Team Specific Fees	
Uniforms U9 - U19	See www.swatsoccer.com Uniform Order Page
Team fee - equipment, indoor, tournaments	Consult individual team

Summit FC/L30 is one of the largest competitive organizations in Utah Youth Soccer. We strive to keep our costs as low as possible, while offering a quality program that meets operational challenges and enriches player development.	
Summit FC Member Organization Dues	Covers the organizational fees associated with running the Summit FC Member Organization - such as registrar, website, bank account, non-profit documentation, UYSA MO requirements, alignment and policy representation at the state and other administration duties as required. Covers referee assigning, referee mentoring program, Fall/Spring coaches meeting and any other hosted events as needed.
Field Fees	Covers field assigning, field painting, community nets where allowed, scheduling/reschedules, procurement of green space w/city entities.
Referee Fees	Summit FC/SWAT pays all X League, State gaming league (SCL & IRL) and HSP league referee fees on behalf of all teams.
** State HSP	For the U15-19 age groups, there is only one competitive gaming league season that is played opposite the high school season. During the high school season, the state offers a HSP (high school provisional) league for those that are not playing high school soccer. The HSP league & teams are separate teams from a player’s competitive primary team. The HSP gaming league team placement does not affect the alignment promotion or relegation of the primary team.
SWAT Level Club Fees	Administration, Website, Team Trainer (8 sessions) per team U10 and older, Club Goalie Training, Tryouts, Coach Education and Training, AGM, Equipment, Gear.
