Bio

Kevin Christie understands the unique pressures of the evidence-informed chiropractor. Kevin has run his own practice for over fourteen years. With two offices and multiple staff (plus associates), he knows how important it is to not just be excellent at treating patients but being a great leader and marketer as well.

Kevin has worked with the NFL, PGA Tour, and has been featured on ESPN and Fox Sports.

Using the best tools available to us in the digital age, Kevin empowers evidence-informed chiropractors to achieve their own dreams of running a successful practice.

Testimonials

I loved the integrity of what he was doing. He is classy, honest and authentic. The inclusion of other experts in and out of the chiropractic community has provided endless inspiration and insight. My business has literally quadrupled since last year.
- Dr. Andy Cook, Twin Cities Movement

Chiropractic Success Academy not only provides clinical, business, and professional resources, but it is a virtual treasure trove of information that is timely and relevant to building a successful practice and being a better doctor. The resources are easy to understand and digest, and even easier to implement in practice.
