## WHAT DO I NEED TO REGISTER?

To register entirely online you will need your **social security number AND your NC Drivers License or DMV ID number**. If you don't have one of these numbers, begin the form online and you will be **mailed a registration form to sign** along with a stamped envelope to return your form.

**EARLY VOTING: TO REGISTER & VOTE SAME-DAY, BRING *PROOF OF RESIDENCY\****  
**Photo ID, Bill, Government Check, Bank Statement, Student ID**

*\*Document can be online/on your phone but must include your name and your registration address.*

It's a good idea for new voters to bring **any form of ID or residency document the first time they vote**, just in case. Since everything about voter registration is different this year, that is the simplest way to make sure you are covered.

## WHAT ADDRESS SHOULD I USE WHEN I REGISTER?

Register at your home or the address where you stay most often. Your voter registration address does not have to match your drivers license address. If you don't get mail where you live, provide a mailing address. Update your registration every time you move, even within the same county or city.

*The registration form asks for gender, race, and ethnicity. **This section is OPTIONAL and can be left blank.*** You can update your registration and vote the same day during Early Voting.

**On Election Day, you must vote where you are registered!**

**NEED HELP VOTING?** You can bring **someone inside to assist you OR remain in your vehicle** to use curbside voting (only voters unable to get inside polling location can use curbside voting).

**CAN'T GET TO THE POLLS OR NEED EXTRA TIME VOTING?** Request an absentee ballot to **vote by mail**. Requests are due no later than 5pm on Oct. 27, 2020. You must return your completed ballot by Election Day. Check out [youcanvote.org/vote-by-mail](https://youcanvote.org/vote-by-mail) for instructions.

**STAY IN LINE:** If you are in line at the time when polls close, stay in line! Poll workers must provide you a ballot if you arrive when polls are open. If you believe you have registered but your name is not on the rolls or if you are told that you are in the wrong precinct, you are entitled to vote with a provisional ballot and receive follow-up instructions.

You have a **right to vote without being INTIMIDATED or FORCED to vote** in a certain way. Intimidating a voter is a crime. Voters who feel harassed or intimidated should notify an election official/call the voter hotline immediately. **Call to report intimidation 1-888-OUR-VOTE**
