1. Proposed FY 18-19 Budget and Hearing Process

- Board moved the proposed FY 18-19 agency budget and proposed user fee schedule forward to public hearing on May 17, 2018 at 6 PM. Checko has been appointed as hearing officer.
- Committee reviewed the budget hearing process for FY 18-19. Brown reported that staff had prepared the script and would share with Checko for her use as hearing officer. Sartucci reminded committee members that while they were not required at the hearing, attendance could be useful in getting direct feedback from the regulated communities.
- Brown reported on his attendance at the Rocky Hill Budget Workshop on May 4th. He and Sartucci attended. Town council members asked questions about continued funding for centralization of offices beyond FY 2019 and potential grant funding for vaping and opioid prevention efforts. Brown responded to these questions by explaining about the need to be cost-neutral for centralization efforts and that projections were for costs to be below cost of adding additional staff. He also stated that grant funding would likely be sought for prevention activities related to opioid and other substance abuse issues. Sartucci stated that Brown represented the agency well at this hearing.
