Portland Fruit Tree Project's Harvest Options
Do you have a fruit tree on your property? Use this "dichotomous key" to figure out which harvest model is best for you!

Have a small fruit tree, and you'd like to share the fruit with your neighbors?

Yes

Share in the Harvest Facebook Group
Join our Share in the Harvest FB Group to let your neighbors know when the fruit is ready to harvest!

Can you deliver the fruit yourself to a local food pantry?

Yes

DIY Harvest Kit
Check out our DIY Harvest Kit for information on harvesting, sorting, and fruit donation drop-off locations!

No

Backyard Harvest Program
Sounds like you have a tree (or multiple trees) that you are unable to harvest yourself! Sign up for a Backyard Harvest Program, and we will work on scheduling a harvesting event with you once your fruit is ripe!

No

Have a bigger tree that you are able to harvest with the help of your friends and neighbors?

Yes

No

Harvest Box Pickup
Sign up for our Harvest Box Pickup program - you harvest the fruit, and we'll come pick it up for donation!
