

2020 Summer Reading Program Registration

Every summer the Library offers programs and activities for adults, teens, and children. This year may look a bit different as we're moving nearly 100% virtual due to a continued need for social distancing, but we know some patrons may need to or prefer to participate on paper.

Please fill out this form and return in the library book return slot at Main or Hilton. Visit us online at www.maplewoodlibrary.org for more information on this summer's program for all ages.

The Summer Reading Program is generously supported by the Friends of the Maplewood Library. You can join the friends and continue to support library programming by emailing friends@maplewoodlibrary.org.

KIDS (birth-grade 5) for questions, call or email kids@maplewoodlibrary.org

Name (first & last) : _____

School you will be attending in Fall 2020 : _____

Grade you will be entering in Fall 2020 : _____
