Sponsorship Opportunities

Become a Sponsor

At some point, we will all likely need the WestView Health Centre. Investing in our community's healthcare is critical to ensure the best healthcare professionals are available, state-of-the-art equipment is present, and we trust in the facility that will be looking after our most precious loved ones.

Network with colleagues, friends, business owners, and stakeholders for a great cause!

Your donation will help fund equipment purchases and programming for the benefit of all our residents, with a percentage of the proceeds being directed to the Wishing You Wellness program.
