What are you already doing for access?

What marginalized groups are represented in your organization’s leadership team?

What marginalized groups are represented in your audience or community base?

What are your organization’s strengths?

What do you see as some areas for improvement?
What do you talk about a lot? What do you *not* talk about?

What questions do you still have? What challenges do you anticipate?

After this training, what changes will you make for access?  
Short-term: One week from now? (Set alarm)  
Mid-term: One month from now?  
Long goal: One year from now?
