## **Dream Center - Columbus, MS**

Children deserve a safe, comfortable place to lay their heads. An estimated 2500 girls and boys, in the Golden Triangle and far more across the U.S. go to sleep each night without a place of their very own. Sleeping on couches, blankets and floor can cause emotional distress impacting their physical and mental health. Bedz 4 Kidz is about putting smiles on faces by placing beds in the homes of children that need them. We partner with the local church, community supporters, and local government to meet the demand (serving children between the ages of 2-17 years old).
