**Mason, Ohio**

**(513) 492-8585**

### Who Should Attend?

Families that would like their child with CFC Syndrome to see specialists at CCH's Rasopathy Clinic.

There are 25 individual spots for patients with CFC Syndrome. Because of limited availability, families whose children have NOT been seen in the Cincinnati Children's Rasopathy Clinic will be given priority.

If you would like to register an individual with CFC Syndrome that HAS been seen in the Rasopathy Clinic before, you may do so. But, please know that we will place your registration on hold until May 31, 2020.

On OR before May 31, 200, we will:

- inform you of availability,
- offer you registration without seeing specialists on Saturday,
- or refund your registration fee.

ANY family may attend the Lunches (Saturday and Sunday), Saturday night pizza party, and Sunday morning sessions, and NOT see specialists on Saturday. **Online registration should ONLY be for families wishing to see specialist** If you'd like to participate in this way, please simply contact us at [info@cfcsyndrome.org](mailto:info@cfcsyndrome.org). There is no limit to this registration, but there will be a \$75 family fee.

Things to know:

Hotel: The Hampton Inn in Mason, Ohio is a 15 minute drive from the hospital, as it was the only hotel that could provide 25 rooms for this weekend. There ARE hotels closer with availability, but it is extremely limited and no options for ALL families to stay at one hotel.

Transportation: We currently have no transportation from the hotel to the Liberty Campus. However, noting transportation availability on your registration will be key for CFC International to get a good assessment of transportation needs of our families and work to make accommodations.

**\$150 per family before April 30, 2020**

**\$200 per family after April 30, 2020**
