POSTER GUIDELINES

This year there is no official template for poster submissions. The format, layout, and material is up to the author. However, due to space limitations we kindly recommend not exceeding A0 size.

The gallery at Kaplan Institute, 3137 South Federal Street, Chicago, IL 60616, will be open Wednesday, October 16 from 10am–4pm for installation. There is no pre-designed layout for the posters. Space is first come, first served. If an early installation isn’t possible, the gallery is open at 8am on Thursday, October 17.

Day 1 of the conference will convene in the gallery where authors can informally present their posters to those interested, but no formal presentation or Q&A is scheduled. Images of the posters and prototypes, and any abstracts associated, will be included in the online proceedings.

Please email staff@rsd8.org with the dimensions of your posters by EOD Friday, October 11.
