 Lamium ☁️
 Pachysandra ☁️
 Sedum 🌞
 Snow in Summer 🌞☁️
 Sweet Woodruff ☁️

PROTECTING YOUR PLANTS

Foliar spray plants in the cool of the day, reapply every 2-3 weeks or after heavy rain.

Liquid Fence eggs & pepper based foliar spray or granular application
Repels All eggs & pepper based foliar spray or granular application
Deer Off scent based pod on a stick, great for containers
I Must Garden organic, cinnamon oil based foliar spray
Repellex Systemic granular, apply in spring, lasts 3 months
Deer Scram spread this scented granule around garden beds as a scent barrier
