

**Abney Park Treasurer Recruitment
Summer 2022
Information Pack**

Foreword from the Trust's Chair, Tom Walker

Thank you for looking at this pack and the accompanying role description. I have been Chair of Abney Trust since March 2020 and on the Board since September 2018. Working on Abney Park in the heart of the community where I have lived for over twenty years is a privilege and constant source of inspiration.

We are looking for a new volunteer Treasurer to join our Board of Trustees. It is a very exciting time for Abney Park. The National Lottery Heritage Fund project is well underway and will complete by early 2023. Run by Hackney Council, this will transform the park. The Trust is a very active partner in the design and implementation. We will run many of the activities that will form part of the restored park.

The Trust has a proud heritage over the decades of working to restore the park and encourage community use. We are a small registered charity with two staff. The Trustees play a very active role in the Trust's business. As well as the formal responsibilities of being a Treasurer we are looking for someone with knowledge and a passion for Abney including its history, ecology and/or community role.

The Trust is in a good financial position and our current Treasurer has done a brilliant job over the last four years. Now is a chance for someone to build on all that work as we enter a new chapter. *You don't need to be a finance professional.*

This pack provides a summary of the Trust, information about what we are looking for and some background on being a Trustee. We look forward to receiving your application to be part of the committed team who nurture and cherish one of London's most magical landmarks.
