ADAMS
COUNTY
A community engagement initiative advocating for access to affordable & sustainable living for all residents in Adams County.
**OUR VISION**
All residents of Adams County will have opportunities to live in safe housing in line with their income, find sustainable employment, and access viable transportation options.

**OUR MISSION**
We are focused on coordinating resources to educate our community, advocate for and develop solutions to some of the most complex issues facing Adams County residents.

**OUR TEAM**
We represent a cross section of partners including government officials, not-for-profit leaders, higher education institutions, business leaders, and members from the community at large.

**GET INVOLVED**

**TASK FORCES**
Each of our task forces come together as working groups dedicated to creating and implementing solutions for various topics surrounding housing in line with local incomes, transportation, and livable wages. Visit our website to join a task force.

**VOLUNTEER OPPORTUNITIES**
As our initiative continues to grow, more opportunities to get involved will become available. Be sure to frequently check our website for updates!

**COALITION MEETINGS**
At our coalition meetings, updates on current progress regarding housing, transportation, and workforce development in Adams County will be shared. Check out our website for information on upcoming meetings.
