VI. UNFINISHED BUSINESS

1. Board Development

- Outline in the Feb. 2, 2018 Committee minutes. Sartucci reminded Committee of the need for flexibility in Board development activities due to fluid nature of union contract negotiations underway and its effect upon Board meeting agendas, particularly around the proposed agency budget.

- Strategic plan update will be set up as a formal presentation at the start of the March Board meeting. Committee agreed that review of strategic plan status was a good development opportunity for the Board.

- Wysocki asked about the status of the 2018 NPHW activities. Brown and Hartman gave an update on planned agency activities that include:
  - Public Health Game Night on 4/3/18
  - Opioid Awareness Forum Panel on 4/4/18
  - “Complete Streets” Forum on 4/5/18
Celebration of Public Health on 4/6/18 - this was discussed with the Committee at length. Concern that this should be at the start of public health week and set up as a “celebration of public health” that should include recognition of staff and volunteers and not just a “volunteer recognition” event, as was done in the past. Also, late afternoon event should be planned as most cannot make breakfast meetings.

2. Community Health Needs Assessment
   - Brown reported on the agency contract with Data Haven for additional interviews to be conducted in our towns to assure statistical significance.
   - Wysocki asked if the Committee could get a copy of the questionnaire for review. Brown will follow-up with Data Haven to acquire it.

3. Advocacy Update
   - Sartucci reported that she had sent out a detailed report on the Executive Committee’s advocacy activities to the Board over the weekend. This included copies of all submitted testimony provided to the State legislative committees as well as the town councils on local issues and proposed ordinances.
   - The Board has designated the Executive Committee responsibility for advocacy issues for the agency. Committee discussed the change in responsibilities concerning advocacy and the role of the Governance Committee.

VII. NEW BUSINESS.

1. Executive Session
   MOTION by Sartucci, seconded by Brown to go into executive session for discussion and an update on the reopening of the AFSCME contract related to salary and health benefits and to include Hartman in session. Motion carried unanimously.
   In executive session at 2:40 PM. Present: Brown, Sartucci, Wysocki and Hartman. Out of executive session at 2:45 PM. No action on items discussed

2. Review of PHAB Domains 4 and 7
   - Committee continued its monthly review of the PHAB domains for public health accreditation and discussed strategies to address PHAB standards and measures
   - Domain 4 is being addressed through activities and coalitions such as ACHIEVE and our agency response to the opioid epidemic that engage the community around identified health issues.
   - Domain 7 is a challenge for the agency, as the health care access is not being addressing in any formal way by the agency. Major planning will need to be done in this area.

- Sartucci asked that Brown and Hartman write up the summaries of our reviews of each domain to date so that an updated accreditation plan and timetable can be developed over the summer.

  - Domain 2 (May);
  - Domain 5 (June)
  - A separate meeting devoted to Domain 1 (Assessment) will be set up and Pat Checko from the Board invited to participate.
- Committee should have its review of each Domain done by June meeting.
