# Hospice Volunteers Touch Lives....

Dear Friends,

This issue of the Candlelight will be arriving in homes in the midst of the holiday season. A time when families and friends gather for dinners and celebrations and reminisce over the events of the year. We are doing that very thing at Community

Hospice and when I think back over 2019, I am very proud of the work we have accomplished and the service we have provided in our community.

In 2019, our organization will have served over 1,400 patients and families. While certainly the need for our care (both hospice and palliative care), is nothing to celebrate, the fact that we are an organization whose sole mission is to improve the quality of life of those whom we serve is something to celebrate. Community Hospice staff of physicians, nurses, therapists, social workers, counselors, chaplains and personal care aides continue to amaze me with their skill and compassion.

Our Veterans program continued to grow this year and we are proudly vying for the Level 5 partnership with the We Honor Veterans initiative. You can read more about this program on page 4. This year we will have served well over 200 veterans and honored them for their heroic service to our country. Our annual Veterans Day Service, held every November, is always special and this year was no exception.

Bereavement care and grief counseling continue to be a valuable service we provide to the community. I am proud to say this program not only serves the families who received services through hospice but is available to anyone in the community in need of support during a time of loss. Our memorial services held several times a year are a tribute to those who we cared for in our program.

This year I was extremely proud when two of our team members were honored for their service during the Kentucky Association of Hospice and Palliative Care's Annual Conference. Community Hospice Social Worker, Traci Adkins, received the Hospice Innovator Award and Volunteer Darlene Hennecke received the Hospice Volunteer of the Year Award. The fact that these two individuals were selected from nominations across the state is a real honor for them personally and for Community Hospice.

I hope you enjoy reading this edition of the Candlelight and the articles highlighting the activities mentioned above. Before closing, I must mention that this year marked my 30<sup>th</sup> year as Executive Director of this wonderful organization. Serving in a leadership role with Community Hospice for 30 years has been a real honor for me. I am so proud of the service Community Hospice provides and extremely grateful for all the support and encouragement that we have received from many of you over the years.

May your holidays and the new year be filled with many blessings!

Warmest Regards,

A handwritten signature in black ink that reads "Susan".

Susan Hunt  
Executive Director

# BOARDPROFILE

## Dr. Stacy Caudill

Dr. Stacy Caudill's knowledge of medicine and the health care community brings valuable insight to the Community Hospice Board of Directors where she has been a member for three years. Dr. Caudill is Chief Medical Officer at King's

Daughters Medical Center (KDMC) where her responsibilities include inpatient services, behavioral medicine, emergency medicine and hospitalist services.

Dr. Caudill is a Greenup County, Kentucky native graduating from Russell High School. She earned her undergraduate degree from Transylvania University, and graduated from the University of Louisville School of Medicine. Dr. Caudill completed her internship and residency in family medicine at Trident Family Medicine in Charleston, S.C. before

joining KDMC in 2009. She is board certified in family medicine.

Dr. Caudill is committed to her work on the opioid crisis both in health care and in the community. She chairs the hospital's opioid stewardship committee and has been awarded a grant to partner with the criminal justice system to improve access to care for those with substance use disorder.

Dr. Caudill and her husband, Matt Warnock, a local attorney, are the 2020 chairs for the Paramount Arts Center Spring Gala. They have one daughter.

Dr. Caudill, thank you for your commitment to care for others including your work with Community Hospice and our mission to provide quality end-of-life care to all those in need.

## KAHPC AWARDS Hospice Employee and Volunteer Honored

A Community Hospice volunteer and employee were recently recognized at the Kentucky Association of Hospice and Palliative Care's statewide conference. Darlene Hennecke, a 30-year volunteer received the Champion Award, and Traci Adkins, an 18-year employee was recognized with the Innovator Award.

In receiving the Champion Award, Darlene Hennecke was recognized for her outstanding service as a Community Hospice volunteer. Mrs. Hennecke is a tireless volunteer who has served in most every capacity of service to the organization. She is an enthusiastic advocate for hospice and palliative care services throughout our region who continually expands her knowledge of hospice by participation in many educational opportunities. Darlene also provides emotional support to patients and families. In addition to her many other volunteer duties, Mrs. Hennecke has served on the Community Hospice Board of Directors, and as President for the Friends of Hospice.

Traci Adkins, MSW, a social worker at the Community Hospice Care Center, received the Innovator Award for her work in re-establishing our pet therapy program. After a three-year hiatus, Traci Adkins has taken the lead in caring for Sophie, our new hospice therapy dog. Traci not only makes sure Sophie is helping to provide emotional support to patients and families at the Care Center, Sophie also lives with Traci and her family when Sophie is not working. As an 18-year employee of Community Hospice, Mrs. Adkins has served a vital role in achieving many institutional goals over the years while providing exceptional support to our patients and families.

"Community Hospice is extremely fortunate to have hospice advocates like Darlene Hennecke and Traci Adkins working on behalf of our organization," said Susan Hunt, Community Hospice Executive Director. "Darlene Hennecke has been involved with Community Hospice longer than any other volunteer. Not many people are as dedicated as Darlene."

Speaking about Traci Adkins, Mrs. Hunt added, "Traci Adkins is a true advocate for patients and families. She goes above and beyond every day to be sure they have all of the resources and support available during a difficult time in their lives. Community Hospice and our patients are fortunate to have Traci working on their behalf."

Thank you, Traci and Darlene for your continue dedication to our organization and the patients and families we serve. Your honors are well deserved!

# Providing the Next Level of Care for Veterans

by Andrea Arnett, Director of Volunteers

We Honor Veterans (WHV) is a national hospice provider awareness campaign conducted by the National Hospice and Palliative Care Organization (NHPCO) in collaboration with the Department of Veterans Affairs (VA). NHPCO is actively supporting this campaign and providing resources for hospices to participate because, of the 2.4 million deaths in the United States each year, approximately 680,000 are Veterans.\* A vast majority of Veterans are not enrolled with the VA and may not be aware of end-of-life services and benefits available to them, including the Medicare Hospice Benefit and VA-paid hospice care.

Community Hospice has joined other hospice providers across the country in honoring our nation's Veterans and is currently a We Honor Veterans Level 4 partner. By becoming a We Honor Veterans partner, Community Hospice is better prepared to provide quality care for Veterans at the end of life and increase access to hospice and palliative care for Veterans living in our community. Community Hospice has "earned their stars" by completing activities for each of the four levels of commitment. This allows VA staff, Veterans and families to easily identify hospices that have made a commitment to offer veteran-specific care and services provided by a competent and highly skilled workforce.

Community Hospice is currently embarking on a new challenge to provide the next level of care to Veterans by working

towards a newly created Level 5 certification within the We Honor Veterans program. Level 5 certification requires Community Hospice to provide additional community outreach and education, increase partnership efforts with our local Department of Veteran Affairs and more intense staff and volunteer training around the unique needs of Veterans at the end of life, particularly with Vietnam Veterans. This has been a year-long process and we look forward to submitting our application for Level 5 status this January.

Included here are photos from some of our recent activities and you'll see an article on the adjacent page about our annual Veterans Day Service. If you know of any upcoming Veteran related activities in which Community Hospice may participate, or if you are a veteran who would like to help us with our vet-to-vet volunteer program, please call Andrea Arnett, Director of Volunteers at 606-329-1890 or 800-926-6184. For more information about We Honor Veterans, please visit [www.WeHonorVeterans.org](http://www.WeHonorVeterans.org).

# Veterans Day Service

The number of veterans that Community Hospice cares for in our program continues to grow each year. Our annual Veterans Day Service at the Care Center is one way we continue to show appreciation for the sacrifices they have made for us and our country. This year's program held on Monday, November 11, featured guests from the VA and King's Daughters.

Chaplain Randy White, Chief of Chaplain Services at the Hershel "Woody" Williams VA Medical Center in Huntington, West Virginia, offered our opening prayer and led the Pledge of Allegiance. Chaplain White is a U.S. Army veteran. The Greenup County High School Marine Corps JROTC Color Guard presented the flags, and the national anthem was sung by Community Hospice registered nurse Stephanie Gifford.

*VA Chaplain Randy White, Executive Director Susan Hunt, KDMC Chaplain Dan Godwin*

Dan Godwin, Chaplain at King's Daughters Medical Center was the speaker.

Chaplain Godwin, also a military veteran, served in the United States Marine Corps during Vietnam and as a chaplain with the United States Naval Reserve during Desert Storm. Dan Godwin is an ordained Minister of the Church of God (Cleveland, TN) and has served in a variety of roles including prison chaplain for those criminally insane and on death row. He was also a grade school teacher for 20 years.

During the service we also remembered our long-time friend and volunteer Col. (Ret.) Ralph Newman who passed away this year. Col. Newman was a friend to us all. Before closing, we recognized all veterans who were present, along with military families who also sacrificed during their loved ones service.

Community Hospice is proud to be part of the We Honor Veterans initiative and this Veterans Day program is just another way we can honor those who have served. Thank You!

# Bereavement Programs offer Support to Patients, Families and the Community

by Rachel Swindler, MSW, Bereavement Counselor

Community Hospice has a dynamic Bereavement Department that offers an array of bereavement services and programs to patients, families and also to the community. These services are free of charge and are available to residents of Boyd, Greenup, Carter, Lawrence, Elliott, Martin, and Johnson counties in Kentucky, along with Lawrence and Scioto Counties in Ohio.

Our Bereavement Counselors offer individual grief counseling sessions and are available to make house calls. These individual sessions focus on identification and resolution of negative grief responses and teach the bereaved person effective coping skills to assist with the grieving process.

Community Hospice believes that peer support is vital when coping with grief and loss, and this is why we also offer group counseling options. Currently, we offer a Women's Grief Support Group and a Men's Grief Support Group. Community Hospice has also offered group counseling sessions focused on Mindful Growth, Embracing Our Grief, the Seasons of Grief, and General Grief and Loss at various locations in our community. We also have staff who are trained and certified in the Grief Recovery Method and we offer this group periodically, by request, throughout the year.

Honoring the patients and families that we serve throughout the year is very important to us. Our annual Memorial Services, held twice a year, give us the opportunity to reunite with family members and loved ones of our patients that passed in hospice care. During this service we participate in a candle lighting ceremony, peaceful music and messages of

hope and remembrance that help us to connect to the many lives that we touched throughout the year.

Our Bereavement Department wants to provide services and information to anyone in need; this is why we participate in local resource fairs and offer community

education programs about grief and loss to our community. Community Hospice Bereavement Counselors have visited local substance use disorder treatment centers, counseling agencies, long-term care facilities, senior centers and churches providing education on grief and loss, anticipatory grief, suicide prevention, effective coping skills to assist with grief, the grieving process, the stages of mourning and ways to assist children who are grieving.

Community Hospice values the children of our community and recognize that they experience grief too. Our annual bereavement camp for children, Camp Nabe, assists children, ages 7-14 years, who have lost someone that they love. Our camp teaches children they are not alone in their feelings, assists them with identifying feelings of grief and teaches effective coping skills that can be used all throughout their lives. Our staff and volunteers pair-up with the children to provide constant support during this two-day event. Camp Nabe has taken place at the YMCA in Ashland, Kentucky for the past few years and will be held there again in 2020. Just like all of Community Hospice's bereavement services, Camp Nabe is free and open to the public.

The holiday season can be challenging for those experiencing grief from the loss of a loved one. Each year Community Hospice offers a Holiday Seminar focused on coping with loss through the holidays.

If you have any questions or are interested in participating in any of our bereavement services, please contact the Community Hospice Bereavement Department at 606-327-2636 or 800-926-6184.

## Walk to End Alzheimer's

Through our work at Community Hospice, we frequently assist patients suffering from Alzheimer's disease and dementia. Because of this work, we are also committed to supporting the Alzheimer's Association and their efforts to find a cure for this debilitating disease.

The team from Community Hospice, including our therapy support dog Sophie, participated in Ashland's Walk to End Alzheimer's on Saturday, October 19. We also held a fundraiser lunch to raise additional support dollars. In total, Community Hospice and our employees raised nearly \$2,000 to support their work.

A special thanks to our Social Worker Traci Adkins for her leadership in this effort. This is a personal mission for Traci who recently lost her father who suffered from Alzheimer's.

Traci Adkins, far right, with her mother, brother and sister-in-law

Sophie, Hospice therapy dog

Team Hospice Walking to End Alzheimer's

## Holiday Angels

Community Hospice will once again this year be offering Angel ornaments during the holiday season. These lovely, wooden silver angels can be purchased for \$15 and can be personalized (across the wings) with the name of your loved one. They will adorn a special tree in the lobby at the Care Center throughout the holidays. In January, the Angel will be mailed to you or to someone you designate.

# Volunteer Ambassadors

Community Hospice has more than 200 volunteers who share their time and talents with our organization performing a variety of duties. About 50 of them have attended our Volunteer Ambassador training and represent Community Hospice at many of our area festivals, health fairs, resource events, volunteer recruitment activities, and various other community programs.

*The Comfort of Home*

Although we participate in a variety of events throughout the year, during the fall you'll find Community Hospice at many of our area fairs and festivals like the Catlettsburg Labor Day Fest, Louisa Septemberfest, Ashland's Poage Landing Days, Greenup Old Fashion Days and Paintsville's Apple Festival. During this period alone, our volunteers filled more than 54 shifts at these events.

Many times, Community Hospice volunteers have had a personal experience with our organization. What better representative to share the hospice message than someone who can speak about their own hospice experience first-hand? All Community Hospice volunteers participate in an extensive training program before being certified.

Thanks to all our Ambassadors for their work on behalf of our organization. To learn more about becoming a volunteer, contact Andrea Arnett, Director of Volunteers, at 606-329-1890 or 800-926-6184.

# REMEMBERING

Today is a Day that is special  
For many everywhere  
For those who read about it  
And especially for those who were there

Friends and nights and unending days  
Hoping all would end  
Love and feelings you held real close  
Put in letters for others to send

Remembering times of little food  
And it was mostly cold  
And sometimes gifts from far away  
But Postal made them old

But here we are together  
Sharing these memories with love  
With some that we can hold and embrace  
And others who have gone above

One day we will all be together  
Only God can show the way  
In the arms of our Royal Commander  
Hear Him whisper; Heavenly Veteran's Day

*Dan L. Godwin*

Written by Chaplain Dan Godwin especially for the Community Hospice Veterans Day Service on November 11, 2019.

## Community Hospice Memory Brick Walkway

**\$100 Contribution** - Brick Inscription - 2 lines - Maximum 18 characters per line including spaces

The Memory Brick Walkway in the Sam Mansbach Memorial Gardens at the Care Center is an excellent way for you to recognize a friend, family member, neighbor or colleague while supporting the programs and services of Community Hospice.

Bricks may be purchased in memory of or in honor of anyone who is special to you and your family, not just those who have been served by hospice. This is an excellent way for you to recognize someone on their birthday, anniversary, Christmas or other special occasion. Your \$100 contribution will be used to support the Care Center.

# Yesterday *and* Today

Community Trust Bank is proud to have served the people of Kentucky, West Virginia, & Tennessee since 1903. We look forward to helping our friends and neighbors fulfill their financial dreams, and in turn build a better community. That's why at Community Trust Bank we are proud to have served and look forward serving our communities for many years to come.

From personalized service  
to comfort and peace  
**this is home care.**

At FirstLight® our services focus on providing care and support to patients and families so that loved ones can spend quality time together. We can assist with everyday activities such as bathing, dressing and medication reminders. But our highly trained home care professionals can also provide comfort and companionship whenever needed. Contact us to learn the many ways we can help.

Schedule a complimentary  
consultation today.

HOME CARE

## STEEN FUNERAL HOMES

*"Providing compassionate,  
affordable service since 1925"*

**(606) 324-4128**

On July 10, 1899, King's Daughters Hospital was born, the result of the hard work and dedication of many forward-thinking individuals in the community.

Through the years, we have been privileged to partner with many organizations in and around this region to ensure patients have access to the high-quality, compassionate healthcare they deserve. We are proud to work with our friends at Community Hospice to support their mission and vision for care.

During this, our 120th Anniversary Year, we would like to take the opportunity to thank everyone in the community and region for allowing us to care for you and your families. It is our honor to be a part of your lives.
