such employer has the option of providing such employees uncompensated sick time.
be provided at the greater of the employee's regular hourly rate or the minimum wage. Employers are not required to provide more than forty hours of sick time to an employee in any Year.

An employee has the right to determine how much sick time he or she will use, provided that employers may set a reasonable minimum increment for the use of sick time not to exceed four hours per day. In addition, an employee may carry over up to forty hours of unused sick time to the following Year, provided that no employer is required to allow the use of more than forty hours of sick time in a Year or carry over unused paid sick time if the employee is paid for such unused sick time and the employer provides the employee with at least the legally required amount of paid sick time for such employee for the immediately subsequent Year on the first day of such Year.

An employee entitled to sick time pursuant to the PSLL may use sick time for any of the following:

- such employee's mental illness, physical illness, injury, or health condition or the care of such illness, injury, or condition or such employee's need for medical diagnosis or preventive medical care;
- such employee's care of a family member (an employee's child, spouse, domestic partner, parent, sibling, grandchild or grandparent, or the child or parent of an employee's spouse or domestic partner) who has a mental illness, physical illness, injury or health condition or who has a need for medical diagnosis or preventive medical care;
- closure of such employee's place of business by order of a public official due to a public health emergency; or
- such employee's need to care for a child whose school or childcare provider has been closed due to a public health emergency.

An employer must not require an employee, as a condition of taking sick time, to search for a replacement. However, an employer may require an employee to provide reasonable notice of the need to use sick time; reasonable documentation that the use of sick time was needed for a reason above if for an absence of more than three consecutive work days; and/or written confirmation that an employee used sick time pursuant to the PSLL. However, an employer may not require documentation specifying the nature of a medical condition or otherwise require disclosure of the details of a medical condition as a condition of providing sick time and health information obtained solely due to an employee's use of sick time pursuant to the PSLL must be treated by the employer as confidential.

If an employer chooses to impose any permissible discretionary requirement as a condition of using sick time, it must provide to all employees a written policy containing those requirements, using a delivery method that reasonably ensures that employees receive the policy. If such employer has not provided its written policy, it may not deny sick time to an employee because of non-compliance with such a policy.

Sick time to which an employee is entitled must be paid no later than the payday for the next regular payroll period beginning after the sick time was used.
Exemptions and Exceptions

Notwithstanding the above, the PSLL does not apply to any of the following:

- an independent contractor who does not meet the definition of employee under section 190(2) of the New York State Labor Law;
- an employee covered by a valid collective bargaining agreement in effect on April 1, 2014 until the termination of such agreement;
- an employee in the construction or grocery industry covered by a valid collective bargaining agreement if the provisions of the PSLL are expressly waived in such collective bargaining agreement;
- an employee covered by another valid collective bargaining agreement if such provisions are expressly waived in such agreement and such agreement provides a benefit comparable to that provided by the PSLL for such employee;
- an audiologist, occupational therapist, physical therapist, or speech language pathologist who is licensed by the New York State Department of Education and who calls in for work assignments at will, determines his or her own schedule, has the ability to reject or accept any assignment referred to him or her, and is paid an average hourly wage that is at least four times the federal minimum wage;
- an employee in a work study program under Section 2753 of Chapter 42 of the United States Code;
- an employee whose work is compensated by a qualified scholarship program as that term is defined in the Internal Revenue Code, Section 117 of Chapter 20 of the United States Code; or
- a participant in a Work Experience Program (WEP) under section 336-c of the New York State Social Services Law.

Retaliation Prohibited

An employer may not threaten or engage in retaliation against an employee for exercising or attempting in good faith to exercise any right provided by the PSLL. In addition, an employer may not interfere with any investigation, proceeding, or hearing pursuant to the PSLL.

Notice of Rights

An employer must provide its employees with written notice of their rights pursuant to the PSLL. Such notice must be in English and the primary language spoken by an employee, provided that DCA has made available a translation into such language. Downloadable notices are available on DCA’s website at http://www.nyc.gov/html/dca/html/law/PaidSickLeave.shtml.

Any person or entity that willfully violates these notice requirements is subject to a civil penalty in an amount not to exceed fifty dollars for each employee who was not given appropriate notice.

Records
An employer must retain records documenting its compliance with the PSLL for a period of at least three years, and must allow DCA to access such records in furtherance of an investigation related to an alleged violation of the PSLL.

Enforcement and Penalties

Upon receiving a complaint alleging a violation of the PSLL, DCA has the right to investigate such complaint and attempt to resolve it through mediation. Within 30 days of written notification of a complaint by DCA, or sooner in certain circumstances, the employer must provide DCA with a written response and such other information as DCA may request. If DCA believes that a violation of the PSLL has occurred, it has the right to issue a notice of violation to the employer.

DCA has the power to grant an employee or former employee all appropriate relief as set forth in New York City Administrative Code 20-924(d). Such relief may include, among other remedies, treble damages for the wages that should have been paid, damages for unlawful retaliation, and damages and reinstatement for unlawful discharge. In addition, DCA may impose on an employer found to have violated the PSLL civil penalties not to exceed $500 for a first violation, $750 for a second violation within two years of the first violation, and $1,000 for each succeeding violation within two years of the previous violation.

More Generous Policies and Other Legal Requirements

Nothing in the PSLL is intended to discourage, prohibit, diminish, or impair the adoption or retention of a more generous sick time policy, or the obligation of an employer to comply with any contract, collective bargaining agreement, employment benefit plan or other agreement providing more generous sick time. The PSLL provides minimum requirements pertaining to sick time and does not preempt, limit or otherwise affect the applicability of any other law, regulation, rule, requirement, policy or standard that provides for greater accrual or use by employees of sick leave or time, whether paid or unpaid, or that extends other protections to employees. The PSLL may not be construed as creating or imposing any requirement in conflict with any federal or state law, rule or regulation.
APPENDIX I

Notice to Bidders
NOTICE TO BIDDERS

As of March 2013 the City has implemented a new web-based subcontractor reporting system through the City's Payee Information Portal (PIP), available at www.nyc.gov/PIP. In order to use the new system, a PIP account will be required. Detailed instructions on creating a PIP account and using the new system are also available at that site. Additional assistance with PIP may be received by emailing the Financial Information Services Agency Help Desk at pix@fisa.nyc.gov.

In order to obtain subcontractor approval under section 3.02 of Appendix A or Article 17 of the Standard Construction Contract and PPB Rule § 4-13 Contractor is required to list the subcontractor in the system. For each subcontractor listed, Contractor is required to provide the following information: maximum contract value, description of subcontractor work, start and end date of the subcontract and identification of the subcontractor's industry. Thereafter, Contractor will be required to report in the system the payments made to each subcontractor within 30 days of making the payment. If any of the required information changes throughout the term of the contract, Contractor will be required to revise the information in the system.

Failure of the Contractor to list a subcontractor and/or to report subcontractor payments in a timely fashion may result in the Agency declaring the Contractor in default of the Contract and will subject Contractor to liquidated damages in the amount of $100 per day for each day that the Contractor fails to identify a subcontractor along with the required information about the subcontractor and/or fails to report payments to a subcontractor, beyond the time frames set forth herein or in the notice from the City. For construction contracts, the provisions of Article 15 of the Standard Construction Contract shall govern the issue of liquidated damages.

Contractor hereby agrees to these provisions.
APPENDIX J

Hiring and Employment Rider: HIRENYC and Reporting Requirements
HIRING AND EMPLOYMENT RIDER:

HIRENYC AND REPORTING REQUIREMENTS

Introduction

This Rider shall apply to all contracts for goods, services, and construction with a value of one million dollars ($1,000,000.00) or more, provided, however, that certain requirements of the Rider shall only apply as indicated below. This Rider addresses the HireNYC process, including reporting obligations under the HireNYC process, and certain other reporting requirements imposed by law. In general, the HireNYC process under this Rider requires the Contractor to enroll with the HireNYC portal for the City of New York ("the City") located within the Department of Small Business Services' ("SBS") website, to disclose all entry to mid-level job opportunities described in this Rider arising from this contract and located in New York City, and to agree to interview qualified candidates from HireNYC for those opportunities.

HireNYC Requirements

A. Enrollment

The Contractor shall enroll with the HireNYC system, found at www.nyc.gov/sbs, within thirty (30) days after the registration of this Contract pursuant to Section 328 of the New York City Charter. The Contractor shall provide information about the business, designate a primary contact and say whether it intends to hire for any entry to mid-level job opportunities arising from this contract and located in New York City, and, if so, the approximate start date of the first hire.

B. Job Posting Requirements

Once enrolled in HireNYC, the Contractor agrees to update the HireNYC portal with all entry to mid-level job opportunities arising from this contract and located in New York City, if any, which shall be defined as jobs requiring no more than an associate degree, as provided by the New York State Department of Labor (see Column F of https://labor.ny.gov/stats/2012-2022-NYS-Employment-Prospects.xls). The information to be updated includes the types of entry and mid-level positions made available from the work arising from the contract and located in New York City, the number of positions, the anticipated schedule of initiating the hiring process for these positions, and the contact information for the Contractor's representative charged with overseeing hiring. The Contractor must update the HireNYC portal with any hiring needs arising from the contract and located in New York City, and the requirements of the jobs to be filled, no less than three weeks prior to the intended first day of employment for each new position, except with the permission of SBS, not to be unreasonably withheld, and must also update the HireNYC portal as set forth below.

After enrollment through HireNYC and submission of relevant information, SBS will work with the Contractor to develop a recruitment plan which will outline the candidate screening process.
and will provide clear instructions as to when, where, and how interviews will take place. HireNYC will screen applicants based on employer requirements and refer applicants whom it believes are qualified to the Contractor for interviews. The Contractor must interview referred applicants whom it believes are qualified.

After completing an interview of a candidate referred by HireNYC, the Contractor must provide feedback via the portal within twenty (20) business days to indicate which candidates were interviewed and hired, if any. In addition, the Contractor shall provide the start date of new hires, and additional information reasonably related to such hires, within twenty (20) business days after the start date. In the event the Contractor does not have any job openings covered by this Rider in any given year, the Contractor shall be required to provide an annual update to HireNYC to that effect. For this purpose, the reporting year shall run from the date of the registration of the contract and each anniversary date.

These requirements do not limit the Contractor’s ability to assess the qualifications of prospective workers, and to make final hiring and retention decisions. No provision of this Rider shall be interpreted so as to require the Contractor to employ any particular worker.

In addition, the provisions of this Rider shall not apply to positions that the Contractor intends to fill with employees employed pursuant to the job retention provision of Section 22-505 of the Administrative Code of the City of New York. The Contractor shall not be required to report such openings with HireNYC. However, the Contractor shall enroll with the HireNYC system pursuant to Section A, above, and, if such positions subsequently become open, then the remaining provisions of this Rider will apply.

C. Breach and Liquidated Damages

If the Contractor fails to comply with the terms of the contract and this Rider (1) by not enrolling its business with HireNYC; (2) by not informing HireNYC, as required, of open positions; or (3) by failing to interview a qualified candidate, the contracting agency may assess liquidated damages in the amount of two thousand five hundred dollars ($2,500.00) per breach. For all other events of noncompliance with the terms of this Rider, the agency may assess liquidated damages in the amount of five hundred dollars ($500) per breach.

Furthermore, in the event the Contractor breaches the requirements of this Rider during the term of the contract, the City may hold the Contractor in default of this contract.

Audit Compliance

In addition to the auditing requirements set forth in other parts of the contract, the Contractor shall permit SBS and the City to inspect any and all records concerning or relating to job openings or the hiring of individuals for work arising from the contract and located in New York City. The Contractor shall permit an inspection within seven (7) business days of the request.
Other Reporting Requirements

The Contractor shall report to the City, on a monthly basis, all information reasonably requested by the City that is necessary for the City to comply with any reporting requirements imposed by law or rule, including any requirement that the City maintain a publicly accessible database. In addition, the Contractor agrees to comply with all reporting requirements imposed by law or rule, or as otherwise requested by the City.

Construction Requirements

Construction contractors shall comply with the HireNYC requirements set forth above for all non-trades jobs (e.g., for an administrative position arising out of the work of the contract and located in New York City) as set forth above.

In addition, construction contractors shall reasonably cooperate with SBS and the City on specific outreach events, including Hire on the Spot events, for the hiring of trades workers for the work of this contract.

Further, this contract shall be subject to a project labor agreement if so required elsewhere in this contract.

Federal Hiring Requirements

The Contractor shall comply with all federal hiring requirements as may be set forth elsewhere in this contract, including, as applicable:

- Section 3 of the HUD Act of 1968, which requires, to the greatest extent feasible, economic opportunities for 30 percent of new hires be given to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

- Executive Order 11246, which prohibits discrimination in employment due to race, color, religion, sex, or national origin, and requires the implementation of goals for minority and female participation for work involving any Construction trade.
