E. UNFINISHED BUSINESS.
1. Budget Hearing Process
Brown presented and reviewed with the Committee the process used to publicize the public hearing and asked for feedback on how to improve. It was suggested that increasing contact with regulated community via email may improve communication process in the future. Checko suggested getting feedback from contractors when they interact with staff to determine level of contact. Overall, committee was satisfied with hearing process and felt that it was also an opportunity for education for newer Board members.

2. Late Fee Policy Discussion
• Brown presented a revised fee policy incorporating language developed by him and Supervising Sanitarian Barbara Giiglioti.
• Sartucci brought up the need to check the CCHD Sanitary Code for authority to revoke license for non-payment, which Brown will research and report back to committee. Sartucci also emphasized the need for legal review of the Sanitary Code to ensure that processes like license revocation were legally correct. Brown reported that the pro bono legal support for the Sanitary Code Review had gone away but he would seek a replacement to ensure a stringent legal review.
• Committee discussed several items of policy to include revisions to the waiver section and inclusion of a new section on late fee procedures. Committee members agreed to send comments to Brown for inclusion in revised policy for review at April Committee meeting.
• Sartucci asked that list of waivers and amount waived for 2016 be brought to Committee for review in April.
