How To Use Wireless Printing Service At Maplewood Library

Printing from the web portal on a personal computer

1. From the Maplewoodlibrary.org site go to -> services -> Wireless Printing -> Then choose
   a. Hilton Branch Library or
   b. Maplewood Memorial Library

2. From this page you need to:
   a. Indicate if you want B&W or Color Printing
   b. Assign a name that will be used to retrieve your print job
   c. Browse your computer files and select a document, photo, or enter a web page URL.
   d. Then click the arrow on the lower right.
3. Select the page orientation (portrait or landscape), number of copies, etc. and click the right arrow.

4. When the job finishes processing, click the green printer icon and you are done! Then ask a librarian to output your print.
