About Us

Nasoya began in 1978 when the company's founders first made tofu in a transformed barn in Leominster, Massachusetts. From day one, we believed in bringing fresh, simple ingredients to the table as a great place to start living and eating better. Built on the principles of nutrition and sustainability, we make it our mission to incorporate mindful sourcing while utilizing high quality ingredients to bring you wholesome meals you can trust. As America's #1 Tofu brand, our culinary philosophy is to inspire and lead with flavor – using fresh, delicious and simple plant-based protein, tofu, to fuel your busy lifestyle.
