The I-10 and I-15 Corridor Projects
Creating Choice for Drivers

Our Challenge
San Bernardino County: We’re Growing!

Our Challenge
As SB County grows, traffic demand will increase

Our Challenge
1 Land is limited
2 We cannot build our way out of congestion

I-10 and I-15 Choices
• Do Nothing

Express Lanes at Work
Creating Choice for Drivers

Express Lanes

I-10 Options
No Build
I-10 Express Lanes Alternative

I-15 Options
No Build

I-15 Express Lanes Alternative

Lane Miles Added

General Purpose Lanes Time Savings

General Purpose Lane Travel Time on I-10
Year 2030 from LA County Line to Ford Street
(in minutes to travel 33 miles)

I-15 General Purpose Lane Travel Time
Year 2030 from SR 60 to US 395
(in minutes to travel ~33 miles)

Express Lanes - Cost of Time Saved
Time Savings and Anticipated Tolls

Output
I-10 Typical Travel Time Savings Via Express Lanes (2024)

I-10 Schedule
The road ahead

I-15 Schedule
The road ahead

Anticipated Project Cost
How alternatives would be funded

Why Public Outreach?
• Educate
• Challenges
• Choices
• Input
• Environmental Document
