Props are items used by actors to help tell the story.

Types of Props:
- Hand Prop: An item picked up and held by an actor
- Edible Prop: A prop that needs to be eaten by an actor
- Disposable Prop: An item that gets destroyed during the run of a show
- Furniture Props: Just like the furniture in your house!
- Set Decoration: Decoration of the set- paintings, curtains, pillows on a couch
- Dangerous Objects: Any object that needs special training and rehearsals, like swords for a swordfight.

Aging Paper:

You will need: Printer paper, pen, cup of water, coffee grounds, cookie sheet, old towel

1. Make coffee water to desired darkness
2. Decorate paper, place in cookie sheet
3. Pour water in tray until the paper is covered with water
4. Thoroughly soak paper
5. Take out, lay on towel
6. Let dry (use a hair dryer to help speed up the process)
7. Repeat until the paper is the shade you want

Medieval Flags:

You will need: Construction paper, scissors, glue stick/tape

1. Cut your base color into the overall shape of your flag
2. Cut out your accents
3. Attach your accents to your flag using tape or a glue stick
