

# ***Rhino-Armor II***

## **Barrier System**

**Shield floors and walls.....from daily attack in commercial, industrial & manufacturing environments!**

**Rhino-Armor II** is the perfect solution for those areas where you need tuff temporary protection in challenging environments. It's a durable woven textile produced from a proprietary polymer and has a gray spun-bound (felt) woven non-skid surface.

**Rhino-Armor II** is on convenient, easy to handle rolls.

When used with **Rhino-Armor Tape**, **Rhino-Armor II** is a system that creates a temporary protective barrier. With unique, ultra-adhesive qualities, **Rhino-Armor Tape** bonds securely to **Rhino-Armor II**. Simply roll out the desired amount of **Rhino-Armor II**, cut with common shop tools and then apply **Rhino-Armor Tape** to hold into place.

### **Rhino-Armor II** Roll Information
