Aluminex
Aluminum Exit Signs

Description
The Aluminex exit signs offer a stylish design suitable for a wide variety of applications. The aluminum construction is both visually pleasing and possesses corrosion-resistant qualities. The construction is designed so the sign will remain attractive and functional with minimal maintenance requirements.

Features
The exposed construction is black extruded aluminum with a natural satin finished stencil face. Weatherproof construction for exterior applications is optional. There is a choice of red or green LEDs with emergency operation as an option.

Applications
Aluminex exit signs are appropriate in schools, medical facilities, and all commercial facilities where a clean functional style is desired.

Custom
If your project demands a special fixture we would be pleased to discuss the production of custom fixtures to suit your specific conditions. For more information on our custom capabilities, please contact your local Cole representative.

**Required suffixes**

- Letter color: -RED -GRN
- Voltage: -120 -277

---

**Options**

- **Directional arrows:**
  - Arrow left -AL.
  - Arrow right -AR.
  - Doublehead -A2.
- **Tamperproof screws:** Socket head faceplate screws. Add suffix -TP.
- **Emergency battery:** Integral circuitry provides 90 minutes of operation (190 Series only). Add suffix -EM.
- **Pendant mount:** Provides canopy and one 18" stem. Use ceiling model number and add suffix -S1.

**Pedestal mount:** Provides threaded flange on bottom for 1-1/4" pipe (190 series only).
- Add suffix -PED

**Weatherproof:** Add suffix -W.

**Custom color:** Contact factory for custom preference. Add suffix -CC.

**Voltage:** 277V driver, universal voltage.
- Add suffix -277.

**How to Specify**

1. Select catalog number with desired features.
2. Add suffixes for options required to meet job conditions.
