Introduction

The Newark Partnership (TNP) is pleased to present the first iteration of the City of Newark Nonprofit Services Guide. Our community has a diverse and dynamic nonprofit sector that offers programs and services that can enhance the quality of life for all those who live, work, study, and play in Newark. This Guide will help the members of our community take advantage of those resources. The Guide also benefits Newark’s nonprofit sector. It enables nonprofit institutions to better recognize connections among their programs and services. We hope the Guide will be a catalyst for community partnerships and help Newark’s nonprofit sector to flourish.

The printed version of the Guide will be updated annually and will be available from TNP member organizations. The online version, available at www.thenewarkpartnership.org, will be updated monthly. If you have questions, would like to have an organization or service added to the Guide, or if your organization’s information should be updated, please email us at thenewarkpartnership@gmail.com.

The Guide is organized in 12 service categories. These categories align with those used by databases upon which we have drawn, such as ShareDelaware and Delaware211. Each category is organized alphabetically by the name of the organization. At the back of the Guide, there is also an alphabetical index of all included organizations. Some organizations appear multiple times because they offer programs/services in many service categories. The index list the categories and programs of each organization. A generic category of “other” has been used for organizations that fulfill a unique niche within the Newark community that does not fit under the other service categories.

In this edition of the guide, there are a total of 134 community resource organizations. There are 27 organizations listed under the Childcare and Educational Programming subsections of Academic/Educational. This section also includes a listing of all traditional and nontraditional public schools, charter schools, and private school in the greater-Newark area. There are 4 organizations listed under Animal Care, 6 organizations listed under Arts, 11 organizations listed under Food/Nutrition, 9 organizations listed under Healthcare, 10 organizations listed under Housing, 7 organizations listed under Mental Health/Rehabilitation, 11 organizations listed under Recreational, 65 organizations listed under Religious Services, 14 organizations listed under Socio-Economic Support, 4 organizations listed under Transportation, and 22 organizations listed under the Other category.
To create the Guide, the TNP research team first compiled a list of organizations identified by ShareDelaware or that filed 990 forms. An online survey of these organizations was then conducted to obtain more information about the organization, and then a second survey was conducted to learn more about programs and services. In some cases, the TNP research team obtained additional information from the organizations’ websites and social media pages.

This Guide was prepared under the leadership of The Newark Partnership’s Nonprofit Enhancement Committee, co-chaired by Carla Grygiel (Newark Senior Center) and Freeman Williams (NAACP), which worked in partnership with staff from the University of Delaware’s Community Engagement Initiative and Institute for Public Administration/

We hope the Guide is a valuable resource for all members of our community and we look forward to feedback on how its value may be enhanced.

Calvary Baptist Church has over 200 members who are “Diverse in Culture, United in Christ, Serving in Love.” We offer one blended worship service on Sunday mornings at 10:30 a.m. We are a diverse and welcoming congregation known for our vibrant worship and ministry with the poor and dispossessed. On Wednesday nights during the school year (September through April) we offer dinner at 6:00 p.m. A free will offering is accepted but there is no set cost. Afterwards, there are study and fellowship opportunities for all ages. We have quality programs for children and teens, including a vibrant youth group (grades 6-12) and a new girls’ group (K-12). Calvary has plenty of opportunities for those who want to serve and make a difference: community picnics, winter shelter, gardening, food/clothing drives, and much more.
