Known cases faculty/staff	3	3 faculty/staff case from community-based source during this period
Known contact students	96	96 known student contacts during this period from community-based and school-based sources
Known contact faculty/staff	2	2 known faculty/staff contacts during this period from community-based and school-based sources
NOTES: Copies of negative tests should be provided to either Ms. Jamison Baynes or Nurse Lesli Rubin if using test results to shorten quarantine and return on Day 8. Please direct all COVID-specific communication to either Nurse Rubin or Dr. Harth - not to our teaching staff or instructional coordinators, and remember to keep your children home and notify the school if they are sick. Thank you!
