Excellence in Teaching Award

Scott Wallace, managing director, and Alice Andrews, director of education, have received the Dell Med Academy of Distinguished Educators' 2021 Excellence in Teaching Award. This award recognizes individual faculty members for their outstanding commitment to engaged teaching, education scholarship and leadership, and student success. Congratulations!

Three MS in Health Care Transformation Students Inducted into Alpha Omega Alpha

MS in Health Care Transformation alums and 4th year Dell Medical Students Kaylee O’Connor, Aya Rossano, and Ife Shoyombo have been inducted in Dell Medical School’s newly created Alpha Omega Alpha (AOA) Honor Medical Society. Join us in congratulating them!
Redefining Health Care Summit

We are gathering a global community of health care transformation leaders who are making change happen in health care right now. Spend three days with us in Barcelona, Spain, sharing successes, inventing solutions, and building a community of doers who will accelerate health care transformation.

World Economic Forum

Executive Director Elizabeth Teisberg recently joined the executive board of the World Economic Forum’s Global Coalition for Value in Healthcare. Last month, she addressed the coalition’s inaugural Innovation Hubs, four impressive organizations in Portugal, Wales, Denmark, and the Netherlands working to accelerate transformation to high-value care.

Now Hiring: Service Designer

We are hiring a service designer who will work with Value Institute researchers and care delivery partners to conduct user research, analyze findings, synthesize insights, and present recommendations to care delivery teams and executive leaders seeking to transform health care.

Learn more
Digital Health and Health Outcomes

Assistant Director Amy Madore, Scott Wallace, and Elizabeth Teisberg wrote a blog post for The Brookings Institution on using digital health tools to improve health care results and health equity.

Register today: Measuring What Matters

Join us virtually on February 25 and March 4, 2022, for Measuring What Matters executive education program. Learn the “how-to” of outcomes measurement, including where to start, what measures to use, how to calculate costs, and how to use the tools currently available. CNE credit is available.

CPRIT Awards Grant for Cancer Research

MS in Health Care Transformation alum Michael Overman, MD, and The University of Texas MD Anderson Cancer Center were recently awarded a $12.75 million grant from the Cancer Prevention and Research Institute of Texas (CPRIT). The grant will support basic, clinical, translational, and prevention research efforts, including $3 million for a new project to build clinical trial network infrastructure across Texas.

Head of Texas Medicaid

Blue Cross Blue Shield and the Health Care Service Corporation are currently hiring the Head of Texas Medicaid. This position entails developing and implementing short- and long-term strategic plans required for Texas Medicaid’s ongoing growth and success.
