

East Tennessee Fishing Escape

A person wearing a white long-sleeved shirt and a white cap is standing in a small boat on a river. They are holding a fishing rod and reel, and a large net is visible in the air above them. The boat has 'HIGH COUNTRY BOATS' and a fish logo on its side. The background is a dense forest of green trees along the riverbank, with sunlight filtering through the leaves. The water is calm and reflects the surrounding greenery.

The “Little Montana” of the Southeast

Widely considered one of the top fly fishing destinations in the United States, the South Holston and Watauga Rivers of Tennessee offer Western level fishing alongside the beautiful foliage and greenery of the Blue Ridge Mountains. Drawing water from some of the regions highest peaks, this Rainbow and Brown Trout haven makes for a perfect all inclusive adventure retreat.
