

RECITAL PACKAGE 2019

DRESS REHEARSAL

Dress rehearsal takes place on Friday May 10th at the Orillia Opera House, and is mandatory for recital participants. Dancers are to arrive at 5pm in their first costume, with hair and make-up complete as rehearsal begins at 5:30pm sharp! Dancers 11 and under **must** be accompanied by **one** adult only and dancers 12 and over are to be dropped off at rehearsal. Please arrive at front entrance and proceed directly to the theatre. A group photo of competitive dancers in their jackets will be taken first, followed by a group picture of the entire student body. As mainstream competitive routines have been rehearsed and performed many times, we will not be running competitive numbers at dress rehearsal. All competitive mainstream and highland dancers are requested to bring their DanceRoom jackets (if dancers have one) for the group photo of the team on stage. Rehearsal is NOT in recital order but in order of age. If a dancer is in more than one number please bring all costumes and dance shoes, however, there may not be enough time, nor is it mandatory for dancers to change depending on the schedule. This is the only opportunity for dancers to enjoy the show; therefore, dancers wait in the theatre between routines and are welcome to stay for the entire rehearsal. Rehearsal is a closed event. If you have not received a security card for any dancer 11 and under, see our staff during office hours or at rehearsal.

RECITAL

- **Drop Off:** Our first show begins at 11:30am promptly, and our second show commences at 6:00pm. Arrival time is as follows: Dancers 8 and under must arrive 30 minutes prior to the recital start time, dancers age 9-11 arrive 45 minutes before, and dancers 12+ are to arrive 1 hour before. Dancers must arrive at the side entrance of The Orillia Opera House adjacent to the parking lot, in costume with hair and make-up done. Correct tights and shoes must be worn. Recital security requires dancers 11 and under to sign their child in upon entry.
- **Pick Up:** Enter through the lounge/bar downstairs for pick up. You will be asked to present your security card if picking up dancers under 11 and can exit with your dancer through the side doors.
- **Time Between Acts/Shows:** There is a 15 minute intermission during each show. For the safety and security of dancers, parents are not permitted in the changeroom during intermission. Dancing in both recitals? There are several hours of free time between recitals. Dancers must be picked up following the morning recital, as the theatre is shut down and left unsupervised, returning for the evening recital. During the recital, dancers wait in their change rooms. Supervision and activities are provided to keep dancers safe and occupied! We do not recommend dancers bring valuables to pass the time. Snacks are permitted but should be mess-free and peanut-free (some great options include vegetables, fruit, cheese and crackers, sliced meats, etc.)
- All dancers are to stay for both acts so they may participate in the finale. There is a great deal of supervision and fun activities to keep dancers occupied throughout. If an issue arises with a dancer, parents will be contacted during the show over the microphone.
- **Parking:** The Orillia Farmers' Market will occupy the Opera House parking lot during the first recital. Attached is map of all nearby municipal lots. Street parking is also available. The lot will be available for the second show only. Please enjoy the market prior to the show!
- **Hair and Make-Up:** Dancers **must** wear the assigned shoes/tights, and are expected to wear their hair in a bun with appropriate make-up. For details see our photo day sheet:
