

2020-21 Basketball Rules Modifications

The following are the in-game “modifications” established by the GHSA during the 2020-21 basketball season. The modifications outlined in this document are meant to decrease potential exposure to respiratory droplets by encouraging social distancing, limiting participation in administrative tasks to essential personnel and allowing for appropriate protective equipment.

1. Pregame Meeting Protocol

- ***Pregame Protocol (2019-2020 NFHS Officials Manual, page 16, 1.8; NFHS Basketball Rule Book – 3-4-5)***
 - Limit attendees to the referee and the head coach from each team with each coach standing on the outside of the center circle on each side of the division line.
 - All individuals maintain a social distance of 6 feet or greater at the center circle.
 - Suspend handshakes prior to and following the Pregame Conference.

2. Team Benches (1-13-1)

- ***Social distancing should be practiced at all times. Below are some suggestions.***
 1. Limit the number of bench personnel to observe social distancing of 6 feet or greater.
 2. Place team benches opposite the spectator seating if possible. If not, create separation between the team bench and spectator seating behind the bench.
 3. Additional chairs or rows may be added to allow bench personnel to observe social distancing of 6 feet or greater, not beyond the end-line or the coach’s box.
 4. Create an additional team bench(s) behind the courtside bench to ensure social distancing.
 5. Personnel not in the game should adhere to any required local/state face covering requirements while on the bench.

3. Officials Table (2-1-3)

- The host should sanitize the table before the game and at halftime.
- Place officials table sufficiently away from the sideline to allow for additional space for substitutes.
- Limit seats at the official table to essential personnel which includes home team scorer and timer (shot clock operator if used) with a recommended distance of 6 feet or greater between individuals. Other personnel (visiting scorer, statisticians, media, etc.) should be located in an alternate location.
- Table personnel should adhere to any required local/state face covering requirements.

4. Pre and Post Game Ceremony

1. Suspend the pregame introduction handshakes.
2. Suspend post game protocol of shaking hands. Teams shall line up along the free throw line near their respective bench area and nod/wave in a sportsmanship gesture.
3. Officials shall stand at the division line across from the benches during pregame introductions.
