Billion Oyster Project relies on volunteers to restore oyster reefs to New York Harbor! At our headquarters on Governors Island there are many opportunities to help build oyster reef structures, prepare shells for our hatchery, and more.

CORPORATE VOLUNTEER DAYS
We will work with you to design the perfect outing for your group of up to 25 people.

Every volunteer day includes:
- Governors Island Ferry tickets and boarding assistance
- Behind-the-scenes tour of our facilities
- Catered team lunch
- Hands-on restoration activity suitable for all ability levels, supervised by BOP crew

"My team and I love volunteering with Billion Oyster Project – it’s both rewarding and educational. Every time we go we learn something new, and it’s great to be able to contribute to the restoration of oysters in the New York Harbor to protect marine life, the environment, and the city we love!"

-- Caroline Alix, Experience Design at Salesforce
Get outside with your team for a highly impactful day of volunteering!

+ $2,500

---

**Billion Oyster Project**

Billion Oyster Project is a nonprofit organization on a mission to restore oyster reefs to New York Harbor through public education initiatives.

We hope that we can reignite a passion and appreciation for New York Harbor by engaging New Yorkers directly in the work of restoring one billion oysters. All volunteer day engagement fees are fully tax-deductible and support our work to restore oyster reefs.

To start planning your volunteer day with Billion Oyster Project, please reach out to Ashley Davis at adavis@nyharbor.org.
