**8th Fire Solar**

**Limited Warranty**

Full Ten-Year Warranty on the Solar Powered Furnace Series Solar Collectors manufactured by 8th Fire Solar

1. **Scope of Coverage**
   This warranty applies to a new solar collector purchased by the end user. The warranty covers the collector as a whole including all of its components and parts. It extends to the first buyer of the collector for a total of ten (10) years from the date of purchase.

2. **Warranty on the Collector**
   8th Fire Solar fully warrants its solar collectors to be free from defects in both material and workmanship for a total period of ten (10) years from date of installation acceptance by the original owner. If a failure does occur during the warranty period, 8th Fire Solar will provide a new part, or at 8th Fire Solar’s option, have repaired any part of the collector. A new warranty shall apply to any replacement part, but shall be limited in time to the remainder of the original warranty period. This warranty applies to collectors installed for use as a heat collector to provide energy for use in medium temperature range applications (110 to 210 degrees Fahrenheit) only.

3. **Service Labor Responsibility**
   This warranty covers labor expenses for removal and reinstallation. 8th Fire Solar will pay up to seventy-five dollars ($75.00) per collector for such expenses.

4. **Absorber Surface**
   8th Fire Solar warrants fully for a period of ten (10) years against any degradation of the absorber surface which would significantly affect the collector performance.

5. **Warranty Exclusions**
   A. This Warranty will not apply to the following exclusions:
      1) To defects or malfunctions resulting from failure to properly install, operate or maintain the collector.
      2) To damage from abuse, accident, fire, flood, hail, wind or other Acts of Nature.
      3) To glass breakage.
      4) To collector failure which occurs due to damage caused by heat transfer fluids.
      5) If the collector is moved from the original installation location.
      6) To damage from when the collector is not installed directly against a building.
      7) To damage from when the collector is installed at any angle other than 90 degrees from the ground, or vertical to the ground.
   B. Limitation on Exclusion from Coverage
      Conditions that may occur in the normal operation of the collector shall not be invoked by 8th Fire Solar to reduce the coverage of this warranty.

6. **Other Rights and Remedies**
