DEPUTY EXECUTIVE DIRECTOR  
OPERATIONS
For 95 years, Mississippi Veterans Affairs has continued the tradition of connecting our local veterans with the benefits they deserve. As Executive Director, it is an honor to serve alongside a great team who honor our Mississippi heroes through superior service, care, and assistance every day.

Mississippi Veterans Affairs was established to care for the nearly 196,000 veterans currently living in our state. Last year, our agency connected over 30,000 veterans statewide with service-related benefits.

We are working to grow and expand our digital services to help veterans gain better and faster access to information. We also continue to support our veteran business owners as they grow and prosper in their local communities.

The hallmark of our service in Mississippi remains our four state veterans nursing homes, where we currently serve over 600 veterans. I am proud to work with our nursing home staff who provide them with compassionate, specialized care.

Our veterans cemeteries, located in Newton and Kilmichael, are also points of pride. It is an honor for Mississippi Veterans Affairs to have provided over 1,000 veterans and their families a resting place of peace, dignity, and respect.

As a chaplain in the Mississippi Air National Guard, I am committed to providing our veterans and their families with the support they deserve. After 95 years of service, Mississippi Veterans Affairs aims to continue moving veteran care forward. And on behalf of the 600 men and women of the MSVA, we say thank you to all who served.
In 1924 the Mississippi Legislature recognized that World War I Veterans needed assistance to obtain Veterans’ benefits. This resulted in legislation which created and funded the office of State Service Commissioner. The duties and functions of the office were to aid all residents of Mississippi who served in the military forces of the United States during any war and their dependents and beneficiaries so that they would receive all benefits to which they were entitled under the laws of the United States.

The State Service Commissioner’s office was not adequately staffed to provide the level of case work assistance necessary for the five-fold increase in the population of Veterans brought on by World War II. In 1948, the Legislature changed the State Service Commission to the State Veterans Affairs Board (SVAB) to provide additional manpower and assistance for the increasing number of Veterans and dependents. In 2019, the agency’s name was formally changed to Mississippi Veterans Affairs.

Mississippi Veterans Affairs (MSVA) is charged with assisting former and current members of the Armed Forces of the United States and their dependents in securing any benefits or privileges to which they are entitled. The agency operates the State Veterans Memorial Cemetery, the four Mississippi State Veterans Nursing Homes, approving programs and institutions of education and training under the GI Bill, and advises the governor and legislature on Veterans’ affairs.

MILITARY RECORDS

The MSVA stores copies of military discharge documents (DD214’s & DD215s) when received.

- Recently released military personnel must request that their discharge documents be sent to Mississippi by listing it on their military release.
- WWII draft cards are stored electronically, however the discharges are not. If the necessary information is located in the WWII Discharge Index, the MSVA may issue a MS State Certified Certificate.
- Korean War and Vietnam War records were received and stored electronically depending on personal information that was submitted at time of service.

The MSVA does not have access to all Military Records but will help to obtain records when possible.
The State Approving Agency inspects and approves new programs of education and training at Institutions of Higher Learning, Community and Junior Colleges, Vocational-Technical Schools, Flight Schools, On-the-Job Training and Apprenticeship programs for GI Bill education eligibility. If you have questions concerning a school or a training program being approved to teach Veterans, Reservists, and Dependents under the GI Bill, please contact the State Approving Agency.

If you have questions concerning eligibility, please contact the Department of Veterans Affairs at 1-888-442-4551.

Both Mississippi Veterans Memorial Cemeteries are open for in-ground burials and accepts cremains for both in-ground or columbarium interment. The cemetery in Newton is located approximately three (3) miles east of Newton on Highway 80. The cemetery in Kilmichael is located on Highway 82 west. Veterans, their spouses and eligible dependent children can be buried in a Mississippi Veterans Memorial Cemetery at no cost unless the burial involves re-interment from another cemetery. The VA provides a free grave marker and perpetual care is provided at no cost. Contact your funeral director or the office of the cemetery of choice for information.
STATE VETERANS OUTREACH SERVICE OFFICERS

Mississippi Veterans Affairs has placed trained VSO’s throughout the state to aid both Veterans, Veteran Service Officers, and Congressional Representatives.
