

# 2020-2021 MASFPS PROFESSIONAL LEARNING SERIES

Want to keep up with the new platforms, legislative changes, and best practice walk-throughs? Don't miss out! No membership needed!

We take the guesswork out of State and Federal programs so you can focus on students.

**Calling our State and Federal Program Specialists, School Improvement Teams, Curriculum Leaders, and Classroom Teachers to join us for individual or all seven sessions of our Professional Learning Series.**

Join the team of MASFPS Leaders, MDE Office of Educational Support and Special Populations Consultants, and Tiffany Winters Kessler from Brustein and Manasevit to lead us through the new MICIP Platform, MEGS+ Platform, K-12 MTSS Exemplars, Guidance on Federal Programs including ESSER, and MDE Regional Updates.

Participants can choose to participate in all 7 sessions or pick and choose individual options that fit their need. No membership needed this year!

**7 virtual sessions: \$500/series**
