IF SOMEONE HAS STOLEN YOUR IDENTITY TO GET NEW CREDIT:

Phone 763.428.3450 Fax 763.428.1900

Call the police department in either the jurisdiction you live, or the jurisdiction the ID theft occurred, and make an Identity Theft report. In Minnesota, Identity Theft becomes a crime only when any victim (person or business) suffers a monetary loss. Also call the Federal Trade Commission Identity Theft Hotline to notify them and get advice on how to proceed. Ask for copies of your credit reports. They must provide free copies of credit reports to victims of identity theft. Review your reports carefully to make sure no new additional fraudulent accounts have been opened in your name or unauthorized changes made to existing accounts. Ask the credit bureaus for names and phone numbers of credit grantors with whom fraudulent accounts have been opened. Request that the credit bureaus remove inquiries that have been generated due to the fraudulent access. In dealing with the financial institutions, keep a log of all conversations, including dates, times, names, and phone numbers. FTC ID Theft Hotline 1-877-438-4338 www.consumer.ftc.gov/features/feature-0014-identity-theft To report fraud to the FTC other than ID Theft, call: 1-877-382-4357

IF SOMEONE HAS STOLEN YOUR IDENTITY TO SET UP TELEPHONE OR UTILITY SERVICE:

If this happens to you, immediately call your service provider to cancel your accounts or calling card. Then, open new account and select new PINS. If the provider does not remove the fraudulent charges or close an unauthorized account, then file a complaint with the following regulatory agencies: For cellular telephone service, file a complaint with the Minnesota Office of the Attorney General (www.ag.state.mn.us) and the Federal Communications Commission (www.fcc.gov). For other utility services including cable and telephone service, file a complaint with the Minnesota Public Utilities Commission (<https://mn.gov/commerce/consumers/file-a-complaint>).

IF SOMEONE HAS STOLEN YOUR IDENTITY RESULTING IN FRAUDULENT ARREST OR CRIMINAL HISTORY RECORDS:

Contact the Minnesota Bureau of Criminal Apprehension (BCA) at 651-793-2400 and request a Questioned Identity Form. Fill out the form and submit it to the BCA. The BCA will undertake to investigate and clear the record, if a claim of ID theft is verified.

What you can do to protect yourself and your family from being victimized in the future.

- Don't put your D.L. # on your checks. This makes it easy to get a false ID made.
- Keep all credit card receipts safe. Many criminals use numbers off receipts to defraud.
- Shred credit card offers you get in the mail. Thieves steal mail and trash to get these.
- NEVER give your card # out to someone calling you - Make charges only when you call, and remember, Card Fraud Investigators will never call and ask for your # and expiration date.
- Don't leave mail in your mailbox overnight or on weekends. Deposit mail in U.S. Postal Service collection boxes.
- Review your consumer credit report annually
- Memorize your Social Security number and passwords. Don't carry them with you. Don't use your date of birth as your password.
