

## 7-Day Prayer Guide: *The Way of Abundance*

**Introduction:** As followers of Christ, we are called to pray fervently and intentionally for those in need. This guide is designed to help you pray for people with disabilities, Accessible Hope International (AHI), and our Global Hope Partners (GHPs) by focusing on seven key domains that reflect the fullness of life—spiritual, social/relational, emotional, economic, physical, intellectual, and dignity & purpose. As we lift these prayers, we embrace "The Way of Abundance," recognizing that God's abundant life is meant for all people, including those with disabilities.

Each day, focus on one domain, using the scriptures and prayer points provided. May this time of prayer open our hearts to the abundant life Christ offers and deepen our commitment to being His hands and feet in the world.
