A. Accreditation Plan Update

• Brown stated that the memo about the accreditation plan process had not been updated due to the heavy workload and vacation schedule in April. Staff will prepare a revised timeline for May meeting.

• Hartman reported that she will be meeting with accreditation coordinators from around the state on April 19, 2017. Sartucci and Wysocki advised on the approach to collaboration between agencies on PHAB initiatives.

• Sartucci asked how Governance Committee could be helpful with moving the accreditation process forward and suggested an agency assessment be accomplished to determine gaps. Brown agreed that assessment was a logical place to start and could be conducted by the agency’s Leadership Team by the end of the fiscal year. Governance Committee could then be engaged in July-August timeframe to discuss how to address gaps.

B. CCHD Logo

• The Committee continued its discussion about the need to update the CCHD Logo.
