Generation Schools Network has partnered with over **68 districts and 197 schools** to facilitate school improvement and turnaround leadership.

Hosted an average of **10 Peak Readiness Events each year** to prepare students for college and career pathways.

Increased attendance for students by an average of **50%** and parent engagement by over **60%** through **Social Emotional Learning** supports.

All schools are vibrant, inclusive ecosystems that ensure every student thrives in school, work and life.

**OUR IMPACT**

**Health & Wellness**
Empowers students with a supportive peer community, adult connection and the skills and resources they need to thrive in the classroom and beyond.

**College & Career Readiness**
Supports your school to develop a program that ensures every student is prepared for successful transition.

**School Redesign & Innovation**
Partners with schools to help address their challenges through realigning time, talent, and resources.

**School Leadership & Improvement**
Identifies root causes and creates a plan for improvement using evidence based strategies, monitoring progress, and adjusting to achieve the desired results.
