LGBTQ+ Voters
Know Your Voting Rights!

VOTER REGISTRATION

NC Voters must be US Citizen, at least 18 years old, live at their NC address for at least 30 days prior to Election Day, and not be currently serving a felony sentence. To complete the VR form, you’ll need to include your full legal name, date of birth, NC residential address, phone number, and signature. No photo ID is required to register to vote.

Each time you move you need to update your voter registration, even within the same city or county.

Online voter registration is available in North Carolina IF you have a NC DMV drivers license or non-operators card.
Visit youcanvote.org/register and select “Online Registration.”

The same NC voter registration form is used for registering for the first time, an updated address, name change or political party change.

NAME AND IDENTITY

The name on your voter registration needs to match the name on your legal documents. If you legally change your name, complete a new voter registration form. A name change cannot be updated using the online voter registration option. The voter registration form asks for gender, race, and ethnicity. This demographic section is OPTIONAL. If your identity is not represented, or you do not wish to identify, you can leave it blank.

VOTER PHOTO ID

Beginning in 2023, voters will be asked to show photo ID when you go vote. You can vote with or without ID! For more details on which voter IDs are accepted and what to do if you need an exception, see youcanvote.org/voting.

If you are not offered a ballot because a poll worker questions your gender identity, please call the nonpartisan voter hotline to talk with an elections attorney immediately! 1-888-OUR-VOTE
