PIAA By-Laws, Article X, Curriculum

Section 1.

To be eligible for interscholastic athletic competition, a student must pursue a curriculum defined and approved by the Principal as a full-time curriculum. Where required, this curriculum or its equivalent must be approved by, and conform to, the regulations of the State Board of Education and the Pennsylvania School Code, as well as any local policies established by the local School Board. The student must be passing at least 4 full-credit subjects, or the equivalent. Eligibility is cumulative from the beginning of a grading period, must be reported on a weekly basis, and must be filed in the Principal's office. Where a student's cumulative work from the beginning of the grading period does not, as of any Friday meet the standards provided for in this Section, the student is ineligible from the immediately following Sunday through the Saturday immediately following the next Friday as of which the student's cumulative work from the beginning of the grading period meets the standards provided for in this Section. Where a school is closed on a Friday for any reason, the Principal may, at the Principal's election, determine whether the student as of that day meets the standards provided for in this Section.

Section 2.

Back work may be made up, providing it is in accordance with the regular rules of the school

Section 3.

In cases where a student's work in any preceding grading period does not meet the standards provided for in Section 2, said student is ineligible to participate in interscholastic athletics for at least fifteen (15) school days of the next grading period where the school have four (4) grading periods per school year, or for at least ten (10) school days of the next grading period where the school has six (6) grading periods per school year, beginning on the first day report cards are issued, except as provided in Section 5.

Section 4.

Students who are enrolled for the first time must comply with the requirements of the curriculum rules. The standing required for the preceding week, the preceding grading period or the preceding year shall be obtained from the records of the last school which the student has attended.

Section 5.

At the end of the school year, the student's final credits in the student's subjects rather than the student's credits for the last grading period shall be used to determine the student's eligibility for the next grading period.
