

# SEMI-FORMAL DRESS CODE

---

## GENERAL DEFINITION

Semi-formal attire is an outfit that is dressier than what you would wear to an office but not as dressy as a formal evening gown or tuxedo. If the event is held in the evening (after 6:00 pm), the semi-formal guidelines lean more toward the formal than if it were held during the day. Semi-formal attire is typically worn to weddings, holiday parties, and fine restaurants.

## EVENT-SPECIFIC REQUIREMENTS

Attire for guys and ladies should be clean, well-pressed and fitted modestly. If undergarment lines are visible beneath the clothing, *it is too tight*. Students must adhere to the event-specific requirements in order to participate in this event. Unsure if your outfit meets the guidelines? Submit a photo for review/approval to Mrs. Mullen on Schoology.
