YOU CAN REGISTER TO VOTE IF...
- You are a US citizen AND
- You are 16 or 17 years old to pre-register and you are 18 by Election Day to vote AND
- You live at your NC address for 30 days before Election Day AND

NAME AND IDENTITY

The name on your voter registration form must match the name on your legal documents. If you legally change your name, complete a new voter registration form. A name change cannot be updated using online voter registration.

You must provide either the last 4 digits of your social security number or a NC drivers license or DMV ID number on your voter registration form to confirm your identity. The voter registration form asks for gender, race, and ethnicity. This demographic section is OPTIONAL. If your identity is not represented, or you do not wish to identify, you can leave it blank.

Voter Photo ID: Voters will be asked to show photo ID. Free voter photo IDs are available at your County Board of Elections, where you can take a new photo that matches your current identity. For more details on voter photo IDs, see youcanvote.org/voterid.

Experiencing Homelessness? Use the shelter address where you stay most often. Or you can draw the address or intersection where you sleep then provide a mailing address.

If you are not offered a ballot because a poll worker questions your gender identity, please call the NC voter assistance hotline to talk with an elections attorney immediately! 1-888-OUR-VOTE
