B. WELCOME AND INTRODUCTION OF NEW BOARD MEMBERS –

Sartucci introduced the newly appointed members of the Board:

1. Kevin Borrup of Newington, former board member and former board chairman. Borrup is the Assistant Director of the Injury Prevention Center, Connecticut Children’s Medical Center in Hartford.

2. Barbara Gilbert of Rocky Hill, also a former Board member. Gilbert was the Town Clerk in Rocky Hill when the Health District was formed and was also the Town Manager now retired. She served on the Board 12 years ago.

3. Lecia Paonessa of Berlin, Paonessa is with the Berlin Public Works Dept. She was one of Berlin’s advocates and organizers for CCHD’s intertown walking
competition. Berlin has been the winning town several years, no doubt in a large part to her efforts.

Sartucci acknowledged the recent death of long-time Board member Carolyn Wysocki on August 25th. She reflected on her life and career and her contributions to CCHD over the last 20 years. A moment of silence was held followed by remembrances from Board members.

C. PUBLIC FORUM – no one from public was present.

D. ADOPTION OF MEETING AGENDA –

**MOTION** by Gilbert, seconded by Sadlosky to adopt the meeting agenda with the following additions:

b. Add “5. Committee appointments” under “New Business”

**Motion carried unanimously.**

E. MINUTES – Approval of Record of Votes and Minutes- July 19, 2018 meeting

**MOTION** by Stiglich, seconded by Richter to approve the record of votes and minutes of the July 19, 2018 Board meeting as posted. Approved: Checko, Jarema, Richter, Sadlosky, Sartucci and Stiglich. Opposed: no one. Abstained: Borrup, Gilbert, Henault and Paonessa. **Motion carried.**

F. OFFICER AND STAFF REPORTS –

1. **Chairman’s Report** - Sartucci reported-

- Normal Board turnover/reappointments during the summer months of 4-5 board members.
- Unusual loss of Board members this summer due to personal and family illness, death and town politics.
- John Aforismo, formerly of Wethersfield, resigned in June when he moved to Old Saybrook and could not finish out his term for the Town of Wethersfield. Position is still vacant.
- Lia Safalow of Rocky Hill resigned during the summer due to family illness. Barbara Gilbert has replaced her.
- Jerilyn Nagel finished her second term representing Newington in July but was not reappointed. Position filled by Kevin Borrup.
• Position held by Cindy Moynihan of Newington remains vacant.
• Congratulations to Debbie Henault who was reappointed to a three-year term by the Town of Wethersfield.
• Board is still awaiting action by the Towns of Newington and Wethersfield to fill the Board’s two remaining vacancies.
• CCHD has a 14-member board with 13 appointed, voting members and the Director of Health. 10 appointed positions are currently filled. Our quorum for meetings and a simple majority vote is currently 6 voting members. 7 votes are required for a “super-majority vote.”
• Brown and Sartucci held an orientation for Borrup and Gilbert earlier this week before CCHD was notified of Paonessa’s appointment. Because Borrup and Gilbert are former board members a slightly different orientation was held.
• A second orientation will be held for Paonessa and any other new board members in the next month or so.
• The annual CCHD presentations to each Town Council will be coming up in November and December. Brown will let Board members know the dates when they are finalized. This is one of the few functions that we ask Board members to attend in their respective towns with Brown.
• CPHA will hold its annual statewide conference in Rocky Hill this year. The agency will pay the registration for interested board members. Information was sent in the Board packet. Let Brown know if interested so CCHD office manager, Cheryl Kissinger, can register everyone at the same time. The theme is “Epidemics!” It is in Rocky Hill at the Sheraton-South Hotel on West Street. Former board member, Carolyn Wysocki, will be honored posthumously, probably at the luncheon meeting.

Sartucci attended the annual conference of the National Association of Local Boards of Health (NALBOH) in Raleigh, NC in August. Some brief take-aways:
• State and local funding for public health remains a perennial problem with cuts and the need for agencies to seek new and innovative grants or new revenue streams to deliver services.
• The opioid epidemic, emergence of infectious disease, environmental issues such as water and air quality, access to care, etc. all remain critical issues for local boards of health.
• The move to become nationally accredited has taken hold across the country. Nearly three-quarters of the state health departments are now
accredited. More than 300 of the 2500 local public health agencies in the country are in the process of becoming accredited.

- There is a lot of regionalization and merger of local health departments, including county health departments underway across the country.
- Public health manpower (particularly directors of health, public health nurses, doctors and sanitarians) is reaching a crisis with the retirement of the baby-boomer generation. This is already felt by CCHD here as Brown will report and will affect our agency in several significant ways.
- Ironically, Hurricane Florence hit the Carolina’s last week. We have all seen the devastation on TV. Having met many of the members of their boards of health Sartucci feels for them and what they and their communities are going through. She was impressed with their emergency response system and the preparation of their public health agencies and boards of health.

2. **Director Health** – Brown highlighted the following from his September 20th report in the Board packet.

**West Nile Virus** -

- West Nile Virus has been a challenge this year with four more cases announced today and ten in total for the season. Two human cases were identified in Newington residents and positive mosquitoes were also found in Wethersfield. Brown has been proactive with his prevention efforts.

**Flu Clinics** - are scheduled to start October 2nd -

- A POD (point of dispensing) drill will be held on October 13th at Newington High School. This is a state requirement for CCHD’s EP funding.
- Brown will be on Newington Community TV on October 1st with Mayor Zartarian getting his flu shot from Sartucci.
- Brown asked that Board members please share the flu clinic schedule with their various networks.
- Brown reported great team effort by administrative and community health staff to schedule and promote the clinics and prepare for billing.

**Community Health**

- The second opioid response “community conversation” was held on September 13th.
CCHD received good feedback from attending family and friends of those in recovery about session and the resources they could use at town level.

Good coverage by Channel 3 TV-WFSB and recognition by Senator Terri Gerratana of CCHD’s efforts.

Environmental Health

Staff have continued to work as a team to address workload issues in lieu of hiring for the open environmental health position. Phenomenal amount of work considering the number of events in the Health District (including the recent Berlin Fair) and regular inspections that need to be done.

MOTION by Borrup, seconded by Henault to accept the monthly report of the Director of Health dated September 20, 2018 as presented. Motion carried unanimously.

G. COMMITTEE REPORTS –

   - Also, the agency’s auditor will present his annual report to the Board at that meeting.
   - Minutes of Committee meetings in board packet.

2. Governance Committee – Sartucci
   - Sartucci has been filling in as acting committee chair over the summer due to Carolyn Wysocki’s illness and recent death.
   - Assistant Director Ann Hartman has been sitting in on the meetings to provide input on accreditation preparation and the strategic plan.
   - Brown will present the strategic plan update for Year 3 under “New Business.”
   - The Committee completed a review of the 12 “domains” for public health accreditation in June. Areas needing continued work were identified. Brown
and Hartman will use this information to present an updated accreditation readiness report to the board in the fall.

3. **Human Resources Committee** – Stiglich
   - Stiglich reported that at the September meeting Brown provided an overview of CCHD efforts to meet the PHAB standards in human resources and workforce development.
