CSU CAPITAL PROGRAM UPDATES
California State University FULLERTON

Sarab Singh, CCM, PMP, CEFP
Director of Construction Management
November 10, 2020
**CSU Fullerton Facts:**

- The school has produced 55 players who made it to Major League Baseball.
- CSUF has students from 81 nations, and has graduated more than a quarter-million men and women since its founding in 1959.
- We are number one in CSU system and number two in California for the number of bachelor’s degrees awarded.
- We are No. 1 in California, and is among the top 10 U.S. universities awarding bachelor’s degrees to Hispanics - more than 302,670 graduates as of May 2020.
- Our enrollment went up this fall despite the COVID-19 - 41,408 enrolled in fall 2020 - 58.5% female.
