About Strawberry Hill

Located in South-Central Pennsylvania, Strawberry Hill has been teaching and promoting environmental stewardship since 1986. Through innovative nature programs, summer camp, and hands-on learning, our naturalists educate more than 8,000 people every year. Strawberry Hill is Adams County’s only nonprofit environmental education center and, since the debut of our owl, we offer the only live raptor program in the area.

Strawberry Hill Foundation, Inc. is a registered 501 (c)(3) nonprofit organization. Memberships and contributions to Strawberry Hill are tax-deductible as allowed by law.

Program Protocols

Strawberry Hill is taking precautions to protect our community from COVID-19. We currently offer limited programming available to families and private, small groups for up to nine individuals.

In addition:
- Programs are held exclusively outdoors.
- A mask must be worn in all indoor facilities, including restrooms.
- Participants are required to practice social distancing from individuals who are not part of their household.
- Participants are required to wear masks unless it creates an unsafe condition, or you have a medical or health condition or disability that impedes the wearing of a mask.
- Staff are required to wear masks while interacting with the public.

Our Mission

Strawberry Hill inspires stewardship of our natural world by connecting the community with educational opportunities.

There is no better classroom than the outdoors!
Hike with a Naturalist
60–90 minutes
$50 per group (up to 9 people)

Hike Strawberry Hill and Michaux State Forest with Education Coordinator, Lizzy! Explore the woods through the eyes of a naturalist and enjoy learning about our local flora and fauna. Topics include:
- Nature in a Nutshell (general information)
- Fall Foraging (plus safety & sustainability)
- Tree Identification (best for beginners)

Standard hikes are 1-mile in length on easy to moderate terrain.

Animal Meet & Greet
*Our most popular program!*
30 minutes
$50 per group (up to 9 people)

Get up close and meet some of Strawberry Hill’s resident animals, including our striped skunk, barred owl, reptiles, amphibians, and insects. We encourage you to pack a picnic to enjoy before or after your presentation!

NEW! Owl Classroom with Pellet Dissection
60 minutes
$50 per group (up to 9 people)

Meet Strix, Strawberry Hill’s resident barred owl! This classroom program introduces learners to birds of prey, the food chain, and includes a guided owl pellet dissection.

This program is ideal for learners ages 6+, but all ages are welcome.

Life in a Fall Forest
60 minutes
$50 per group (up to 9 people)

Have you ever wondered where frogs go in the winter, what type of tracks you found, or if that hole in the ground is an animal home? Let us answer your questions as you discover life in the forest with a knowledgeable naturalist. Participants will explore habitats, hunt for signs of life, and learn awesome biofacts.

This program is ideal for learners ages 6+, but all ages are welcome.
