ADDITIONAL INFORMATION

****Students may register for either Algebra I OR Geometry; they are separate courses offered during the same class period. Students taking Algebra I will need to take Geometry their second year, followed by Algebra II their third year.**

- Physical Education requirement is 5 credits per year for four years (to be fulfilled outside of Mater Dei)
- Fine Arts requirement is 5 credits per year for two years (to be fulfilled outside of Mater Dei)
- Completion of full Mater Dei Curriculum as outlined above will fulfill requirements for Magna Cum Laude high school diploma (260 credits)
- For reference, admission to University of Minnesota-TC requires:
 - Additional year of Math (not elective, as in the Mater Dei program)
 - Biological science, chemistry, and physics are required (physics not elective, as in the Mater Dei program) for admission to the Carlson School of Management, Biological Sciences, and Science and Engineering.
