We Will Remember Them

In the rising of the sun, and in its going down,
We will remember them.
In the blowing of the wind and in the chill of winter,
We will remember them.
In the opening buds and in the rebirth of spring,
We will remember them.
In the rustling of leaves and in the beauty of autumn,
We will remember them.
In the beginning of the year and when it ends,
We will remember them.
When we are lost and sick at heart,
We will remember them.
When we have joys we learn to share,
We will remember them.
For as long as we live, they too shall live,
For they are now a part of us,
as we remember them.
