Overview

● SHARE / ECHO MODELS
  ● Commonalities of both
  ● Definitions
  ● Additional Benefits
  ● Current Pilots
SHARE/ECHO Commonalities

- Offer Affordability
  - Affordable housing options (home seeker or cottage resident will pay no more than 30% of their gross income on rent)
  - Provide below market rate rents
  - Help older adult meet housing costs
  - Potential to leverage other affordable programs
SHARE/ECHO Commonalities

● Enable Aging in Place
  ● SHARE and ECHO address changing demographics and changing housing markets (AARP: 9 out of 10 prefer to age in place)
  ● Provide an opportunity for resource exchange that enable older adults to prevent or defer institutionalization
  ● Provide savings to the healthcare system as older adults age in place
SHARE/ECHO Commonalities

- Self-determination
  - Choice
  - Control

- Developed with local AAA, PA Dept. of Aging and Diana T. Myers and Associates, Inc. (PDA housing consultant)

Digging deeper…

What are they?
What additional benefits do they offer?
Where are the current pilots?
Definition of SHARE (Shared Housing and Resource Exchange)

- SHARE is an affordable housing choice that brings together homeowners who want to share their home with home seekers who are looking for housing in exchange for rent, help around the house, or a combination of both.
Definition of SHARE (Shared Housing and Resource Exchange)

- Home seekers receive their own bedroom and agreed upon use of the common areas. Every arrangement is unique depending on the needs, preferences, and abilities of the participants involved.
- SHARE participants must be at least 18 years of age & one of the individuals in the match must be over 60.
Benefits of SHARE Model

- Flexible
  - Can serve people of all ages and incomes
  - Older adults, persons with disabilities, veterans, working professionals, college students, individuals at-risk of homelessness, single parents, or people simply wishing to share their lives and homes with others are all eligible.
Benefits of SHARE Model

**Cost Effective**

- Uses existing housing
- Provides supplemental income for older adults for taxes, maintenance, repairs and other housing costs
- Either or both parties can offer services
  - Host can prepare meals or provide house-keeping
  - Sharer can do shopping, rake leaves, mow lawn or remove snow
Benefits of SHARE Model

- Companionship

- Neighborhood Stabilization
  - Reduces turnover, foreclosures, vacancies, and conversions that affect stability and property values
